***Room to Breathe • Updated Ranch on 1.56 acres in Walkersville School District***

Welcome to this well-maintained ranch-style home set on 1.56 acres across two peaceful parcels, where everyday living feels a little more open, a little more private, and a lot more relaxed. Inside, the main level features hardwood floors and an updated kitchen with 42” cabinets, tile backsplash, Silestone countertops, and white appliances—a bright, cheerful space that feels instantly welcoming. The updated main-level full bath with stone counters adds comfort and ease to daily living. The main level offers 3 bedrooms, 1 full bath, and 1 half bath, along with multiple living and gathering areas—spaces that hold memories and are ready for new ones. The finished lower level expands the possibilities with a spacious rec room, an additional flex room, and a second full bath, creating the perfect setting for hobbies, guests, or quiet retreats. Step outside to open acreage and wide skies, complete with a large raised garden, shed, and storage barn—a perfect setup for anyone who loves growing, building, tinkering, or simply enjoying the land. Thoughtfully updated and offering room to breathe both inside and out, this property has a warmth that’s felt the moment you arrive—and it’s ready to welcome its next owners home.
