"THE CAVE"

THE RESTAURANT

A defining feature of the Clubhouse is its seamless integration of indoor and outdoor spaces, highlighted by full-height windows that create a fluid connection with the surrounding landscape. Throughout the Clubhouse, these expansive windows not only flood the interiors with natural light but also provide stunning views of the golf course. The main restaurant exemplifies this design philosophy, featuring a centerpiece skylight and planters with integrated banquettes that enhance the indoor-outdoor feel. Whether fully open or closed, the restaurant maintains a strong connection to the outdoors.

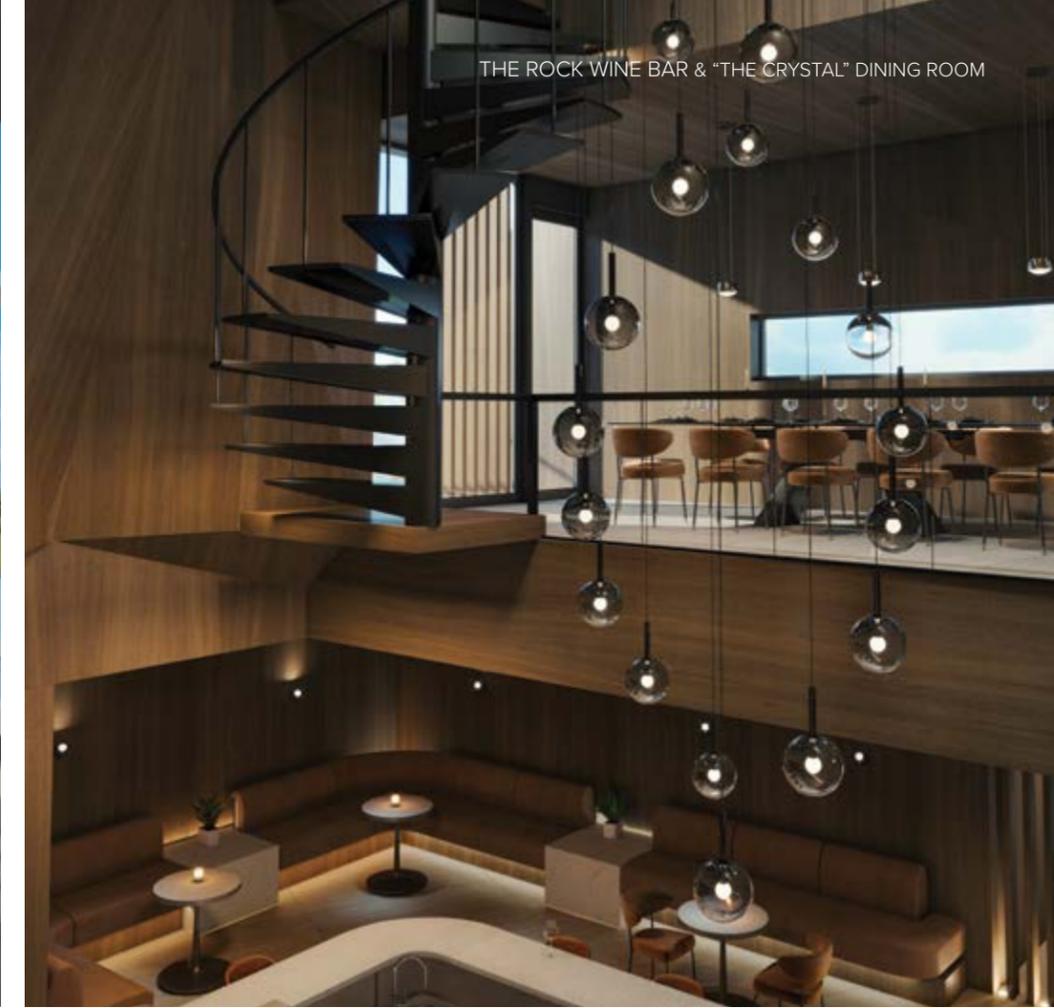

"THE CRYSTAL" PRIVATE DINING ROOM

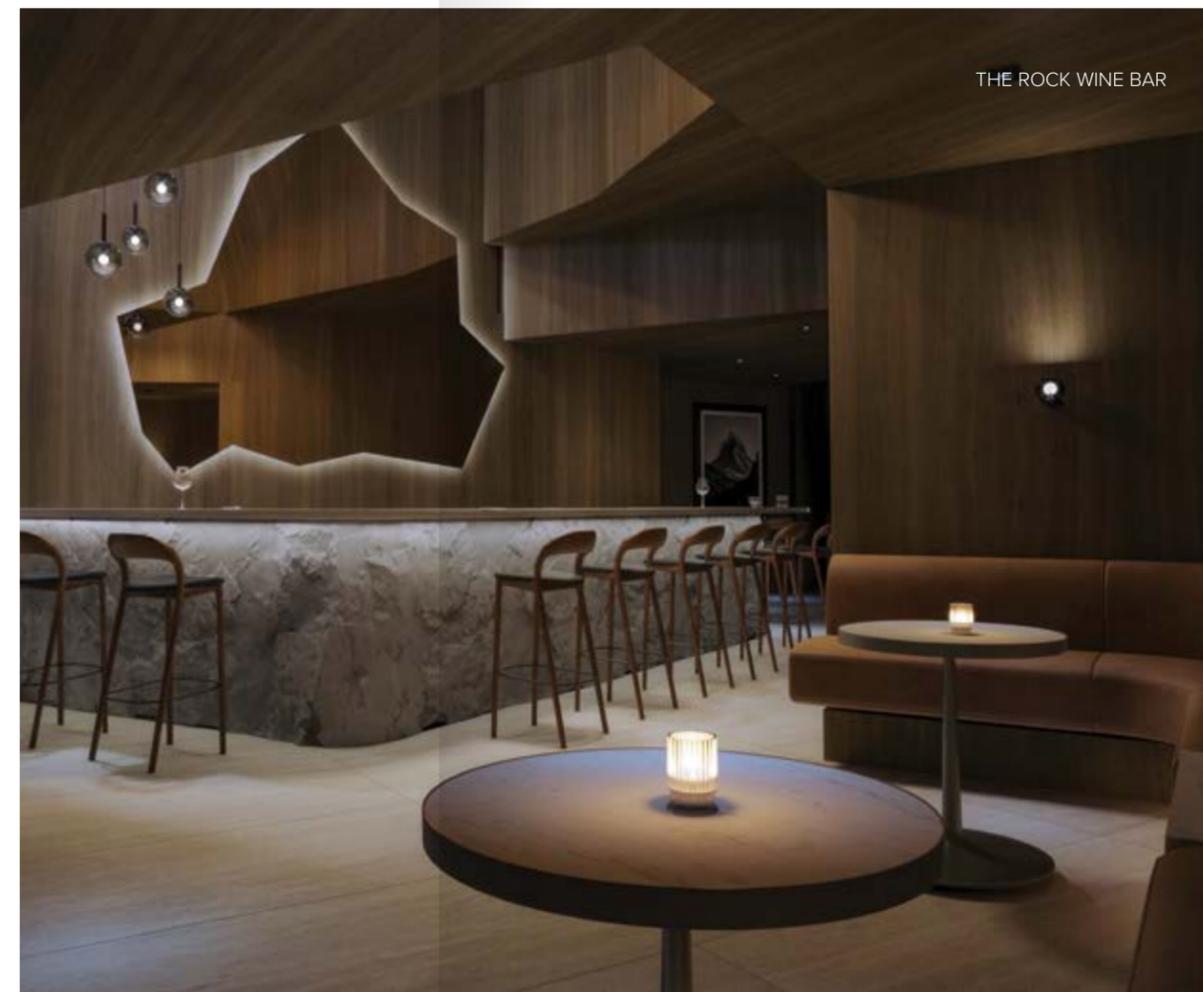

THE ROCK

The Wine Bar, Wine Cellar, and The Crystal Private Dining Room, situated within The Rock, serve as a central feature that significantly enhances the overall ambiance of the Club. Boasting an extensive selection of fine wines, meticulously curated and presented for the most discerning palette. The Crystal Private Dining Room overlooks the golf course and offers a great space for special occasions. The atmosphere in The Rock strikes a sophisticated and contemporary yet inviting balance, making it suitable for intimate gatherings as well as more festive events.

This combination creates a contemporary, yet cozy ambiance. Thoughtful touches such as ambient lighting accentuating architectural features like hanging shelves, displays, and mirrors contribute to the Clubhouse's refined character.
