### **Andreas Double Sconce**

Item quantity: 1

Price: 600.00

### **FANS**

3 blade ceiling fans with lights in all 3 bedrooms and the bonus room. Do you want to see images of these? They are Lucci ClimateAire III.

Also an outdoor 3 blade ceiling fan on the lanai. We are not going to mount the outdoor fan over the kennel area. We will keep that for our future home. The same as we will do with the outdoor heaters which are wired for mounting over the dining area on the front of the house and the seating area on the lanai.
