Spacious Jefferson Model - Modern Comfort Meets Small-Town Charm

Welcome to the sought-after North Pointe community, offering access to desirable Middletown schools and just steps from the heart of downtown. This spacious Jefferson model provides nearly 3,000 square feet above grade plus a large finished walkout-level basement, giving you all the space you need to live and entertain. The main level features nine-foot ceilings, wood floors throughout, and a freshly refinished wood staircase. A first-floor office, large living and dining rooms, and a bright sunroom complement the spacious family room, while the kitchen serves as the centerpiece with 42-inch cabinets, granite countertops, a large island with a peninsula, and newer stainless steel appliances, opening into the morning room that the sellers have loved using to host holidays, team dinners, and family game nights. Off the kitchen you will also find an oversized laundry room, while the entry offers a fun built-in drop space perfect for hanging coats, bags, and everyday essentials. Upstairs, the primary suite includes a beautifully remodeled bath and custom closet organizers, while the bedrooms feature custom plantation shutters. Throughout the home, fresh paint on walls, ceilings, and trim gives a move-in ready feel, and the upper and lower levels are finished with durable LVP flooring. The walkout basement offers even more living space with a cozy gas fireplace, bar area, full bath, and a dedicated storage room. Major updates include a propane HVAC system installed in 2021 and a hot water heater replaced in 2024. Additional highlights include new deck boards, a backyard shed, and a private setting that backs to mature trees where the sellers have enjoyed watching gorgeous sunsets from the deck or fire pit. They also appreciate the home's location within easy walking distance to schools, the library, Wiles Branch Park, and Middletown's restaurants and shops. With its blend of modern updates and timeless small-town charm, this home is bright, open, filled with natural light, and ideally positioned to enjoy all the walkability and community connection that Middletown has to offer.
