Gibbs Gardens **Escape**

Nestled just north of Atlanta in Ball Ground lies Gibbs Gardens, a breathtaking 336-acre estate of sculpted landscapes, seasonal color, and serene water features.

This exceptional garden showcases “feature” gardens, such as the sweeping 50-acre daffodil fields, an awe-inspiring 40-acre Japanese garden with torii gate and stone lanterns, and a dreamy Waterlily Garden crossed by a graceful Monet-inspired bridge.

Visitors can stroll along meandering pathways through 21 distinct garden venues, including the Manor House terraces, Inspiration Gardens, Fern Dell, Sculpture Garden, and more, with 24 ponds, 19 waterfalls, and 32 charming bridges punctuating the experience.

Open Wednesday through Sunday from 9 AM to 4 PM (February–December). A visit here blends horticultural mastery with tranquil beauty, perfect for those seeking a lifestyle marked by elegance, artistry, and natural splendor just minutes from home.
