School Goals

At Dilley, we focus on having high standards for all students while developing strong character. We work diligently to create an environment where all students feel they can reach their full potential and take ownership of their learning. Our staff also realizes the importance of building strong relationships with all students in order to create an identity safe school environment.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

Our district uses a curriculum called Second Steps to help create a safe and welcoming environment for all students. This curriculum provides students with common practices and language for all to follow and learn from. Our school counselor supports students with these practices and procedures as well to ensure there is a school wide expectation to welcome everybody in our community.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Forest Grove School District recognizes the need to ensure the safety of all of our students. In an effort to ensure safety for all, the following practices are in place in all of our Pk-6 buildings:

- a) PBIS
- b) PAX
- c) Trauma Informed Practices
- d) restorative practices and discipline.

As a district we also have counseling lessons to address bullying and reporting as well as safe touch and personal space.

EXTRACURRICULAR ACTIVITIES

Mad Science
After School Math and Literacy
Community Sports Leagues
Cheer
Opportunities to tend to our garden and more to come...

PARENT ENGAGEMENT

Dilley takes parent engagement to the next level. We have a strong Parent and Teacher Organization that meets monthly. Our PTO has a full board and helps engage other parents to volunteer and/or help with special projects. We also have a Building Site Council that meets monthly and is open to our parents. Teachers strive to have multiple ways of communicating with parents and figuring out ways they can support our school. We also have Fall Parent Conferences as well as Spring Parent conferences. Aside from classroom engagement, our school has a garden that is fully funded and maintained by community members and parents. Our school garden is our school's greatest gem.

COMMUNITY ENGAGEMENT

Dilley organizes yearly events opened to all community members filled with family fun. The goal for our community events is to bring people into our school and be a part of our school community. Some of the community events hosted are: a) Back to school BBQ; b) Fall Carnival; c) Veterans assembly; d) Talent Show; e) Community Service Projects; and other monthly events requiring volunteers.

School Goals

Tom McCall Upper Elementary School is committed to engaging students in meaningful learning that promotes intellectual growth while fostering personal development. We recognize the unique developmental stage of our 5th and 6th graders, who are eager to build independence yet still need adult care and support on their educational journey. Our goals focus on helping students develop responsibility as learners, strengthen their critical thinking, communication, and collaboration skills, and deepen their empathy and resiliency, ensuring they grow both academically and personally.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Safe & Welcoming Environment

We are dedicated to creating a safe, welcoming environment for all students. Staff design inviting spaces where children feel valued and included. Each day begins with breakfast in the classroom and morning meetings to build classroom community. We teach school-wide lessons on race and inclusion, showing students how to respond to harmful language and fostering respect. By addressing these issues directly, we empower students to stand against bias and ensure our school remains a supportive place for all.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Our school is committed to a safe, supportive, and inclusive environment where all students succeed. We prevent bullying and harassment through weekly social-emotional learning (SEL) lessons focused on empathy, respect, and well-being. School counselors provide guidance on positive peer interactions and bully prevention. We use CHAMPS to teach clear expectations in common areas and classrooms. When conflicts arise, we respond with trauma-informed, restorative practices to help students build empathy and positive behavior.

EXTRACURRICULAR ACTIVITIES

Our school offers a variety of extracurricular activities through the CLC grant, collaborating with staff and community partners to strengthen connections and provide meaningful opportunities for students. We have clubs like LEGO Robotics, chess, sports, art, science, reading, and music, all designed to challenge and support students. These activities promote social and emotional development through peer interactions and adult guidance. Additionally, students can participate in Band and Orchestra, further enhancing their school experience and fostering personal growth.

PARENT ENGAGEMENT

Our school values parent partnerships to ensure students achieve high levels of learning. We foster this connection through conferences and family information nights, collaborating to support student success and helping parents access school communication and technology. This keeps them informed about grades and ways to support academic progress. We welcome parent involvement through volunteering, chaperoning, and helping with events. Fun school activities throughout the year strengthen our community and support student growth.

COMMUNITY ENGAGEMENT

Our school fosters community engagement through partnerships with local organizations. We offer field trips for hands-on learning that connect students to the community. In BizTown, students take on roles to run a town, gaining real-world experience. We benefit from partnerships supporting our CLC program, work studies from Pacific University, and peer tutors from our high school. Guest speakers regularly connect our curriculum to the world outside. We value our diverse community and work in a variety of ways to build meaningful connections with it.

About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

Neil Armstrong Middle School recognizes the need to ensure the safety of all of our students. We take all bullying and harassment reports seriously and investigate immediately.

EXTRACURRICULAR ACTIVITIES

Neil Armstrong is committed to offering extracurriculars. For 6 years, we have run an exceptional extended day program with our CLC Grant. In addition, our popular athletic program offers opportunities for all students to try out for sports.

PARENT ENGAGEMENT

Parent involvement is a priority in our school. We continue to open our doors for in-person events such as back to school night, informational nights, and 8th grade promotion.

COMMUNITY ENGAGEMENT

Our community partners are essential to the success of our school. We enjoy partnerships with many community organizations and institutions that help promote a healthy environment, social development, and academic enhancement.

School Goals

Forest Grove High School works to inspire excellence in all students, preparing them for college, career and citizenship. We want every student to have the skills they need to pursue any opportunity they choose upon graduation. Goal 1: Create a positive school culture and community among ALL students and staff by increasing student participation, engagement and success in classes and activities as well as developing positive relationships among students and staff. Goal 2: Prepare all students as measured by state and national assessments, student surveys, essential skills and graduation data.

State Goals

The Oregon Department of Education is collaborating with school districts and communities across the state to achieve a 90% on-time graduation rate by 2027. Grounded in the pillars of Academic Excellence, Belonging and Wellness, and Reimagined Accountability, ODE prioritizes evidence-based practices to boost early literacy, attendance, and student engagement. We are committed to closing opportunity and achievement gaps for marginalized students and securing long-term success for all of Oregon's learners by investing in culturally responsive practices, fostering inclusive environments and always driving for continuous improvement.

Safe & Welcoming Environment

FGHS staff and students work to create a welcoming environment. Advisory, AVID, High School Success, Student Advisory, Student Leadership Groups (ASB, LIA, Renaissance), PBIS, Unified Activities, Extracurricular and club activities and Parent Nights. Our safety plan includes regular training and practice for staff and students, ensuring that in the event of a real emergency, everyone is prepared. Single entry access, staff monitoring the campus (inside and out) throughout the day, as well as cameras across campus that are used to monitor activity.

CAREER & TECHNICAL EDUCATION

FGHS offers a comprehensive high school experience where students have multiple opportunities to take courses supporting them in any path they choose: entry into career, community college or university. The majority of Career and Technical classes offered provide opportunities to earn college credit, saving thousands in tuition. Career Pathways exist in the following areas: Building Construction, Metals Manufacturing, Agriculture/Ag Science, Arts and Communication. Performing Arts, Education, Culinary, Mechatronics, Engineering, Computer Science, Business, and Health Services. Entry level through advanced level coursework provides opportunities to explore and expand student interests, with numerous college credits when they leave Forest Grove High School.

EXTRACURRICULAR ACTIVITIES

Multiple Theatrical Shows, Choir, Band, Orchestra, Marching Band, Mariachi, 20 Clubs (service, arts, science, technology) Athletic Program.

PARENT & COMMUNITY ENGAGEMENT

FGHS works hard to create opportunities for parents and community to engage in student learning and experiences. Multiple parent nights are offered throughout the year that provide insight into Career Pathways, Academic Support and Future Planning. Specific activities include: CTE Night, College Night (Community College and University), ASPIRE – community mentors for students to plan for future, College and Career Fair (trade schools, colleges, career), Junior Achievement – 12th grade lessons taught by community members - as well as Senior Projects and Senior Speeches. FGHS has also partnered with many community partners and businesses to provide a variety of experiences for our students – from school based support to job shadows and internships.
