Is there more than one structure on the property? ☐ No ☐ Yes Total number of structures: 2

If yes, please sketch out the property (below), or attach a Site Plan, and indicate which structure this work is being applied for.

Site Plan Sketch:
-------------------

If the application is brought in to the office, the permit will be issued over the counter, otherwise the permit will be issued within 24 hours. **Please note:** If the property is located on a Conservation Easement, has an active Zoning Violation, is Not a Legal Building Lot, or is located in a Platted subdivision that requires HOA review, or if the structure is Historic (more than 50 years old), or if the structure appears to be Non-Conforming, an additional 1-2 days will be required to complete the review.

Payment is required at time of application. Please call 303-441-3926 to put a credit card number on file, otherwise a Permit Specialist will contact you for payment when processing your permit application.

**Certification:** I certify that the above information is correct and agree to construct this project in accordance with the site plan, building plans and specifications submitted herewith, and in strict compliance with all the provisions of the Land Use Code, Building Code, and Health and Plumbing Regulations of Boulder County.
