The fully finished basement adds a 5th bedroom, large rec space, family room with gas fireplace, 3-piece bath w/laundry, and utility room w/forced-air furnace, air exchanger, and on-demand hot water heater. The insulated 1600 sq ft dream shop is perfect for the contractor/tradesperson or hobbyist and offers oversized doors (one that is perfect for RV/boat), Trusscore walls for low maintenance and easy cleaning, and radiant in-floor heat. Above, the shop is a stylish one-bedroom apartment—ideal for guests, family, or income potential. Enjoy luxury, space, and lifestyle—all in one perfect package!
