SPACIOUS RANCH ON LARGE PRIVATE LOT

ALEX ROY | PREMIERE PROPERTY GROUP

A PERFECT HOME FOR ENTERTAINING

4 Bedrooms | 2 Full & 1 Half Bathrooms
Size: 3,048 sqft | Lot Size: 100 x 175 ft

Hi there! I'm a cozy mid-century ranch, born in the late 1960s and lovingly cared for ever since. You'll find me tucked away at the end of a quiet, closed street — a peaceful little corner of the world where I stand proud on my extra-large lot.

Come on in! My living room loves to show off its big front windows, original hardwood floors, and a charming brick fireplace that now enjoys a modern gas insert (perfect for snuggly evenings!). A sunny addition at my back opened up my kitchen and dining spaces, turning them into one big happy gathering place. Light streams in through my solar tubes and sliding doors — they lead right out to my roomy deck, where I adore hosting lazy afternoons and starry-night chats.

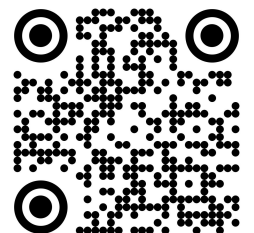

Upstairs, I have three comfy bedrooms, including a primary suite with its very own private bath. Down below, my finished basement offers even more space — a fourth bedroom, a third bathroom, and a cheerful family room where a pool table and wood stove make for cozy fun. I've even got a dedicated laundry room and lots of storage for all your treasures.

Need space for projects or playthings? My two-car garage and deep driveway (yes, even RV-friendly!) have you covered.

Outside, my front yard is dressed up with native shrubs, roses, and shady trees that keep me cool without touching my roof. Out back, I've fenced everything in for privacy — with a special dog area, a handy garden shed, and a bed of mature roses that bloom their hearts out every year.
