Truly one of a kind!

This open and elegant brick-front colonial sits at the end of a quiet cul-de-sac in sought-after Windsor Knolls and offers the perfect blend of comfort, luxury, and functionality. Built by M/I Homes in 1998 and recently updated, this light-filled home features over 4,800 finished square feet on a premium 0.51-acre lot in the desirable Urbana High School district. Step inside to find 9-foot ceilings, gleaming hardwood floors, a graceful wood staircase, and fresh paint throughout. The main level includes bay windows, a first-floor office, and a spacious sunroom addition. The large kitchen boasts 42-inch cabinets, a gas cooktop, and a generous island that opens to the family room with a cozy gas fireplace—perfect for gathering and entertaining. From the sunroom, step out to the rear deck, ideal for relaxing or outdoor dining. Upstairs, you'll find four bedrooms and three full baths, including a luxury primary suite with its own fireplace and spa-like en-suite bath. One additional bedroom features a private attached bath, while the remaining two share a well-appointed hall bath. The finished walkout basement features another gas fireplace, a full bathroom, a kitchenette, and flexible space suitable for a guest suite, gym, or media room. Offering an exceptional layout, prime lot, and top-tier location, this home is a standout in Windsor Knolls. Don't miss your chance to make it yours.
