## *Modern Comfort, Mountain Views & No City Taxes in Jefferson Place*

The best homes aren't just beautiful—they make everyday living feel effortless. Welcome to 6155 Posey Street in the sought-after community of Jefferson Place, where modern design, mountain views, and everyday convenience come together just minutes from downtown Frederick and MARC train access—all with the added benefit of no city taxes. Built in 2018 by Lennar Homes, this beautifully maintained 3-bedroom, 2 full and 2 half-bath home offers 1,960 square feet of thoughtfully designed living space, complete with gas heating and gas cooking for everyday efficiency. The open-concept main level is filled with natural light and designed for real life—whether you're hosting friends around the oversized kitchen island, enjoying quiet dinners at home, or simply unwinding after a long day. Upstairs, the spacious owner's suite feels like a true retreat, featuring a private bath with double vanity and walk-in shower, while two additional bedrooms provide the flexibility everyone needs—guests, a home office, or hobbies. The finished lower level adds even more versatility with a spacious rec room, half bath, and closet—perfect for movie nights, a workout space, playroom, home office, or additional lounge area. Step outside to the rear deck and take in the mountain views—your own peaceful backdrop for morning coffee or sunset evenings. A two-car garage adds convenience and storage, while Jefferson Place amenities, including a community pool, clubhouse, fitness center, walking trails, playgrounds, and open green space, offer the perfect blend of recreation, connection, and low-maintenance living.
