Sellers favorite things about this home

- Sitting on the deck in the mornings, watching the sunlight through the trees, listening to birds, and spotting deer in the yard. It is peaceful and grounding.
- My garden shed, my little sanctuary. With the French doors open and the scent of fresh wood, it is where I journal, read, or enjoy quiet moments.
- The setting, away from the noise of the city and surrounded by nature, yet close enough to reach shopping and dining within minutes.
- All the natural light that fills the home. It feels happy and uplifting, even on cloudy days.
- The location, perfectly balanced between country calm and convenience. Lake Lanier, Don Carter State Park, the Botanical Gardens, and the new Publix at Riverbrook Village are all nearby.
