The Board shall establish reasonable rules as to the notice to be given to the custodian of records by the members desiring to make the inspection, the hours and days of the week when inspection may be made, and the cost of reproducing copies of documents requested by a member.

Section 6.03: CERTIFICATION AND INSPECTION OF BY-LAWS.

The original or a copy of these By-Laws, as amended or otherwise altered to date, certified by the Secretary, shall be open to inspection by the members of the Corporation in the manner provided by law.

Section 6.04: CHECKS, DRAFTS, ETC.

All checks, drafts or other orders for payment of money, notes or other evidences of indebtedness, issued in the name of or payable to the Corporation, shall be signed or endorsed by such person or persons and in such manner as shall be determined from time to time by resolution of the Board of Directors.

Section 6.05: CONTRACT, INSTRUMENTS -- HOW EXECUTED.

The Board of Directors, except as in the By-Laws otherwise provided, may authorize any officer or officers, agent or agents, to enter into any contract or execute any instrument in the name of

Section 6.06: ANNUAL REPORT.

The Board of Directors of the Corporation shall cause to be prepared and sent to the members upon request within sixty (60) days of the last day of the period covered, a balance sheet as of the last day of the period covered and operating (income) statement for the Corporation's fiscal years.

The operating statement shall include a schedule of assessments received and receivable identified by the Lot or other identification of the interest assessed and the names of the person or entity assessed.

The Board of Directors shall cause to be prepared and sent to the members upon request sixty (60) days before the beginning of each fiscal year, a tentative operating statement (budget) for that year.

If, in any year, the income of the Association exceeds \$100,000.00, the Board of Directors shall employ a Certified Public Accountant to conduct an audit of the Association's fiscal transactions and shall distribute copies of the audit to the members.

ARTICLE VII
MEMBERSHIP

Section 7.01: MEMBERSHIP.

Each Owner, by virtue of being an Owner and during such time as such Owner remains as Owner, shall be a member of the Association. The term, "Owner", shall be defined in the Restrictions and shall mean as to property whose ownership gives rise to membership in this Corporation the person or entity holding the beneficial ownership of the fee, including a purchaser under a real estate contract. It is the duty of each person who becomes an Owner or who ceases to become such an owner to notify the Association, in writing, within thirty (30) days, giving the date and recording date of the instrument transferring title, a copy of such instrument and addresses to which notices are to be sent. The change and transfer of memberships shall be made in a register kept at the principal office of the Corporation. In the case of any dispute, the Board of Directors shall decide, pursuant to the provisions of the Restrictions, who is a member of this Corporation.

Section 7.02: CLASSES OF MEMBERSHIP.

The Association shall have one (1) class of membership. All members, including Grantor, shall be entitled to one (1) vote for each Lot owned. When more than one person or entity is an owner of any Lot, all such persons shall be members. The vote for such Lot shall be exercised as such owners determine, and in no event shall such multiple Owners vote more votes than they are entitled by the Lots owned.

Section 7.03: VOTING RIGHTS.

Each member shall be entitled to the votes as provided in this Article on all matters properly submitted for vote to the membership of the Association. Every member entitled to vote at any election of members of the Board may cumulate his votes and give any one or more candidates a number of votes equal to the number of votes to which the member is entitled, multiplied by the number of Directors to be elected. The right to vote may not be severed or separated from any Lot, and any sale, transfer, or conveyance of the beneficial interest of the fee of any Lot to a new Owner shall operate to transfer the appurtenant vote rights without the requirement of any express reference thereto. Voting may be by written proxy.

When any provision of the Restrictions, Articles of Incorporation or By-Laws of this Corporation calls for the vote or the consent of the members in any stated percentage, the following rules apply unless the specific language of the provision provides to the contrary:

1. Whenever a vote of the members is required, it is sufficient to obtain the written consent of the same percentage of members;

2. The percentage requirement shall be a percentage of the total number of Lots and not a percentage of the number of members of the Association.

The Board of Directors may close the membership register for a period not exceeding thirty (30) days preceding any meeting, annual or special, of the members and any such meeting shall be conducted and any vote taken on the basis of the memberships shown in the register at the time of closing.

Section 7.04: ASSESSMENTS.

Each member is subject to the following charges and assessments payable to the Association:

1. Maintenance assessments;
2. Delinquency assessments;
3. Assessments for capital improvements; and

4. All other fees or other monies due to the Association for such member.

Section 7.05: MAINTENANCE ASSESSMENT.

1. Within thirty (30) days prior to the commencement of each fiscal year the Association shall estimate the costs and expenses to be incurred by the Association during the year, including a reasonable provision for contingencies, as well as reserves for major repair and replacement, and shall subtract from such estimate an amount equal to the anticipated balance, exclusive of any reserves for contingencies, and reserves for major repair and replacement in the operating fund at the start of such year. The sum of net estimate so determined shall be assessed to all the Owners in shares - one (1) share for each Lot owned.

2. If, at any time, and from time to time during any fiscal year, the maintenance assessment proves or appears likely to prove inadequate for any reason, including nonpayment of any Owner's share thereof, the Association may levy a further maintenance assessment in the amount of such actual or estimated inadequacy.

3. Maintenance assessments shall be due and payable to the Association when levied or in such installments during the year, and on such due dates as the Board shall designate.

4. The maintenance assessment shall not include any amount for the capital improvement of Common Area which, in any fiscal year, exceeds five percent (5%) of the budgeted gross expenses of the Association and which is not part of such budgeted gross expenses. Such assessments for extraordinary capital improvements may be levied pursuant to Article 7.07.

5. Until the December 31st immediately following the conveyance of the first Lot by Grantor, the annual assessment per assessment share shall be determined by the Board of Directors. From and after said December 31st, the maximum maintenance assessment may be increased each year not more than a 10 percent (10%) increase above the maximum assessment for the previous year without a vote of members holding two-thirds (2/3) of the voting power of the Association. The percent of increase shall be

cumulative from year to year so that an increase not used in one year may be used in a subsequent year, without a vote of the members.

Section 7.06: DELINQUENCY ASSESSMENT.

The Association shall levy delinquency assessment against any member or members as a result of whose acts, or failure or refusal to act, or otherwise comply with the Restrictions, or the Rules, monies were expended from the operating fund by the Association. Such assessment shall be in the amount so expended, and shall be due and payable to the Association when levied, or in such installments as the Association shall designate. Prior to the levy of a delinquency assessment, the Board shall hold a hearing to determine the validity and amount of the assessment upon at least (30) days notice to the member to be assessed. Such member to be assessed shall be given an opportunity to be heard at such hearing held to determine the validity and amount of the assessment.

Section 7.07: ASSESSMENTS FOR CAPITAL IMPROVEMENTS.

The Association may also levy in any year an assessment for paying or returning, in whole or in part, the cost or proposed cost of acquisition and construction of a described capital improvement (whether the improvement constitutes real or personal property), in an amount greater than can be included in the maintenance assessment, provided such assessment has been approved by the members holding two-thirds (2/3) of the voting power of the Association, which assessment shall be assessed to members as provided for in maintenance assessments.

Section 7.08: DELINQUENCY.

Each assessment under this Article shall be the separate, distinct and personal debt and obligation of the member against whom it is assessed. Any assessment provided for in this Article, which is not paid when due, shall be delinquent.

With respect to each assessment not paid within ten (10) days after its due date, the Association may, at its election, require the member to pay a sum (late charge) to be determined by the Board of Directors to pay for the costs of handling the delinquent sum, but not to exceed thirty-five dollars (\$35.00) per each delinquent assessment. Such a charge shall be considered an additional assessment and collectable with the assessment for which it was charged.

If any such assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate as set from time to time by the Board, however not greater than twenty percent (20%) per annum, and the Association may, at its option, bring an action at law against

the owner or owners personally obligated to pay the same, and upon compliance with the provisions of this Article to foreclose the lien against the Lot, and there shall be added to the amount of such assessment, the late charge, the costs of preparing and filing the complaint in such action, and, in the event a judgment is obtained, such judgment shall include interest at the rate provided herein and a reasonable attorney's fee, together with the costs of action. Each owner vests in the Association or its assigns, the right and power to bring all actions at law or lien foreclosure against such owner or other owners for the collection of such delinquent assessments.

Section 7.09: NOTICE OF LIEN.

No action shall be brought to foreclose an assessment lien less than thirty (30) days after the date of notice of claim of lien is deposited in the United States mail, certified or registered, postage prepaid, to the owner of said Lot and a copy thereof be recorded by the Association in the office of the County Recorder in Sandoval County, New Mexico. Said notice of claim must recite a good and sufficient legal description of any such Lot, the record owner or reputed owner thereof, the amount claimed (which shall include the interest charges, costs and attorney's fee recoverable by an action at law) and the name and address of the Association.

Section 7.10: FORECLOSURE SALE.
