ALL Brick Rancher in the heart of Middletown!

Welcome to 100 Lombardy Drive, a beautifully maintained all-brick rancher built by Morgan-Keller and lovingly cared for by its original owners. Offering 3 bedrooms and 2 full baths, this home features 1,537 square feet of finished living space above grade plus approximately 905 square feet below grade with a 426 square foot storage room, all situated on a generous .33-acre corner lot in the heart of Middletown—with no HOA. Classic charm meets solid construction with hardwood floors tucked beneath the carpet, custom built-ins, fresh interior paint, and two fireplaces, including one in the main living area and one in the partially finished walk-out basement. The kitchen has been remodeled and expanded, featuring custom-built cabinetry and a large kitchen and dining area, creating the true heart of the home and a natural gathering space. You can also enjoy beautiful sunsets from the bay window in the family room, adding a peaceful, everyday moment to the well-loved home. The partially finished walk-out basement adds valuable flexible living space and includes a recreation room with fireplace, craft area, laundry room, and ample storage, ideal for hobbies, entertaining, or future customization. Major systems have been thoughtfully updated, including a new roof in 2025, HVAC updates (outside unit 2017, inside unit 2012), and a boiler backup heat system with a new expansion tank installed in 2024. The boiler (1991) also provides hot water. Additional improvements include new garage doors (2012), sewer line repair and cleaning completed in 2019, and a new patio and sidewalks installed in 2021. Outdoor living is a standout feature and proudly noted as the seller's favorite part of the home. Enjoy the covered back porch grilling area, perfect for entertaining, relaxing, and everyday enjoyment. An oversized 533 square foot side-load garage offers excellent functionality, while additional storage is available in the detached shed. Located within walking distance to schools, restaurants, grocery stores, parks, walking trails, and historic Main Street, this home offers the rare combination of timeless craftsmanship, meaningful updates, and a truly walkable small-town lifestyle. Solid, spacious, and full of heart—this is Middletown living at its best!
