

Home upgrade list

This gorgeous, customized home boasts all the amenities of a completely custom house nestled in the beautiful golf community, Wild Wings. The custom covered back patio has beautiful views of the golf course, orchard and mountains. The house has 4 bedrooms and 4.5 baths, and each bedroom has an ensuite bath. The master and one other bedroom are on the first floor allowing for separation and privacy for each occupant. This house was completely stripped and redone with the highest quality products in 2018- there are no builder grade finishes left in the entirety of the home. Here are some of the upgrades:
