SPD

This form recommended and approved for, but not restricted to use by, the members of the Pennsylvania Association of Realtors® (PAR).

1 **PROPERTY 520 Colony Court, Gibsonsia, PA 15044**

2 **SELLER The Seymour Family Revocable Living Trust**

3 INFORMATION REGARDING THE REAL ESTATE SELLER DISCLOSURE LAW

4 The Real Estate Seller Disclosure Law (68 P.S. §7301, et seq.) requires that before an agreement of sale is signed, the seller in a residential
5 real estate transfer must disclose all known **material defects** about the property being sold that are not readily observable. A **material defect**
6 is a problem with a residential real property or any portion of it that would have a significant adverse impact on the value of the property or
7 that involves an unreasonable risk to people on the property. The fact that a structural element, system or subsystem is at or beyond the end
8 of its normal useful life is not by itself a material defect.

9 This property disclosure statement ("Statement") includes disclosures beyond the basic requirements of the Law and is designed to assist
10 Seller in complying with disclosure requirements and to assist Buyer in evaluating the property being considered. Sellers who wish to see
11 or use the basic disclosure form can find the form on the website of the Pennsylvania State Real Estate Commission. Neither this Statement
12 nor the basic disclosure form limits Seller's obligation to disclose a material defect.

13 This Statement discloses Seller's knowledge of the condition of the Property as of the date signed by Seller and **is not a substitute for any**
14 **inspections or warranties** that Buyer may wish to obtain. **This Statement is not a warranty of any kind by Seller or a warranty or rep-**
15 **resentation by any listing real estate broker, any selling real estate broker, or their licensees.** Buyer is encouraged to address concerns
16 about the condition of the Property that may not be included in this Statement.

17 **The Law provides exceptions (listed below) where a property disclosure statement does not have to be completed. All other sellers**
18 **are obligated to complete a property disclosure statement, even if they do not occupy or have never occupied the Property.**

- 19 1. Transfers by a fiduciary during the administration of a decedent estate, guardianship, conservatorship or trust.
- 20 2. Transfers as a result of a court order.
- 21 3. Transfers to a mortgage lender that results from a buyer's default and subsequent foreclosure sales that result from default.
- 22 4. Transfers from a co-owner to one or more other co-owners.
- 23 5. Transfers made to a spouse or direct descendant.
- 24 6. Transfers between spouses as a result of divorce, legal separation or property settlement.
- 25 7. Transfers by a corporation, partnership or other association to its shareholders, partners or other equity owners as part of a plan of
26 liquidation.
- 27 8. Transfers of a property to be demolished or converted to non-residential use.
- 28 9. Transfers of unimproved real property.
- 29 10. Transfers of new construction that has never been occupied and:
30 a. The buyer has received a one-year warranty covering the construction;
31 b. The building has been inspected for compliance with the applicable building code or, if none, a nationally recognized model
32 building code; and
33 c. A certificate of occupancy or a certificate of code compliance has been issued for the dwelling.

34 COMMON LAW DUTY TO DISCLOSE

35 Although the provisions of the Real Estate Seller Disclosure Law exclude some transfers from the requirement of completing a disclo-
36 sure statement, the Law does not excuse the seller's common law duty to disclose any known material defect(s) of the Property in order
37 to avoid fraud, misrepresentation or deceit in the transaction. **This duty continues until the date of settlement.**

38 EXECUTOR, ADMINISTRATOR, TRUSTEE SIGNATURE BLOCK

39 According to the provisions of the Real Estate Seller Disclosure Law, the undersigned executor, administrator or trustee is not required
40 to fill out a Seller's Property Disclosure Statement. **The executor, administrator or trustee, must, however, disclose any known**
41 **material defect(s) of the Property.**

Buyers should check with the municipality to determine if permits and/or approvals were necessary for disclosed work and if so, whether they were obtained. Where required permits were not obtained, the municipality might require the current owner to upgrade or remove changes made by the prior owners. Buyers can have the Property inspected by an expert in codes compliance to determine if issues exist. Expanded title insurance policies may be available for Buyers to cover the risk of work done to the Property by previous owners without a permit or approval.

Note to Buyer: According to the PA Stormwater Management Act, each municipality must enact a Storm Water Management Plan for drainage control and flood reduction. The municipality where the Property is located may impose restrictions on impervious or semi-pervious surfaces added to the Property. Buyers should contact the local office charged with overseeing the Stormwater Management Plan to determine if the prior addition of impervious or semi-pervious areas, such as walkways, decks, and swimming pools, might affect your ability to make future changes.

5 Notwithstanding the default language of the Agreement of Sale regarding title to the Property, Seller will not warrant title to any oil,
6 gas and/or mineral rights/interests regardless of whether they are conveyed, excepted or reserved. Buyer is advised to conduct an

32 **If Buyer and Seller do not reach a written agreement before the conclusion of the Investigation Period, and Buyer does**

- (B) The warranty of title in the Agreement of Sale does not pertain to the oil, gas and/or mineral rights/interests and royalties that have been reserved. Seller will not defend title to these rights/interests or royalties and does not covenant that Buyer will have quiet enjoyment of these rights/interests.
- (C) Seller's reservation, if any, does not apply to domestic free gas and surface damage rights/interests, which are set forth below.
- (D) If Seller is reserving an interest in any non-excepted oil, gas and/or mineral rights/interests and royalties, within _____ days of the Settlement Date (30 if not specified) Seller will deliver to Buyer the proposed reservation language that will appear in the deed that conveys title to the Property to Buyer for Buyer's review. If this reservation language does not reflect the terms in Paragraph 4(A) above, or if Seller fails to provide the proposed reservation language within the time provided, Seller may be in default of the Agreement of Sale.
- (E) Within _____ days (15 if not specified) of receiving Seller's proposed reservation language, **or if no reservation language is provided within the stated time**, Buyer will notify Seller of Buyer's choice to:

 2. Terminate the Agreement of Sale by written notice to Seller with all deposit monies returned to Buyer according to the terms of the Agreement of Sale, OR
 3. Enter into a mutually acceptable written agreement with Seller.
- If Buyer and Seller do not reach a written agreement during the time stated in this Paragraph, and Buyer fails to respond within the time provided for Buyer's response in Paragraph 4(E) above, or fails to terminate the Agreement of Sale by written notice to Seller within that time, Buyer will accept the Property and agree to the RELEASE in the Agreement of Sale.**
- (F) If Seller fails to deliver the proposed reservation language as specified in Paragraph 4(D), and Buyer exercises the right to terminate this Agreement as a result, all deposit monies shall be returned to Buyer according to the terms of the Agreement of Sale. 5. SURFACE DAMAGES

In the event Seller is reserving and retaining oil, gas and/or mineral rights/interests as set forth in Paragraph 4(A), then Seller further agrees to convey, assign and/or transfer to Buyer: i) the exclusive right to receive compensation for any and all damages, which include, but are not limited to, pipeline rights-of-way, well pad sites, compressor sites, and standing marketable timber, and ii) any and all surface consent or surface remediation rights set forth in the applicable oil, gas, and/or mineral rights lease, pipeline right-of-way agreement or other surface use agreement pertaining to the Property. DUAL AGENCY CONSENT AND CONFIRMATION AGREEMENT

(To be signed by Buyer before signing offer and to be signed by Seller before reviewing offer.)

1. Seller and Buyer acknowledge and agree that the purchase agreement they are considering involves representation by a Disclosed Dual Agent. The following information details the roles of the parties regarding Dual Agency.

Note: When the term "DUAL AGENT" is used, it will always mean the Broker (Berkshire Hathaway HomeServices The Preferred Realty) who, by contracts previously entered into, represents the interests of both the Buyer and the Seller in this agreement. The term DUAL AGENT will apply to a Salesperson/Associate Broker only if the same Salesperson/Associate Broker has been previously identified as the Designated Agent to represent the interests of both parties (Buyer and Seller) named in this agreement. If the Designated Agent of the Buyer and the Designated Agent of the Seller are not the same Salesperson/Associate Broker, then the term Dual Agent will apply only to the Broker, and the Buyer and Seller will each continue to be fully represented by their previously identified Designated Agents.

2. Dual Agent's Role: Seller and Buyer acknowledge that, prior to the creation of the Dual Agency, the Agent represented either the Buyer or the Seller. The Agent acted as the Agent of Seller or acted as the Agent of Buyer. In those separate roles, the Agent may have obtained information which, if disclosed, could harm the bargaining position of the party providing such information to the Agent. Seller and Buyer agree that the Dual Agent shall not be liable to either party for refusing or failing to disclose information which would harm one party's bargaining position and would benefit the other party. However, this Agreement shall not prevent the Agent from disclosing to Buyer any known material defects in the property or any other matter that must be disclosed by state law and/or regulation. The Agent agrees not to disclose (a) to Buyer information about what price Seller will accept other than the Listing Price, or (b) to Seller information about what price Buyer will pay other than any written offered price. In the event that Seller and Buyer do not enter into an agreement for the purchase of Seller's property by Buyer (the "Purchase Agreement"), or in the event that the Purchase Agreement between Seller and Buyer does not close, the Dual Agency role and this Agreement will be terminated.
3. Seller's and Buyer's Role: Seller and Buyer acknowledge that they are aware of the implication of the Agent's Dual Agency role including the limitation on the Agent's ability to represent Seller or Buyer fully and exclusively. Seller and Buyer have determined that the benefits of entering into a transaction between them with the Agent acting as agent for both of them outweigh such implications. Seller and Buyer understand that they may each seek independent legal counsel in order to assist with any matter relating to a Purchase Agreement or to the transaction which is the subject matter of a Purchase Agreement. Seller and Buyer agree that Agent shall not be liable for any claims, damages, losses, expenses or liabilities arising from the Agent's role as a Dual Agent. Seller and Buyer shall have a duty to protect their own interests and should read this Agreement and any Purchase Agreement carefully to ensure that they accurately set forth the terms which they want included in said agreements.
4. Seller and Buyer agree that all "comparable" property information available through the Multiple Listing Service or otherwise, including listed and sold properties, may be disclosed to both Seller and Buyer. Agent will not advise or counsel Seller or Buyer, interpret data, or make recommendations based on this information.
5. Seller and Buyer understand and agree that Broker compensation is not set by law and is fully negotiable. Broker shall have the right to collect compensation or a fee from the Seller, the Buyer, or both according to the terms of their respective agency contracts as well as the agreement of sale.
6. Seller and Buyer are advised to seek competent legal and tax advice with regard to this transaction, and with regard to all documents executed in connection with this transaction including this Dual Agency Consent Agreement.
7. Seller and Buyer recognize and agree that this document does not replace those documents signed earlier, i.e. the Buyer Agency Contract signed by the Buyer on _____, and the Exclusive Right to Sell Listing Agreement signed by the Seller on 10-3-25. However, in any areas where this document contradicts or conflicts with those documents, this Dual Agency Consent Agreement shall supersede. This agreement hereby becomes a part of the attached Purchase Agreement entered into between the parties whose signatures appear below.
8. This Dual Agency Consent form may be executed in one or more counterparts, each of which shall be deemed to be an original and which counterparts together shall constitute one and the same consent of the Parties.

I HAVE READ AND UNDERSTAND THE ABOVE AGREEMENT.
