Private Retreat with Modern Comforts

Welcome to 4815 Old Swimming Pool Road – a one-of-a-kind custom retreat by Sexton Construction, perfectly tucked into the trees on a quiet, wooded lot in Frederick. Built in 2013, this thoughtfully designed home offers over 3,600 square feet with an oversized 650 sq ft side-load garage — ideal for vehicles, hobbies, or extra storage — with plenty of room for guests to park. The lower level includes both finished and unfinished areas, offering flexible space for storage, a home gym, workshop, or future expansion. The finished section, filled with natural light and featuring a walk-out door to the side yard, is perfect for a rec room, playroom, media room, or creative studio — whatever fits your lifestyle. Freshly painted and move-in ready, the interior showcases quality craftsmanship throughout. You'll find luxury vinyl plank flooring, hardwood stairs, and a first-floor office — perfect for remote work or study. The kitchen features 42-inch cabinetry, stainless steel appliances, generous counter space, and a layout that opens seamlessly into the main living areas, making it ideal for both quiet nights at home and gatherings with friends. Upstairs, you'll discover spacious bedrooms and a luxurious primary suite complete with double vanities, a walk-in shower, and a huge walk-in closet with ample room for storage and organization. The convenient top-floor laundry room adds everyday ease to the thoughtful layout. Tall ceilings and large windows throughout the home create an open, airy feel filled with natural light. Step outside to enjoy the peaceful setting: a welcoming front porch, a large rear deck and patio for entertaining, a cozy firepit area, and a separate shed for additional storage. The current owners have especially loved the privacy and outdoor space — a true sense of retreat just minutes from town. Surrounded by mature trees, this home feels like a modern treehouse — private, elevated, and connected to nature. This home invites you to slow down, settle in, and enjoy the beauty of where you live.
