- R E ΙE PROPERTY. Unless otherwise indicated, if an item is left blank, the Seller may remove all of that item from the Property. For example, if "Refrigerator" is left blank, Seller shall remove all Refrigerators on the Property, unless otherwise noted. Similarly, if "Refrigerator" is checked or marked in the Fixtures Checklist, then all refrigerators shall remain with the Property unless otherwise noted. This Fixtures Checklist is intended to supersede the common law of fixtures with regard to the items identified below. The common law of fixtures shall apply to all items not identified on this Fixtures Checklist.
- 2. Items Not Remaining with the Property. Items identified as not remaining with the Property that are physically attached to the Property shall be carefully removed from the Property in a manner designed to do minimal damage, but such items do not need to be replaced with a similar item. Seller shall make reasonable efforts to repair areas damaged by the removal of an item. Reasonable efforts to repair damage shall not extend to painting newly exposed areas that do not match the surrounding paint color. (Seller is encouraged, but shall not be required, to remove fixtures not remaining with the Property prior to marketing the Property for sale). Seller shall remove all items left blank below prior to Closing or the transfer of possession, whichever is later. Seller shall lose the right to remove those items not timely removed but shall be liable to Buyer for the reasonable cost of disposing such items provided that Buyer disposes of them within 30 days after Closing or the transfer of possession, which is later.
- 3. Items Remaining with Property. Items identified as remaining with the Property shall mean those specific items, including any solely necessary or required controller, as they existed in the Property as of the Offer Date. No such item shall be removed from the Property unless it is broken or destroyed. In the event such item is removed, it shall be replaced with a substantially identical item, if reasonably available. If not reasonably available, it shall be replaced with a substantially similar item of equal quality and value, or better. The same or newer model of the item being replaced in the same color and size and with the same functions or
