Introducing The Vantage at Village Drive

Introducing The Vantage at Village Drive—an exclusive collection of newly built luxury townhomes just three blocks from the base of Steamboat Ski Resort. These 3-bedroom, 3.5-bath residences feature mountain-modern design, floor-to-ceiling windows, vaulted ceilings, chef-inspired kitchens, and private rooftop terraces with heated patios and mountain views. Each home includes a heated garage with additional storage, offering exceptional mountain living near skiing, dining, shopping, and trails.

Key Features & Highlights

Prime Mountain Location

Located just three blocks from the base of Steamboat Ski Resort, The Vantage offers convenient access to skiing, dining, shopping, trails, and year-round recreation.

Private Rooftop Terraces

Each residence features a private rooftop terrace with a heated patio, pre-wired for a hot tub, offering the perfect space to relax and enjoy mountain views in every season.

Elevated Living Spaces

Floor-to-ceiling windows, vaulted ceilings, exposed steel accents, and contemporary fireplaces create sophisticated living spaces filled with natural light.

Distinctive Architectural Design

A striking blend of cedar siding, natural stone, steel accents, and expansive glass creates a timeless mountain-modern aesthetic that complements the surrounding alpine setting.

Key Features & Highlights

Refined Interior Design

Every residence is designed to blend modern aesthetics with practical mountain living, featuring quality craftsmanship, premium finishes, and sophisticated spaces for everyday comfort.

Light-Filled Interiors

Expansive floor-to-ceiling windows invite abundant natural light while framing views of the surrounding mountain setting. Vaulted ceilings and open gathering spaces create an airy, welcoming atmosphere throughout.

Chef-Inspired Kitchens

Designed for both everyday living and entertaining, the kitchens feature professional-grade appliances, custom cabinetry, premium finishes, and generous workspace that balances style and functionality.

Why This Property Stands Out

Thoughtfully designed spaces, clean architectural lines, and modern functionality create residences that feel distinctly different while remaining connected to the character and beauty of their mountain setting.

The Vantage presents an exceptional opportunity to enjoy modern, low-maintenance living with the comfort, convenience, and flexibility to make the most of Steamboat's year-round mountain lifestyle.
