This upgraded Eaton model has everything on your wish list. Built by Advantage Homes and in model home condition, this townhome offers over 2,200 finished square feet, including a bright English basement, in the heart of amenity-rich Brunswick Crossing. Just steps from the community pool, fitness center, tennis courts, and clubhouse, this home features 9-foot ceilings, recessed lighting, hardwood floors, and carpeted stairs on the main and upper levels, fresh paint, and a premium trim package. The gourmet kitchen is the centerpiece, with granite countertops, stainless steel appliances, and a large center island. The spacious primary suite features a tray ceiling, walk-in closet, and private en-suite bath. Enjoy outdoor living on the rear deck or take in quiet mornings on the covered front entry. The lower level offers a generous rec room, full bath, and plenty of storage. The upgraded dormer-front elevation with box window adds charm and curb appeal, while the detached two-car garage provides both parking and storage. Enjoy low-maintenance living with lawn care included in the HOA, plus access to resort-style amenities and proximity to the Potomac River, C&O Canal, and MARC train for easy DC commuting — all in historic Brunswick.
