Concept

The Shores of Delavan Lake is where you can raise your family, spend time with friends and where you come home to relax and unwind.

The community is designed with simple, yet functional open spaces. One that welcomes a connection with the outdoors via walking paths, open space, parks and access to Lake Delavan.

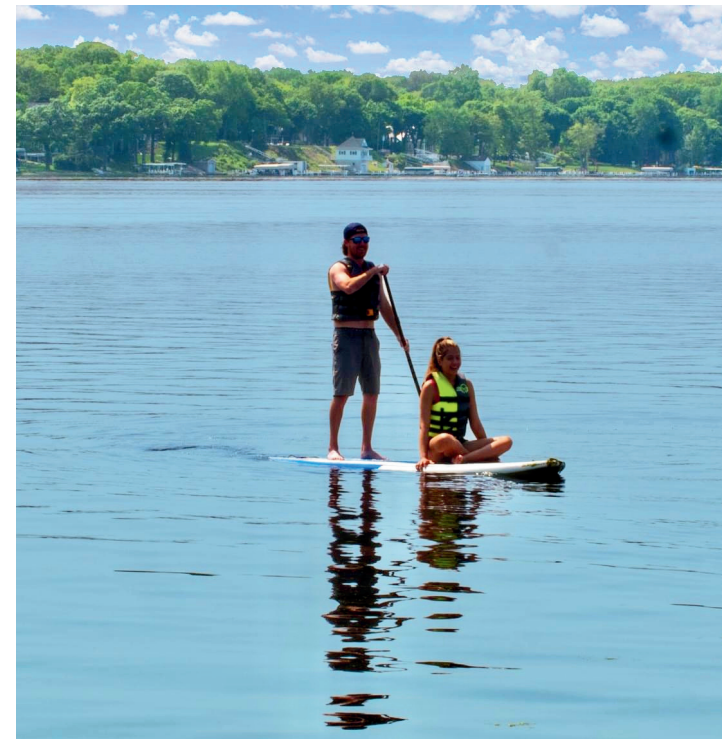

The beauty of The Shores of Delavan Lake is the balance of amenities and the access and use of the natural environment.

Love of the outdoors and experiences are what define this community. Quality craftsmanship is what defines our homes.

A community designed to encourage the connection with outdoors and a place to stay connected with family and friends.

A Natural Environment for Families

The Shores of Delavan Lake

QUALITY YOU CAN TRUST

Shodeen Homes has been building homes for over 60 years. Our family has always lived in and been a part of the communities we build in. We take great pride in our work, where we build, and in supporting the community.

PROVEN SUCCESS

Shodeen has won National, Regional, and local awards for innovative community design, commitment to the environment, architecturally distinct homes, and energy efficient construction.

DIVERSITY OF OPTIONS

At Shodeen Homes we offer something for everyone with our focus on designing homes and communities in prime locations that fit the homebuyers' needs and lifestyle.
