

FOR SALE

3 Bedroom Home on 1.7 Acres
Listed for \$485,000

2590 W Blackjack Rd
Aubrey, Texas

Located along the sought-after West Blackjack Road corridor, this approximately 1.7-acre property offers the rare combination of a usable yard, no deed restrictions, and convenient access to Aubrey, Pilot Point, Denton, and Lake Ray Roberts.

The single-story home, built in 2001, offers 3 bedrooms and 2 baths with approximately 1,800 square feet of living space, an attached garage, a welcoming front porch, and a covered back patio with a fenced backyard. The home features a functional layout with an open living area, a fireplace, a comfortable kitchen and dining space, three bedrooms with a split layout, and 2.5 baths.

The land is primarily open with some trees, creating flexibility for future shop space, small livestock, garden use, or simply enjoying all that acreage living provides. An older shallow well remains on the property that was previously used for garden watering.

With no HOA, no deed restrictions, and paved county road frontage, the property supports a wide range of rural residential uses.

The location is particularly attractive due to its proximity to FM 428, US-377, and Aubrey ISD schools, and to recreational options of Lake Ray Roberts, while still maintaining the rural character that defines Blackjack Road. The property is currently leased to tenants who have expressed interest in continuing to lease, creating flexibility for a buyer seeking an immediate income-producing arrangement.
