

NOTE
 You are no doubt aware of the proposed MAPC Regional Plan. If this plan, or some other variation of it, is adopted it may have serious consequences as far as any future approvals for your proposed development are concerned. This matter is expressly brought to your attention so that you will be aware of the uncertainties that cloud the future. You are advised to proceed with caution and with the knowledge that the "rules may be changed in the middle of the game."

MUNICIPALITY OF THE COUNTY OF HALIFAX
 Lots 442-444, 445-447, 459 and 467
 Approved MAR 19 1974
 Endorsed by Development Officer
 ROBERT E. GOUGH

Approved by Municipal Council

I certify that this plan accurately shows the manner in which the land included therein has been surveyed and/or subdivided by me and that the said plan is prepared in accordance with the provisions of the Registry Act.
