Type: Underground Heating Oil Tank Locate

On **February 19, 2025**, Xavier Environmental Inc. conducted an underground heating oil tank locate at the above address.

A Schonstedt magnetic locator was used to scan the property for an underground heating oil tank or related plumbing. Additionally, a check for historical records did not reveal any records relevant to our search.

A thorough search of the property **did not** reveal the presence of an underground heating oil tank or any significant evidence.

While all due diligence research and inspection processes have been performed to the best of our abilities, no warranty of findings or results is written, expressed or implied.

Thanks for choosing Xavier Environmental Inc. on this project. If you have any questions regarding this matter, please feel free to contact us at 503-236-3796.
