If mineral rights and/or oil and gas rights are or will be severed from the property, the owner of those rights may have the perpetual right to drill, mine, explore, and remove any of the subsurface mineral and/or oil or gas resources on or from the property either directly from the surface of the property or from a nearby location. With regard to the severance of mineral rights and/or oil and gas rights, Seller makes the following disclosures:

Table with 3 columns: Buyer Initials, Statement, Yes, No, No Representation. Contains 6 rows of disclosure statements regarding mineral and oil/gas rights severance.

Note to Purchasers

If the owner does not give you a Mineral and Oil and Gas Rights Disclosure Statement by the time you make your offer to purchase the property, or exercise an option to purchase the property pursuant to a lease with an option to purchase, you may under certain conditions cancel any resulting contract without penalty to you as the purchaser. To cancel the contract, you must personally deliver or mail written notice of your decision to cancel to the owner or the owner's agent within three calendar days following your receipt of this Disclosure Statement, or three calendar days following the date of the contract, whichever occurs first. However, in no event does the Disclosure Act permit you to cancel a contract after settlement of the transaction or (in the case of a sale or exchange) after you have occupied the property, whichever occurs first.
