

ONX LIMITED WARRANTY SUMMARY

ONX provides a limited warranty on its new homes that covers specific components. The limited warranty will provide buyers with coverage for 1 year. The limited warranty commences on the date of closing of the original purchase and through the applicable period. This document is intended to be a summary of the limited warranty provided by ONX. The details of the limited warranty will be set out and governed by a limited warranty booklet that will be delivered on the date of original purchase. The terms of the limited warranty booklet will govern and control over any inconsistencies with this limited warranty summary.

WORKMANSHIP PROTECTION

For 1 year from the date of original purchase, ONX warrants that the components of each home will meet certain Workmanship Performance Standards. If a workmanship component does not satisfy these Workmanship Performance Standards, then ONX will perform the repairs and/or replacements necessary to meet the Workmanship Performance Standards.

SYSTEMS PROTECTION

For 1 year from the date of original purchase, ONX warrants that the systems of each home will meet certain Systems Performance Standards. If a systems component does not satisfy these Systems Performance Standards, then ONX will perform the repairs and/or replacements necessary to meet the Systems Performance Standards.

STRUCTURAL PROTECTION

For 1 year from the date of original purchase, ONX warrants that the structural components each home will meet certain Structural Performance Standards. If a structural component does not satisfy these Structural Performance Standards, then ONX will implement repairs in phases necessary to meet the Structural Performance Standards.
