- 3.4 Site Inspection.** The Customer agrees to allow Freedom Forever and construction professionals (including engineer, architect, licensed contractors, or their representatives) (collectively "Subcontractors") hired by Freedom Forever to access the Property to inspect any buildings and roofs prior to the installation of the System to ensure that the Property can accommodate the System. Customer may choose to finance the Total Contract Price by entering into a financing agreement with a third party. If Customer chooses to enter into an arrangement with a third party for financing of the Total Contract Price, Customer understands that Customer is directly contracting with a third-party financing company and not Freedom Forever for financing services. Customer will remain obligated for the full Total Contract Price until full payment is received by Freedom Forever.
- 4.3 Down Payment.** Upon the Effective Date, the Customer shall pay to Freedom Forever a Down Payment in an amount provided on page one of this Agreement to Freedom Forever. Freedom Forever agrees to refund the full amount of the Down Payment if the Customer cancels the Agreement within three (3) days following the Effective Date. - 4.6 Incentives.** Depending on the state and/or utility district in which Customer resides, Customer may be eligible for state and local incentives and/or rebates. The incentive and/or rebate calculations provided to Customer are estimates. However, actual incentives and/or rebates are variable as are eligibility requirements, funding availability and rates which may change. In an effort to assist Customer in capturing any applicable incentive and/or rebate, Freedom Forever will use good faith and reasonable efforts to help Customer to secure applicable incentives and/or rebates, but Freedom Forever shall have no financial obligation to the Customer regarding actual incentive and/or rebate amounts received. Customer agrees to pay the Total Contract Price in full regardless of the actual amount of any incentive and/or rebates Customer may or may not receive. The System Assets mean all the Work and all materials delivered to the Property, whether or not actually incorporated in the System or the Property. Upon the Customer's payment of the Total Contract Price, legal title and ownership of the System shall pass to the Customer.

ARTICLE 6 - CHANGED CONDITIONS

6.1 Right to Cancel.

ARTICLE 7 - LIMITED WARRANTY

- 7.1 Free of Material, Construction and Workmanship Defect.** Subject to the limitations and other provisions of this Agreement, Freedom Forever warrants that the Work and the System will be free from defects in material, construction and workmanship ten (10) years following the Completed Installation (the "Limited Warranty"). Freedom Forever warrants the roof of the Property against damage and water infiltration at each roofing penetration made by Freedom Forever in connection with the installation of the System (the "Covered Roof Area"); provided however that such roof penetration warranty shall be void and voidable if work is performed by Customer or Customer's contractors on the roof during the ten (10) year period. **This is not a warranty of the entire roof.** If the roof has an existing warranty, Customer has the sole responsibility of confirming with the roofing contractor who performed the work that the installation of the System will not void any warranty. If the Work will void any existing roof warranty, the Customer proceeds knowing that this is the case. Any claim under the Limited Warranty must be made before the expiration of the Limited Warranty.
- 7.2 Warranty Exclusion.** The Limited Warranty excludes products not manufactured by Freedom Forever. The Customer shall be entitled to all warranties, if any, provided by the manufacturers of the components, accessories and equipment that are not manufactured by Freedom Forever, but which Freedom Forever installs. Freedom Forever does not expressly warrant these items because it is not involved in the manufacturing process. Occasionally, a component, accessory or item of equipment will be unavailable for reasons beyond Freedom Forever's control. If this should occur, Freedom Forever shall have the right to substitute a reasonably equivalent item. The Limited Warranty excludes any measuring or monitoring equipment or service.
- 7.3 Other Exclusions.** The Limited Warranty does not extend to (a) normal wear and tear; or (b) damage or failure caused by (i) abuse or material neglect by the Customer, unless such action or inaction was taken or not taken, as the case may be, in reliance on and in compliance with written instructions provided by Freedom Forever, (ii) modifications not performed by or through Freedom Forever or an affiliate of Freedom Forever or in a manner materially inconsistent with or contrary to the written information or written instructions provided by Freedom Forever or contained in the vendor manuals provided by Freedom Forever, (iii) the negligent acts or omissions of the Customer or the Customer's separate contractors, (iv) defects or deficiencies attributable to Force Majeure Events, (v) failure by the Customer to properly maintain or operate the System, or (vi) defects caused by the failure of the structural integrity of the support system by reason of any earth or fill ground movement.
- 7.4 Repair and Replacement.** If the Customer discovers a breach of the Limited Warranty and makes a timely claim, then, as the Customer's sole and exclusive remedy, Freedom Forever shall repair or replace the defective Work. Freedom Forever shall commence and complete such repairs or replacements within a reasonable time after receipt of the Customer's notice of warranty claim. If a failure cannot be corrected by Freedom Forever's reasonable efforts, the Parties will negotiate an equitable solution in good faith.
- 7.5 Disputes of Breach of Warranty.** If Freedom Forever disputes whether a breach of warranty has occurred, any tests of the System shall be as mutually agreed, and Freedom Forever shall be notified prior to such testing and may be present at all tests that may be performed.
- 7.6 Reservation of Right to Access for Limited Warranty.** Freedom Forever reserves the right to access the Property, after reasonable notice to the Customer, to repair, inspect or assess the performance of the Customer's System
- 7.7 Exclusive Remedy.** The Limited Warranty is the exclusive remedy for defects in material and workmanship provided under this Agreement, and is provided in lieu of all other warranties, express or implied. On expiration of the Limited Warranty, all liability of Freedom Forever for breach of warranty shall terminate.

EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, FREEDOM FOREVER MAKES NO REPRESENTATIONS AND GRANTS NO WARRANTIES, EXPRESS OR IMPLIED, EITHER IN FACT OR BY OPERATION OF LAW, BY STATUTE OR OTHERWISE, UNDER THIS AGREEMENT, AND FREEDOM FOREVER SPECIFICALLY DISCLAIMS ANY OTHER WARRANTIES, WHETHER WRITTEN OR ORAL, OR EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE OR PURPOSE.

- 7.8 Transferability of Warranty.** The Limited Warranty that the Work and the System will be free from defects in material, construction and workmanship in ten (10) years following the Completed Installation is transferable when the Customer conveys or transfers the Property to another party. The Customer or the transferee must give notice, in writing, to Freedom Forever within twenty (20) days from the effective date of the conveyance or transfer. The transfer of warranty shall be effective only if the transferee agrees to be bound by the conditions and terms of this Agreement. The transfer of warranty shall be effective upon Freedom Forever's receipt of the written notice from transferee agreeing to the terms and conditions of this Agreement.

ARTICLE 8 - SYSTEM PRODUCTION

- 8.1** Freedom Forever will provide the Customer a production guarantee, as set forth in EXHIBIT A.

- 9.1 Force Majeure.** For purposes of this Agreement, the term "Force Majeure Event" shall mean any event, condition or circumstance that delays or prevents a Party from timely performance of obligations under this Agreement, or from complying with conditions required under this Agreement if such act or event, condition or circumstance, despite the exercise of reasonable efforts, cannot be avoided by, and is beyond the reasonable control of and without the fault or negligence of, the Party relying thereon as justification for such delay, nonperformance, or noncompliance, which includes, to the extent that the foregoing conditions are satisfied, war, sabotage, riots, insurrection, civil unrest or disturbance, military or guerilla action, terrorism, economic sanction or embargo, civil strike, work stoppage, slow-down, or lock-out; inclement weather, earthquake, abnormal weather condition or actions of the elements, hurricane, flood, lightning, wind, drought, volcanic eruption, Acts of God; unavailability of materials acceptable to Freedom Forever, fires, explosions, strikes, concurrent construction at Property affecting solar installation, government prohibitions, action or inaction of government or local utility, disease, pandemics, quarantines, or acts or omissions of other persons.

10.1 Default by Freedom Forever. Freedom Forever will be in default under this Agreement if any of the following occurs:

- a. failure to perform its obligations under this Agreement which remains uncured for thirty (30) days after receipt of notice of default (the "Notice of Default") which shall be sent in writing to Freedom Forever by tracked postal or courier service; however, in the event such cure requires more than thirty (30) days to cure, Freedom Forever shall not be in default provided that Freedom Forever commences to cure during the original thirty (30) day cure period and diligently continues to cure until completion; or

EXHIBIT A PRODUCTION GUARANTEE

ARTICLE 1 - DEFINITIONS

The following defined terms have the meanings set forth below:

- 1.1** “**Actual Annual kWh**” means, for any Production Year, the AC electricity produced by the System in kilowatt-hours (kWh).
- 1.2** “**Commencement Date**” means the date of initial operation of the System.
- 1.3** “**First Year Production**” means the estimated production of the System as found in EXHIBIT A, ARTICLE 2.1.
- 1.4** “**Guaranteed Annual kWh**” means, for any Production Year, the amount of AC electricity generation guaranteed, as set forth fully in EXHIBIT A, ARTICLE 2.
- 1.5** “**Guaranteed Energy Price**” means \$0.18/kWh.
- 1.6** “**Production Guarantee**” means this entire EXHIBIT A.
- 1.7** “**Production Guarantee Term**” means the period beginning upon Commencement Date and ending on the earlier of: (a) the twenty-fifth (25th) anniversary thereof; or (b) the termination of this Production Guarantee.
- 1.8** “**Production Year**” means the twelve (12) month period beginning on the 1st day of the month following Commencement Date, and each successive twelve (12) month period thereafter during the Production Guarantee Term. For example, if Commencement Date occurred on March 15, each Production Year would run from April 1 to March 31.
- 1.9** “**Production Year Deficit Payment**” means, for any Production Year, a refund payment by Freedom Forever to the Customer in an amount calculated in accordance with EXHIBIT A, ARTICLE 3.

ARTICLE 2 - PRODUCTION GUARANTEE

- 2.1** **Production Guarantee.** The Guaranteed Annual kWh of the System for Production Year 1 is 16146 and is subject to all of EXHIBIT A, ARTICLE 2. Freedom Forever guarantees that in each Production Year the System will generate the Guaranteed Annual kWh for such Production Year, subject to the other terms and conditions as fully set forth in this EXHIBIT A.
- 2.2** **Degradation.** The Guaranteed Annual kWh shall degrade and reduce by five percent (5%) for the first year following Production Year 1 and by a half percent (0.5%) every year thereafter, throughout the Production Guarantee Term.
- 2.3** **Production Year Surplus.** If at the end of a Production Year, the Actual Annual kWh for such Production Year is greater than the Guaranteed Annual kWh for that Production Year, there will be no additional cost to the Customer for this surplus energy. However, this surplus will be carried over and used by Freedom Forever to offset any future Production Year Deficits.
- 2.4** **Production Year 1 Adjustment.** In the event the Actual Annual kWh for Production Year 1 is less than eighty-five percent (85%) of the Guaranteed Annual kWh described in EXHIBIT A, ARTICLE 2.1, Customer agrees to allow Freedom Forever to replace or install additional panels so that the Annual kWh for Production Year 1 meets at least eighty-five percent (85%) of the Guaranteed Annual kWh for Production Year 1, the new Guaranteed Annual kWh for Production Year 1 will be the original Guaranteed Annual kWh multiplied by eighty-five percent (85%) and the Guaranteed Annual kWh for future Production Years will be adjusted to reflect the change, and Customer shall still be entitled to submit a Performance Claim for the Production Deficit between the new Guaranteed Annual kWh and the Actual Annual kWh for Production Year 1. Freedom Forever will provide no notice of Production Year 1 Guaranteed Annual kWh adjustments made. In the event that Actual Annual kWh for Production Year 1 is greater than eighty-five percent (85%) but less than one hundred percent (100%) of the Guaranteed Annual kWh described in EXHIBIT A, ARTICLE 2.1, the new Guaranteed Annual kWh for Production Year 1 will be adjusted to the Actual Annual kWh produced in Production Year 1. Any adjustment of the Guaranteed Annual kWh is subject to the degradation schedule set forth in EXHIBIT A, ARTICLE 2.2.
- 2.5** **No Adjustment on Surplus.** Guaranteed Annual kWh will not be adjusted if the Actual Annual kWh for Production Year 1 exceeds the Guaranteed Annual kWh for Production Year 1.
- 2.6** **Inverter System Connectivity.** Freedom Forever shall install the System inverter's monitoring equipment (“Inverter System”) based on either a cellular or Wi-Fi internet connection. In the event the cellular carrier or the internet wireless technology ceases to be supported in the Inverter System, Freedom Forever shall not be responsible and Customer hereby agrees, at Customer's sole cost, to upgrade the Inverter System to ensure connectivity. Customer's failure to comply with Customer's obligations under this Section shall void the Production Guarantee. If a Wi-Fi internet connection is used, Customer shall maintain and make available, at the Customer's cost, a functioning indoor internet connection with a router, one DHCP enabled Ethernet port with internet access and standard AC power outlet close enough and free of interference to enable an internet-connected gateway provided by Freedom Forever to communicate wirelessly with the Inverter System. The Customer further agrees that maintaining the foregoing high-speed internet connection is a prerequisite to the Production Guarantee.
- 2.7** **Further Documents.** Customer agrees to execute any further documents as may be necessary to allow Freedom Forever to perform under this Production Guarantee.
- 2.8** **Repair Parts.** When performing any work under this Production Guarantee, Freedom Forever has the right, at its sole discretion, to add on

to, repair or replace all or part of the System using new, remanufactured, refurbished parts and/or products.

- 2.9 Exclusion Events.** The production guarantee set forth in EXHIBIT A, ARTICLE 2.1 does not apply to any failure of the System to achieve Guaranteed Annual kWh for any Production Year, to the extent caused by any of the following exclusion events ("Exclusion Events"):
- a. Someone other than Freedom Forever or its approved service providers shuts down, installs, removes, re-installs, modifies, alters or repairs the System.
 - b. Destruction, damage, or vandalism to the System, or its ability to safely produce energy, which is not caused by conduct of Freedom Forever, its employees, subcontractors, or agents.
 - c. The Customer fails to perform or breach the Customer's obligations under the Agreement, which failure or breach directly and materially affects the production of the System.
 - d. The Customer fails to provide access or reasonable assistance to Freedom Forever, to the extent any assistance is expressly required of the Customer under the Agreement, in diagnosing or repairing a problem, or fails to maintain the System as required by the Agreement and the recommendations of the manufacturers of the equipment which is part of the System.
 - e. The Customer fails to clean the modules at least once every six (6) months.
 - f. The Customer fails to take all reasonable steps to prevent any interference with the solar insolation that falls on the System.
 - g. The Customer fails to promptly notify Freedom Forever upon discovery of interference with the solar insolation that falls on the System even after taking all reasonable steps to prevent such interference.
 - h. Water ponding or puddling on the Customer's roof (i.e. standing water that fails to drain) not caused by Freedom Forever or its approved service providers.
 - i. Damage resulting from mold, fungus and other organic pathogens, regardless of the cause.
 - j. Superficial changes in the appearance of the System components due to exposure to weather and atmospheric conditions (e.g. chalking or blemishes).
 - k. Shading from foliage that is new growth or is not kept trimmed to its appearance on the date the System was installed.
 - l. Force Majeure Events.
 - m. A power or voltage surge not caused by Freedom Forever, its employees, subcontractors, or agents, including a grid supply voltage outside of the standard range specified by the utility.
 - n. Any System failure or lost production not caused by a System defect (e.g., the System is not producing power because it has been removed to make roof repairs or the Customer has required us to locate the inverter in a non-shaded area).
 - o. Any System failure or lost production caused by equipment failure which is not subject to the Limited Warranty.
 - p. Theft of the System other than by Freedom Forever, its employees, subcontractors, or agents.
 - q. Regulatory shutdowns of the System.
 - r. Changes in the electrical characteristics of the building(s) on the Property.
 - s. Any failure to maintain Inverter System connectivity and/or a working high-speed internet connection pursuant to EXHIBIT A, ARTICLE 2.6.

- 2.10 Transferability of Production Guarantee.** The Production Guarantee may be transferable when the Customer conveys or transfers the Property to another party. The Customer or the transferee must give notice, in writing, to Freedom Forever within twenty (20) days from the effective date of the conveyance or transfer. The transfer of the Production Guarantee shall be effective only if the transferee agrees to be bound by the conditions and terms of this Agreement. The transfer of the Production Guarantee shall be effective upon Freedom Forever's receipt of the written notice from transferee agreeing to the terms and conditions of the Agreement.

ARTICLE 3 - PRODUCTION GUARANTEE CLAIM

- 3.1 Production Claim.** If at the end of a Production Year the Actual Annual kWh for the Production Year generated by the System is less than the Guaranteed Annual kWh as mentioned in EXHIBIT A, ARTICLE 2, for that Production Year (a "Production Year Deficit"), then the Customer can make a claim about such deficit to Freedom Forever ("Production Claim"). The Customer must make any Production Claim within sixty (60) days following the end of the applicable Production Year. All Production Claims hereunder must be in writing, be identified as "Production Claim," and be delivered to us in accordance with ARTICLE 14.2 of the Agreement.
- 3.2 Claim Review.** After receiving the Customer's Production Claim, Freedom Forever shall have the right to check Actual Annual kWh for the applicable Production Year and conduct on-site inspections on the Property for purpose of reviewing the production of the System and finding out the reasons, if any, which caused the Production Year Deficit. Within thirty (30) days after receiving the Customer's Production Claim, Freedom Forever will notify the Customer of approval or rejection. In the event that Freedom Forever approves a Production Claim, which means a Production Year Deficit has occur and is not caused by any Exclusion Event, Freedom Forever will make a Production Year Deficit Payment, provided first that Freedom Forever has been permitted by Customer to upgrade the system pursuant to ARTICLE 2.4 in any way that would avoid future Production Claims.
- 3.3 Production Year Deficit Payment.** Within thirty (30) days after the approval, we will send the Customer a payment equal to the difference between the Actual Annual kWh for that Production Year and Guaranteed Annual kWh for that Production Year (minus any previous years' surpluses, as set forth in EXHIBIT A, ARTICLE 2.3), multiplied by the Guaranteed Energy Price Per kWh.
- 3.4 Calculation upon Exclusion Events.** In the event any of the Exclusion Events, for purpose of calculating the Production Year Deficit Payment, if any, the production of the System during such event shall be deemed equal to the average production of the prior Production Years during the same time period.

ARTICLE 4 - MAINTENANCE AND REPAIRS; EXPANSION

- 4.1 Inspection of System.** The Customer agrees that Freedom Forever shall have the right, with prior notice and at times reasonably agreed to by the Customer, to inspect the System to determine if the Customer has complied with the conditions set forth in this EXHIBIT A. In the event that any inspection discloses that the Customer has failed, on or prior to the date of such inspection, to be in compliance with any of the Customer's obligations, then for purposes of calculating the Production Year Deficit Payment, if any, the production of the System during such compliance failure shall be deemed equal to the average production of the prior Production Years during the same time period.

- 4.2 Maintenance and Repair.** The Customer irrevocably grants to Freedom Forever the right, during the Production Guarantee Term, to repair, replace, and maintain the System and appurtenant equipment, and to conduct on-site measurements, including, but not limited to, reading meters and installing and observing on-site Inverter System. - 4.4 Expenses.** The Customer agrees that if the System needs any repair that is not the responsibility of Freedom Forever under this Agreement, or if the System needs to be expended or relocated to facilitate remodeling of the Property, the Customer will have Freedom Forever, or another similarly qualified service provider approved by Freedom Forever, perform such repairs and relocation at the Customer's expense.
- 4.5 Truck Roll Charge.** If Freedom Forever and/or its subcontractor are required to inspect the System (a "Truck Roll"), Customer must provide Freedom Forever with any information reasonably related to the System issue, defect, or outage. If Freedom Forever and/or its subcontractor are dispatched for a Truck Roll and (i) the technical issue is determined to be the fault of a party other than Freedom Forever, or (ii) if Freedom Forever is unable to complete the request or otherwise perform due to the fault of the Customer, then Freedom Forever may assess any of the following charges to Customer, where applicable:
