SCAN FOR INFO

Nestled in a serene, gated acreage neighborhood in Cross Roads, Texas, this eye-catching property offers the perfect blend of tranquility and convenience, situated just moments away from major DFW thoroughfares, shopping, dining, hospitals, and two renowned universities.

Set on a picturesque 1.5-acre wooded lot, this single-story residence has an attractive exterior design that complements its scenic surroundings. Step inside and you'll find a spacious layout featuring three generous bedrooms and two full bathrooms plus a convenient half bath.

The inviting living room showcases a soaring cathedral ceiling and a floor-to-ceiling stone fireplace, creating a warm and welcoming atmosphere. The living area shares an open layout with an updated, trendy kitchen equipped with a gas cooktop, stainless steel appliances, and granite countertops. Throughout the home, you'll find distressed hardwood and tile floors that enhance the interior's charm.

Step outside to a private, dog-friendly fenced backyard with a large deck complete with a hot tub. Plus, it has community water and a deep private well for outdoor irrigation to maintain a lush landscape.

Cross Roads is recognized as one of the best towns in the DFW Metroplex, with its residents benefiting from no city taxes and a close proximity to Lake Lewisville, Lake Ray Roberts, Denton, Dallas, and Fort Worth.

Remarks

Property Description: Located in a gated acreage community in Cross Roads, this 1.5-acre property offers space, updates, and convenient access to Denton, Frisco, and the major corridors of the DFW Metroplex. The single-story home features approximately 2,164 square feet, three bedrooms, two full baths, and a half bath, with a functional, open layout suited for everyday living. The main living area is highlighted by a cathedral ceiling and a floor-to-ceiling stone fireplace, creating a central gathering space that connects naturally to the kitchen and dining areas. The kitchen has been updated with granite countertops, stainless steel appliances, gas cooking, and ample cabinet space. Hardwood and tile flooring run throughout the main living areas, providing a clean, durable finish. Outdoor living includes a dog-friendly fenced backyard, a large deck, and a hot tub, providing usable space for both relaxation and entertaining. The property is supported by both community water and a private well that currently serves the irrigation system, although it can be switched to serve the entire property. Recent improvements include a roof replacement in January 2026, along with other updates completed over time. The home has been pre-inspected, with many items already addressed, and documentation is available for review. Positioned for buyers seeking acreage living with accessibility to nearby amenities, this property offers a solid combination of space, function, and improvements within a gated neighborhood setting.

Public Driving Directions: Hwy 380 between Fishtrap and Rock Hill Rd - Enter Oak Bluff on the north side of Hwy380 - Stay to right upon entering. Property on the left side at the top of the hill.

**RECOMMENDATIONS OF THE OAK BLUFF HOMEOWNER'S BOARD
ON AMENDMENTS TO THE GOVERNANCES OF THE ASSOCIATION**

066150

1. FENCES

Any fence or wall proposed to be constructed, erected, placed or altered on any lot including, but not limited to, the dimensions and/or materials to be used must not detract from the natural setting and shall be subject to the approval of the Board of Directors.

Fences and walls along property lines bounding adjacent lots or the common areas including streets, are subject to review by the Board as they will provide an evident visual structure and form. It is not the intention in the overall development plan to allow continuous walls of high screen fencing along these areas, but rather, to develop a compliment to the natural wooded setting, within reasonable limits of individual resident property rights. It is not the intention that any lot or lots will become large pasture areas for livestock.

2. TREES AND LANDSCAPING

No living trees, other than those in the direct area of construction of any residence, driveway, or other necessary access road, which are greater than six (6) inches in diameter, measured one (1) foot from the ground, may be cleared from any lot without approval of the Board of Directors. Clear-cutting of any lot is strictly prohibited. No trees or understory shall be removed which would cause excessive erosion or otherwise adversely affect adjacent property. The intention is to preserve Oak Bluff as a residential area with a unique wooded setting.

3. DEBRIS

No lot or other area within Oak Bluff Addition may be used to store unused and inoperable equipment, or be maintained as a dumping ground or land fill for rubbish, trash, debris, litter, waste, or inoperable vehicles of any kind. The Board is empowered to correct or remedy such violations as indicated, at resident's expense.

4. NOISE ABATEMENT

All residents are entitled to the quiet enjoyment of their property. The land and improvements located on each lot shall not be used in such a manner to disturb other residents, to constitute a nuisance, or violate any public law, ordinance or regulation from time to time applicable thereto. All motorized vehicles of any type or kind whatsoever, shall have appropriate mufflers or sound suppression devices as may be appropriate to ensure that other residents are not unreasonably disturbed. This applies to both transit to and from one's residence as well as recreational uses. Operation to any off-road or all terrain vehicle on property

belonging to the owner is strictly prohibited.

Operation or use of any stereo, radio, or any and all other types of amplified music or sound producing equipment, whether in an individual residence or any type of motorized vehicle shall not be disturbance to other residents. It is not the intention to deny any resident or guest enjoyment of music, but such enjoyment should not be forced upon others who cannot have specific control over the volume, tone, intensity.

5. TEMPORARY OCCUPANCY

No trailer, basement of any incomplete building, tent, shack, or barn, and no temporary building or structure of any kind shall be used at any time for a residence, either temporary or permanent, other than as such may be used by the Developer, or home builder and/or its agents during the period of construction. Temporary buildings or structures used during the construction, repair or remodeling of a dwelling on any such lot shall be moved immediately after the completion of the construction. Guests of residents will be permitted to temporarily occupy motor homes while visiting residents for a period of not to exceed thirty (30) days.

6. TRAILERS, BOATS, SHEDS, AND MOTOR VEHICLES

No mobile home, motor home, shed, trailer of any kind, truck, camper, permanent tent or similar structure, boat or inoperable motor vehicle of any type shall be kept, placed, maintained, constructed, reconstructed or repaired upon any property or street or private driveway in such a manner as will present an unkempt image. Vehicles on jack-stands or other lift devices shall remain in such status only for the period of repair, and not to exceed thirty (30) days, and shall be out of public view.

7. SIGNS

No commercial sign or advertising of any kind shall be placed on or otherwise displayed to the public view on any lot except for commercial real estate signs advertising the house or property for sale. However, such signs as may be used for specific occasions such as garage sales or parties will be permissible only for the duration of such events.

8. PETS AND ANIMALS

No animal shall be allowed to make an unreasonable amount of noise and to become a nuisance. No resident shall be permitted to keep any animal which exhibits any aggressive or viscous behavior. Pit Bulls, Doberman Pinschers, or Rottweilers shall not be kept under any circumstances, permanently or temporarily.

Upon written request of any resident, the Board of Directors shall conclusively

determine, in its sole and absolute discretion, whether, for the purposes of this section, a particular animal is a generally recognized house or yard pet, or a nuisance, or whether the number of animals on any such property is reasonable.

9. SAFETY

Any act or failure to act which poses an endangerment or potential endangerment other residents and/or guests or their property is prohibited. Such acts shall include, but are not limited to the following specific restrictions:

All motorized vehicles shall be operated at safe and reasonable operating speeds. Speed should not exceed 25 mph. All residents are responsible for the operation of all vehicles, both owned and non-owned, by themselves, their family, and invited guests.

The discharge of any firearm whatsoever, for any recreational purpose is strictly prohibited. This prohibition includes, but is not limited to target shooting, sighting and hunting.

No open fires, including the burning of brush or debris will be allowed without adequate fire protection equipment being physically present. Such fires shall be attended at all times to avoid the uncontrolled spread and creation of wildfires which could potentially destroy the entire area. Burning shall not be permitted during dry or windy conditions.

No land or improvement may be used for any purpose which will create or emit any objectionable, offensive, or noxious odors, dust, gas, fumes, or other such material.

Chemical waste, empty chemical containers, batteries, paint cans, and other potential pollutants shall be disposed of in accordance with guidelines of the US Environmental Protection Agency and/or other Texas State agency restrictions. Toxic and chemical waste will not be disposed of by burying or burning on any lot.

10. ENFORCEMENT

The Association or any resident may enforce the covenants and restrictions contained in these Articles by any proceeding law or in equity against any person or persons violating or attempting to violate any provision hereof or recover damages; provided, however, the failure of the Association or any resident to enforce any covenant or restriction herein shall in no event be deemed a waiver of the right to do so thereafter.
