STATEMENT OF PURPOSE:

Declarant has constructed on the Land one (1) building (the "Building") containing a total of fifty-eight (58) residential condominium units and three (3) commercial units. Declarant has also constructed common amenities on the Land such as sidewalks, landscaped areas, storage areas and other improvements. Declarant desires to submit the Land and the improvements located on the Land (collectively, the "Property") to the terms and provisions of the North Carolina Condominium Act.

In addition, Declarant has deemed it desirable to create a nonprofit incorporated owners association which will be delegated and assigned powers of maintaining and administering the common areas and facilities on the Property, administering and enforcing the covenants and restrictions created in this Declaration, levying, collecting and disbursing the assessments and charges created in this Declaration, and taking any steps or performing any acts deemed necessary or appropriate to preserve the values of condominium units within the Property and promote the recreation, health, safety and welfare of the unit owners. In order to accomplish the foregoing, Declarant is entering into this Declaration.

NOW, THEREFORE, Declarant hereby declares that all of the Property shall be held, transferred, sold, conveyed, occupied and used subject to the following covenants, conditions, easements, uses, limitations, obligations and restrictions, all of which are declared and agreed to be in furtherance of a plan for the division of the Property into condominium units, and shall be deemed to run with the land to both burden and benefit Declarant, its successors and assigns, and any person or entity acquiring or owning an interest in the Property, and his successors, heirs and assigns.

Stat. §47C-2-110 shall contain a revised set of Plans, which shall show the location of any new Building.

Section 4.2 Units. The location of Units within the existing Building and their dimensions are shown on the Plans. There are currently a total of fifty-eight (58) residential Units and three (3) commercial Units in the existing Building. Pursuant to Article VI of this Declaration, Declarant reserves a Development Right to create up to an additional twelve (12) residential Units so that the maximum number of residential Units that may be created by Declarant is seventy (70) and an additional four (4) commercial Units so that the maximum number of commercial Units that may be created by Declarant is seven (7). Section 4.3 Unit Boundaries. The boundaries of each Unit are as follows:

(a) Upper Boundary: The horizontal plane of the top surface of the wallboard in the ceilings within the Unit. As depicted on the Plans, the ceilings in certain portions of the Unit may be at different elevations. In such cases, the upper boundary of such Unit shall not be a single horizontal plane but shall vary with the differing finished ceiling elevations within different portions of the Unit.

(b) Lower Boundary: The horizontal plane of the top surface of the subflooring within each Unit. As depicted on the Plans, the floor in certain portions of the Unit may be at different elevations. BK011288PG00135

Furthermore, all interior walls (except load bearing walls), partitions, fixtures, appliances, cabinets and other facilities or improvements lying completely within the boundaries of a Unit shall be a part of such Unit. As provided in N.C. Gen. Stat. §47C-2-102(2), if any chute, flue, duct, wire, pipe for water or sewer, conduit, load bearing wall, load bearing column or any other fixture lies partially within and partially outside the designated boundaries of a Unit, any portion thereof serving only that Unit shall be a Limited Common Element allocated to that Unit, as provided in Section 5.2 below.

ARTICLE V COMMON ELEMENTS

Section 5.1 Common Elements. The Common Elements include all portions of the Condominium that are not part of the Units including, without limitation:

BK011288PG00136

(c) Any portions of the heating, ventilating and air conditioning systems including fans, compressors, return air grills and thermostats, whether located inside or located outside the designated boundaries of a Unit, which shall be Limited Common Elements allocated exclusively to the Unit or Units that they serve.

(d) Those areas indicated as Individual Residential Limited Common Elements on the Plans, which shall be allocated to the Unit to which such Limited Common Elements are servicing including, but not limited to, a private balcony attached to certain Units as shown on the Plans.

(e) All areas designated on the Plans as Residential Limited Common Elements and not otherwise allocated to a specific residential Unit (including certain corridors) shall be deemed Limited Common Elements allocated to all residential Units.

(f) All areas designated on the Plans as Retail Limited Common Elements and not otherwise allocated to a specific commercial Unit shall be deemed Limited Common Elements allocated to all commercial Units.

(g) Parking spaces located on the ground level within a fenced parking area constructed as the first level of the Building shall be allocated to each Unit as a Limited Common Element of that Unit. In addition, each of the fifty-eight (58) original residential Units shall be allocated one (1) storage unit located in the storage building on the basement level or elsewhere on the Property constructed as a part of the Building as identified on the Plans. The parking spaces and storage units, once allocated to an individual Unit, shall remain associated with that Unit and the Owner's right to use the same shall pass to any successor Owner of such Unit. Notwithstanding the foregoing, Declarant, during the Declarant Control Period, shall have the right to recapture and/or relocate parking spaces and storage units in the reasonable discretion of the Declarant, as more particularly described in Article VI below, provided the same does not materially, adversely affect any Owner's rights hereunder. Until such time as they are allocated to a specific Unit, parking spaces and storage units shall remain under the exclusive control of the Declarant, and declarant may sell, lease, and/or transfer the right to use said parking spaces and storage units in Declarant's sole discretion.

The cleanliness and orderliness of the areas designated on the Plans as General Common Elements, Retail Limited Common Elements, Residential Limited Common Elements and Individual Residential Limited Common Elements shall be the responsibility of the Association and the cost thereof shall be considered a Common Expense of the Association, provided, however, the cost of the maintenance, repair or replacement of any portion of the Retail Limited Common Elements, Residential Limited Common Elements and/or Individual Residential Limited Common Elements, the right to the use and enjoyment of which is limited to a particular Unit or class of Units (e.g., allocated parking spaces, storage units, balconies, and rooftop heating, ventilating and air conditioning systems) shall be the exclusive responsibility of the Owners of the Units or class of Units to which such Limited Common Elements are allocated. In the case of Residential Limited Common Elements, costs of maintenance, repair and replacement shall be allocated to all residential Units, in the percentages set forth in the "Residential Percent Interest" column on Exhibit B attached hereto. In the case of Retail Limited Common Elements, costs of maintenance, repair and replacement shall be allocated to all commercial Units, in the

percentages set forth in the "Commercial Percent Interest" column on Exhibit B attached hereto. References in this Declaration to "Common Elements" shall include Limited Common Elements unless the context clearly indicates otherwise. Except as otherwise set forth herein, the allocation of use of Limited Common Elements to the Units as provided for in this Declaration shall not be altered without the unanimous consent of the Owners whose Units are affected. Notwithstanding anything contained herein to the contrary, the Association shall have the right to contract with a landscape maintenance company to maintain all of the landscaping and lawns on the Land and a heating and air conditioning company to maintain, repair and replace all portions of the heating, ventilation and air conditioning systems serving the Building and all Units including as defined in Section 5.2(c) above. Furthermore, the Association shall have the right to contract with a maintenance company to maintain all parking areas, elevators, fire protection, security access, and other systems serving the Building, as well as common corridors constructed as a part of the Building. The cost of maintaining these items and systems shall be considered a Common Expense of the Association.

Section 5.3 Undivided Interests of Owners in Common Elements. The percentage interest in the Common Elements allocated to each Unit shall be the Common Elements Interest for that Unit as set forth on Exhibit B attached hereto. The Common Elements Interest allocated to each Unit shall not be changed except with the unanimous consent of all the Owners of all the Units and with the consent of all the Mortgagees, except as may be specifically authorized elsewhere in this Declaration. In particular, if Declarant exercises its Development Rights to create additional Units and Limited Common Elements, Declarant shall have the right to adjust the Common Elements Interest for each Unit in accordance with the formula provided for in Exhibit B. The Supplemental Declaration required by Section 6.2 of this Declaration shall contain a new allocation of Common Elements Interest calculated in accordance with the foregoing formula which shall be substituted for Exhibit B attached to this Declaration in the event that Declarant exercises this Development Right. For purposes of this calculation, square footage shall mean the Unit dimensions measured from exterior faces of exterior walls and to the center of common walls with other Units, excluding any Common or Limited Common Elements.

Section 5.4 Maintenance of Common Elements Necessitated by an Owner's Misconduct. The Association's responsibility for the maintenance and repair of Common Elements, as hereinabove described, shall in all events exclude maintenance or repairs caused by the negligence or intentional misconduct of any Owner, his agents, invitees or family members, which shall be the responsibility of that Owner.

Section 5.5 Use of Common Elements. All Owners shall have the right, in common with all other Owners, to the non-exclusive use of the General Common Elements depicted on the Plans. Except as otherwise set forth herein, all Owners of commercial Units shall have the right, in common with all other Owners of commercial Units, to the non-exclusive use of the Retail Limited Common Elements depicted on the Plans. Except as otherwise set forth herein, all Owners of residential Units shall have the right, in common with all other Owners of residential Units, to the non-exclusive use of the Residential Limited Common Elements depicted on the Plans. Owners of residential Units shall have the exclusive right to use Individual Residential Limited Common Elements (e.g., balconies) and Residential Limited Common Elements (e.g., parking spaces and storage units) depicted on the Plans which have

been specifically allocated to that Unit. Notwithstanding the foregoing, the Owners of commercial Units shall also have the right to reasonably use certain Residential Limited Common Elements (e.g., stairwells, trash rooms, ventilation shafts, and corridors) depicted on the Plans as may be reasonably necessary for such Owners to access Common Elements located on the roof of and inside the Building, at times and in such manner as Declarant may approve, in its discretion.

ARTICLE VI DEVELOPMENT RIGHTS

Section 6.1 Creation of New Units and Limited Common Elements. Declarant reserves an option, until the eighth anniversary of the date of recording of this Declaration, to create and construct new residential or commercial Units, reconfigure or subdivide existing residential or commercial Units, and create or construct new, or reconfigure existing, Common Elements and/or, Limited Common Elements in accordance with the provisions of this Article VI, and to have access to and use of all portions of the Building and Land except inside individual residential Units without Owner's prior permission. The maximum number of residential Units within the Condominium that Declarant reserves the right to create or subdivide, including residential Units in existence as of the date of recording of this Declaration, is seventy (70) and the maximum number of commercial Units within the Condominium that Declarant reserves the right to create or subdivide, including commercial Units in existence as of the date of recording of this Declaration, is seven (7). Declarant may exercise this Development Right within the eight (8) year period specified above, without the consent or approval of the Association or any other Owner or Mortgagee, by executing and recording a Supplemental Declaration in the manner provided in Section 6.2 below. If Declarant exercises its Development Right to construct additional, or subdivide existing, Units, Declarant shall not be obligated to construct or subdivide up to the maximum number of Units and Limited Common Elements as specified above but may create any number less than the maximum number specified above.

Section 6.2 Supplemental Declaration. In order to exercise any Development Right reserved under this Article VI, Declarant shall execute and record an amendment to this Declaration in accordance with N.C. Gen. Stat. §47C-2-110 (a "Supplemental Declaration"). Any Supplemental Declaration executed and recorded by Declarant to exercise the Development Right of creating new or subdividing existing Units or Limited Common Elements shall contain an amendment or supplement to the Plans identifying the new Units and Limited Common Elements so created, as well as in an amendment to Exhibit B attached to this Declaration, assigning and identifying numbers to each new Unit and reallocating the Common Elements Interests among all Units in accordance with the formula set forth in Section 5.3 of this Declaration. Any such Supplemental Declaration may also contain such additions to the provisions of this Declaration as may be necessary to reflect the different character of the new Units created by Declarant, so long as such additions are not inconsistent with the overall scheme of the Declaration, and provided that such additions shall not apply to any Unit created prior to recordation of the Supplemental Declaration or to the Owner or Mortgagee of any such Unit.

The instrument shall not be effective unless it is executed by the transferor and the transferee. The Association shall have the right to enforce payment of such special assessment in the same manner as it may enforce the collection of any assessments under this Declaration and the Bylaws including charging of interest, payment of late fees and imposing of a lien against the Unit. Each Owner shall be responsible for any parking violation by Owner or anyone in Owner's family, or by any guests or invitees of the Owner.

No pet shall be permitted upon the Common Elements unless carried or leashed by a person that can control the pet. All pets shall be controlled so as not to create a nuisance or unreasonable disturbance (including loud and excessive barking) on the Property. Pets shall not be permitted to defecate in the Common Elements, and each Owner shall clean up immediately after his pet if an accident occurs. All pets shall be registered, licensed and inoculated as required by law. Each Owner shall hold the Association harmless from any claim resulting from any action of his pet and shall repair at his expense any damage to the Common Elements caused by his pet. Section 8.12 Architectural Control. No building, landscaping, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to, change or alteration to either a Unit or the Common Elements be made, until the plans and specification showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing by the Association, in its sole discretion.

Section 8.13 Signs and Flags. No signs or other advertising devices shall be displayed on or about the exterior of any Unit or in the Common Elements except for one building standard name plate or sign not exceeding twenty four (24) square inches in area on the main door to each Unit, marquis identification signage on the ground floor of the Building, security system call box signage, and exterior signage for commercial Units as permitted by municipal code. The security system call box signage may have space for contact information to be listed by Owners

leasing or selling Units in the Building. Each Owner shall have the right to have his Selling Agent or Managing Agent for his Unit listed in lieu of the Owner. Notwithstanding the foregoing, Declarant shall have the right to maintain upon the Property advertising signs independent of this standard during the Declarant Control Period or until all Units owned by Declarant are sold, provided those signs comply with applicable government regulations. Further, no pole or other device for the display of decorative flags shall be erected or displayed on or about the exterior of any Unit or in the Common Elements unless approved in advance by the Association, excluding the display of one (1) standard sized (not to exceed three feet by five feet) flag of the United States of America, not to hang or extend over any perimeter vertical plane of any balcony railing, which form of attachment shall be approved or disapproved by the Association. In the event that the Association approves installation of a pole or device for the display of decorative flags, any such flags displayed by an Owner shall be in good taste and shall not contain lewd or offensive displays or material. Notwithstanding any other provision of this Declaration or the Condominium Documents, Declarant shall implement a signage program for the Property which shall provide signage for the Owner of the retail or office Unit as determined in Declarant's reasonable discretion. Such signage shall be reflected in the Plans.

Section 8.14 Maintenance. The Owner of each Unit is responsible for maintaining his Unit as well as the Limited Common Elements appurtenant thereto. Each Owner shall keep his respective Unit and its appurtenant Limited Common Elements in a clean, neat and orderly condition and in a good state of maintenance and repair. If an Owner fails to comply with the standards or requirements of the Association relative thereto, the Association shall assess the defaulting Owner the cost thereof and shall undertake to effect said compliance.

Section 8.15 Rules and Regulations. In addition to the use restrictions set forth in this Declaration, reasonable rules and regulations governing the use of the Property may be made and amended from time to time by the Association. Copies of such regulations and amendments thereto shall be posted prominently prior to their effective date and shall be furnished by the Association to all Owners upon request. Specifically, and not by way of limitation, the Association shall have the right to make reasonable rules and regulations governing the use of the ground floor parking in the Building, elevators, lobby, common corridors and access to the roof of the Building. No Owner shall be entitled to penetrate the roof of the Building without first providing detailed plans and specifications for the reason of any such penetration to the Association and obtaining prior written approval from the Association, to be granted in the Association's sole discretion.

Section 8.16 Satellite Dishes and Antennas. In no event shall any exterior television antenna or satellite dish be mounted or placed on the exterior surface or patio balcony of any Unit. A rooftop exterior television antenna and satellite dish area has been established for placement of these devices and this shall be the only area in and around the Building that such devices shall be permitted. In addition, the Executive Board may require that in the event the Association contracts with one (1) satellite service vendor to provide building-wide subscription services for the Unit owners, then all Owner's shall obtain satellite service solely from this vendor. In all instances, antenna or satellite dish located on this rooftop area be screened from public view. Only in the event there is no Association authorized service vendor available to provide service as described above, then prior to installing the antenna or satellite dish, the Owner shall furnish to the Executive Board a copy of the Owner's installation plans. The

Association shall have the right to perform any portion of the installation work at the expense of the Owner, or to require that any portion of the work be performed by contractors designated by the Executive Board and in ways consistent with the existing infrastructure, shafts, and penetrations in the Building. The Owner shall also be responsible for removal of any antenna or satellite dish and associated mounting and wiring if and when services for the device are cancelled. In addition, the Owner shall be responsible for any damage caused by the removal of the antenna or satellite dish and associated mounting and wiring, including the sealing of conduits or other roof penetrations. Any Owner installing an antenna or satellite dish under this Section 8.16 shall indemnify, defend and hold the Association harmless from and against any loss, damage, claim or other liability resulting from the installation, maintenance, repair, use and/or removal of the antenna or satellite dish, including but not limited to any damage to the corridor walls and ceilings as well as the roof of the Building or other property damage caused by installation or use or roof leaks.

Section 8.17 Balconies. The balconies adjacent to each Unit shall be kept in a clean, neat and orderly condition at all times and shall not be used for storage, cooking or for the drying of laundry. In particular, towels or banners shall not be hung on the balcony railings and any dead plants shall be removed promptly. No indoor-outdoor carpeting, hot tub or other pool shall be installed on any balcony, nor any furniture that is of such insufficient weight that aloft winds may dislodge them from the balcony and thus cause a hazard.

ARTICLE IX THE ASSOCIATION

Section 9.1 Organization of Association. The Association has been organized to provide for the administration of the Property. The Association shall administer the operation and maintenance of the Property and undertake and perform all acts and duties incident thereto in accordance with the terms of its Articles of Incorporation, the Bylaws and the North Carolina Condominium Act. A true copy of the Bylaws is attached hereto as Exhibit C. Every Owner shall be required to be and shall automatically be a member of the Association by virtue of his ownership interest in a Unit.

Section 9.2 Power Lien for Assessment. In the administration of the operation and management of the Property, the Association shall have and is hereby granted the authority and power to enforce the provisions of this Declaration, levy and collect assessments in the manner provided in Article XI below and in Section 8 of the Bylaws, and adopt, promulgate and enforce such rules and regulations governing the use of the Units and Common Elements as the Association may deem to be in the best interest of the Owners in accordance with the Bylaws. Any sum assessed by the Association remaining unpaid for a period of thirty (30) days or longer shall constitute a lien on the Unit with respect to which such sum was assessed upon filing in accordance with N.C. Gen. Stat. §47C-3-116 and shall be enforceable by the Association in accordance with N.C. Gen. Stat. §47C-3-116 and Section 8 of the Bylaws.

Section 9.3 Declarant Control Period. During the Declarant Control Period, Declarant reserves the right to appoint and remove any Executive Board members; provided, however, that (i) not later than sixty (60) days after conveyance of twenty five percent (25%) of the Units to Owners other than Declarant, at least one member and not less than twenty five percent (25%) of

the members of the Executive Board shall be elected by Owners other than Declarant; and (ii) not later than sixty (60) days after conveyance of fifty percent (50%) of the Units to Owners other than Declarant, not less than thirty three percent (33%) of the members of the Executive Board shall be elected by Owners other than Declarant.

Section 9.4 Books and Records. The Association shall maintain current copies of (a) the Condominium Documents, as they may be amended from time to time, (b) any rules and regulations adopted under Section 8.15 from time to time, and (c) all financial records of the Association, as required by N.C. Gen. Stat. §47C-3-118. These items shall be available for inspection, during normal business hours and upon reasonable advance notice, by any Owner, any Mortgagee and any insurer or guarantor of a loan secured by a Mortgage.

ARTICLE X EASEMENTS AND PROPERTY RIGHTS

Section 10.1 Access by the Association. The Association, or any person authorized by it, shall have the right of access to each Unit and to the Limited Common Elements to the extent necessary for performance by the Association of its obligations of maintenance, repair or replacement of the Property. Each Owner is required to make one (1) key available to the Association for this purpose, and no Owner is permitted to install new locks or rekey a Unit unless authorized by the Association (which authorization shall not be unreasonably withheld provided the work meets municipal codes and regulations) and provided Owner makes one (1) new key available to the Association as described above.

Section 10.2 Encroachment Easements. If any portion of the Common Elements now encroaches upon any Unit, or if any Unit now encroaches upon any other Unit or upon any portion of the Common Elements, or if such encroachment shall occur hereafter as a result of the settling or shifting of the Building, there shall exist a valid easement for the encroachment and for the maintenance of same for so long as the Building shall stand. If the Building, any Unit, or any portion of the Common Elements is partially or totally destroyed by fire or other casualty or as a result of condemnation or eminent domain proceedings, and subsequently is rebuilt, any encroachment of parts of the Common Elements upon any Unit, or of parts of any Unit upon the Common Elements, due to such rebuilding shall be permitted, and valid easements for such encroachments and the maintenance thereof shall thereafter exist.

Section 10.3 Easements over Common Elements. Declarant, during the Declarant Control Period, and the Association may at any time grant easements for utility purposes for the benefit of the Property, including the right to install, lay, maintain, repair and replace water lines, pipes, ducts, sewer lines, gas mains, telephone and television or cable television wires, cables and equipment, electrical conduits, fiber optic lines and other wires over, under, along and on any portion of the Common Elements and Limited Common Elements outside Unit Boundaries. Each Owner hereby grants to Declarant or the Association, as applicable, an irrevocable power of attorney to execute, acknowledge and record for and in the name of each Owner such instruments as may be necessary to effectuate the foregoing. For so long as Declarant owns and/or controls at least one Unit, Declarant shall have an easement over the Common Elements and Limited Common Elements (and subset distinctions thereof) outside Unit Boundaries as may

BK011288PG00145

be reasonably necessary to complete the construction of the Building as well as post-construction improvements and modifications within the Property.

Section 10.4 Emergency Access. In case of any emergency originating in or threatening any Unit or the Common Elements, regardless of whether the Owner is present at the time of such emergency, the Association, or any other person authorized by it, shall have the right to enter any Unit or its Limited Common Elements for the purpose of remedying or abating the cause of such emergency and making any other necessary repairs not performed by the Owners, and such right of entry shall be immediate.

Notwithstanding anything in this Declaration to the contrary, each Owner, by acquisition of his Unit, acknowledges that all streets and roadways located within the Property shall be private streets and shall not be maintained by the City of Raleigh or any government entity. The following disclosure is made in accordance with Raleigh City Code §10-3074(b):

In no case shall the City be responsible for failing to provide any emergency or regular fire, police or other public service to any condominium development or their occupants when such failure is due to lack of access to such areas due to inadequate design or construction, blocking of access routes, inadequate maintenance, or any other factor within the control of the developer, homeowners association or occupants.

In no case shall the City or the State be responsible for maintaining any private street. Such responsibility shall rest with the homeowners association and occupants in that such private streets will not be constructed to the minimum standards sufficient to allow their inclusion for public maintenance.

Declarant hereby reserves for the City and its emergency personnel the right, without liability, to enter into the Property when emergency personnel reasonably believe that doing so is urgently necessary to save life, prevent serious bodily harm, put out a fire or to avert or control a public catastrophe.

Section 10.5 Relocation of Boundaries; Subdivision; Partitioning.

(a) Relocation of Boundaries between Adjoining Units. The boundaries between adjoining Units may be relocated upon application to the Association by the Owners of such adjoining Units ("Adjoining Owners") and upon approval by the Association of such application; provided, however, that no such relocation of boundaries shall be binding upon any Mortgagee holding a Mortgage on any Unit whose boundaries are relocated unless consented to in writing by such Mortgagee. Any such application to the Association must be in such form and contain such information as may be reasonably required by the Association and shall be accompanied by a plat detailing the proposed relocation of boundaries. Unless the Association determines within thirty (30) days after submission to it of the application that the proposed relocation of boundaries is unreasonable, the application shall be deemed approved. Any relocation of boundaries shall not affect the interests in the Common Elements allocated to each

Unit. Upon approval of the proposed relocation of boundaries, the Association shall cause to be prepared and filed, at the Adjoining Owners' expense, an amendment to this Declaration and a plat which identifies the Units involved, describes and depicts the altered boundaries, and gives the dimensions of the altered Units. Such amendment shall also contain operative words of conveyance and be signed by the Adjoining Owners and consented to by their Mortgagees, if any, and shall be indexed by the Register of Deeds in the names of the Adjoining Owners.

(b) Subdivision of Units. No Unit may be subdivided except as permitted in Article VI and Article VII of this Declaration.

(c) Partitioning. The interests in the Common Elements allocated to each Unit shall not be conveyed, devised, encumbered, partitioned or otherwise dealt with separately from said Unit, and the interests in the Common Elements allocated to each Unit shall be deemed conveyed, devised, encumbered or otherwise included with the Unit even though such interests are not expressly mentioned or described in the instrument conveying, devising, encumbering or otherwise dealing with such Unit. Any conveyance, mortgage or other instrument which purports to grant any right, interest or lien in, to or upon the Unit, shall be null, void and of no effect insofar as the same purports to affect any interest in a Unit's allocated interests in the Common Elements unless the same purports to convey, devise, encumber or otherwise deal with the entire Unit. Any instrument conveying, devising, encumbering or otherwise dealing with any Unit, which describes said Unit by the identifying number assigned thereto on the Plans shall, without limitation or exception, be deemed and construed to affect the entire Unit and its allocated interest in the Common Elements. Nothing herein contained shall be construed as limiting or preventing ownership of any Unit and its allocated interest in the Common Elements by more than one person or entity as tenants in common, joint tenants, as tenants by the entirety or any other form permitted by law.

Section 10.6 Conveyance or Encumbrance of Common Elements. While the Property remains subject to this Declaration and to the provisions of the North Carolina Condominium Act, no conveyances of or security interests or liens of any nature shall arise or be created against the Common Elements without the prior written consent of at least eighty percent (80%) of all Owners, including at least eighty percent (80%) of all Owners other than Declarant, and at least eighty percent (80%) of all Mortgagees. Every agreement for the performance of labor or the furnishing of materials to the Common Elements, whether oral or in writing, must provide that it is subject to the provisions of this Declaration and that the right to file a mechanic's lien or other similar lien by reason of labor performed or material furnished is subordinated to this Declaration and to the lien of assessments for Common Expenses provided for in Section 9.2 of this Declaration. Nothing in this Section 10.6 shall be construed to limit the right of any Owner to convey or to encumber his allocated interest in the Common Elements as an appurtenance to and in connection with the conveyance or mortgaging of his Unit.

Section 10.7 Nature of Interest in Unit. Every Unit, together with its allocated interest in the Common Elements, shall for all purposes be and is hereby declared to be a separate parcel of real property. The Owner of each Unit shall be entitled to the exclusive fee simple ownership and possession of his Unit subject only to the covenants, conditions, restrictions, easements, uses, limitations, obligations, rules and regulations set forth in the Condominium Documents or adopted by the Executive Board of the Association.

**ARTICLE XI
ASSESSMENTS**

Section 11.1 Taxes. Every Unit, together with its allocated interest in the Common Elements, shall be separately assessed and taxed by each assessing authority for all types of taxes authorized by law. Each Owner shall be liable solely for the amount taxed against his individual Unit; provided, however, the Units will not be separately assessed until transfer of title from Declarant to Owner.

Section 11.2 Common Expenses. Except as otherwise provided in this Declaration or in the Bylaws, each Owner on a monthly basis, and as special assessments may require in addition to, shall contribute an equal base amount plus a proportionate percentage share of the Common Expenses in accordance with the definition of "Common Expenses" set forth in Section 1.7 above, the Bylaws and the provisions of the North Carolina Condominium Act. Based on the initial number of fifty eight (58) residential Units and three (3) commercial Units, each Owner's percentage share of Common Expenses is outlined the "Total Percent Interest" column on Exhibit B attached hereto. Assessments for all Units shall begin as of the date Declarant notifies all Owners, in writing, that assessments shall commence which shall be not earlier than the date of the first conveyance of a Unit to a party other than Declarant. Due dates for payment of such Common Expenses shall be established by the Association and shall be collected at least quarterly and may be collected monthly. Until such time as assessments are commenced, Declarant shall pay all of the Common Expenses of the Association. Furthermore, notwithstanding when assessments are commenced, for calendar year 2005, Declarant agrees to pay any excess of Common Expenses of the Association over the amount of assessments collected from Owners.

Section 11.3 Additional Assessment. Once a Unit has been conveyed by Declarant to an Owner, upon each subsequent sale of the Unit, the then current Owner shall pay to the Association a fee to cover the Association's costs in repairing any damage to the Common Areas of the Building and rekeying or reprogramming the security systems for the Building and secured parking area ("Additional Assessment"). Such Additional Assessment must be paid prior to or at closing on the sale of the Unit and shall be subject to the Association's power of lien with respect to assessments as provided in Section 9.2 of this Declaration.

Section 11.4 Common Surplus. The term "Common Surplus" means and refers to all funds and other assets of the Association, including excess of receipts of the Association from assessments, rents, profits and revenues from whatever source, over the amount of Common Expenses. The Common Surplus shall be owned by the Owners in shares equal to the mathematical proportions shown on Exhibit B, based upon the total number of Units in the Condominium from time to time; provided, however, that the Common Surplus shall be held by the Association in the manner and subject to the terms, provisions and conditions of this Declaration imposing certain limitations and restrictions upon the use and distribution thereof. Except for distribution of any insurance proceeds, which shall be made in the manner provided in Section 12.6, or upon termination of the Condominium, any attribution or distribution of Common Surplus which may be made from time to time shall be made to the then Owners in equal shares, based upon the total number of Units in the Condominium at that time.

ARTICLE XII INSURANCE

Section 12.1 Property Insurance. The Association shall cause to be obtained and maintain at all times a policy of property insurance on all Buildings (ISO special form or its equivalent) and all improvements on the Property owned either by the Association or the unit owners, except such personal property as may be owned by the unit owners, without deduction or allowance for depreciation (as determined annually by the Board of Directors with the assistance of the insurance company such coverage in an amount not less than one hundred percent (100%) of the replacement cost of the Buildings at the time such insurance is purchased and at the time of each renewal thereof with a commercially reasonable deductible not in excess of Ten Thousand and No/100 Dollars (\$10,000.00). The policy shall be issued by an insurance company properly licensed to do business in the State of North Carolina, with a general policyholder's rating of at least "A" in the most recent edition of the Best's Key Rating Guide. The policy shall provide that each Owner is an insured person with respect to his or her Unit and his or her allocated interest in the Common Elements. The policy shall contain an inflation guard endorsement, if available, and a construction code endorsement, if available, as well as a special condominium endorsement providing as follows: (i) for waiver of subrogation against any Owner, and any Owner's employees or agents; (ii) that it may not be cancelled or substantially modified without at least thirty (30) days' prior written notice to the Association and all insureds, including all Owners and Mortgagees; (iii) that no act or omission by any Owner will preclude recovery upon such policy; and (iv) that if, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance. Each property insurance policy shall provide that adjustment of loss shall be made by the Association as insurance trustee. Each property insurance policy shall provide for the issuance of certificates or mortgagee endorsements to Mortgagees.

Section 12.2 Liability Insurance. The Association shall obtain and maintain a policy of commercial general liability insurance (current ISO form or its equivalent) in such limits as the Executive Board may from time to time determine, covering each member of the Executive Board, the managing agent, if any, and each Owner with respect to liability arising out of the use, ownership, maintenance or repair of the Common Elements; provided, however, that in no event shall the limits of such policy ever be less than One Million and No/100 Dollars (\$1,000,000.00) per occurrence. The liability insurance policy shall include endorsements covering cross liability claims of one insured against another, including the liability of the Owners as a group to a single Owner, and shall provide that it may not be canceled or substantially modified without at least thirty (30) days prior written notice to the Association and to all insureds, including all Owners and Mortgagees. The Executive Board shall review such limits annually.

Section 12.3 Fidelity Coverage. The Association may obtain such fidelity coverage against dishonest acts on the part of all persons responsible for handling funds belonging to or administered by the Association as it may deem necessary. Any such fidelity insurance policy must name the Association as the named insured and shall be written in an amount as may be determined by the Executive Board, but in no event less than one half the annual budgeted amount of Common Expenses, or the amount required by any Mortgagee, whichever is greater.

BK011288PG00149

Section 12.4 Other Insurance Policies. The Association shall be authorized to obtain such other insurance coverage, including worker's compensation or employee liability insurance, as the Association shall determine from time to time desirable or necessary.

Section 12.5 Premiums. Premiums upon insurance policies purchased by the Association, and any amounts paid as a result of a deductible, shall be paid by the Association and charged as a Common Expense.

Notwithstanding the preceding sentence to the contrary, in the event that a casualty occurs wholly within the boundaries of a Unit and does not affect any other Units or Common Elements, the Owner of such Unit shall be wholly responsible for any deductible amount in such policy of insurance relating to such claims.

Section 12.6 Distribution of Insurance Proceeds. All insurance policies procured by the Association shall provide that all losses shall be adjusted with and all proceeds shall be payable to the Association as insurance trustee. The sole duty of the Association as insurance trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes set forth herein and for the benefit of the Owners and their Mortgagees in the following shares:

(a) Proceeds on account of damage to the Common Elements shall be held in undivided shares for each Owner and his Mortgagee, if any, each Owner's share to be the same as such Owner's allocated Common Elements Interest.

(b) Proceeds on account of damage to Units shall be held in the following undivided shares:

(1) When the damage is to be restored, for the Owners of damaged Units in proportion to the cost of repairing the damage to each such Owner's Unit, which cost shall be determined by the Association.

(2) When the damage is not to be restored, an undivided share for each Owner, such share being the same as each such Owner's allocated Common Elements Interest.

(c) In the event a mortgagee endorsement or certificate has been issued with respect to a Unit, the share of the Owner shall be held in trust for the Mortgagee and the Owner as their respective interests may appear.

(d) Proceeds of insurance policies received by the Association as insurance trustee shall be distributed to or for the benefit of the Owners in the following manner:

(1) If it is determined, as provided in Article XIII below, that the damaged property with respect to which the proceeds are paid shall not be reconstructed or repaired:

(i) the proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the rest of the Condominium;

BK011288PG00150

(ii) the insurance proceeds attributable to Units and Limited Common Elements which are not rebuilt shall be distributed to the Owners of these Units and Units to which those Limited Common Elements were allocated or to their Mortgagees, in proportion to their respective Common Elements Interests; and

(iii) the remainder of the proceeds shall be distributed to all Owners or Mortgagees, as their interests may appear, in proportion to their respective Common Elements Interests.

(2) If the damage for which the proceeds were paid is to be repaired or reconstructed, the proceeds shall be paid to defray the costs thereof. Any proceeds remaining after payment of such repair costs shall be distributed to the beneficial Owners and their Mortgagees, if any, jointly.

Section 12.7 Insurance Obtained by Owners. Each Owner shall obtain and keep continuously in force additional fire and casualty and extended coverage insurance upon his personal property, public liability insurance and such other insurance coverage as he may desire. Each Owner shall obtain and maintain public liability insurance coverage in the amount of at least One Hundred Thousand and No/100 Dollars (\$100,000.00) for bodily injury, including deaths of persons and property damage, arising out of a single occurrence..

ARTICLE XIII DUTY TO REPAIR OR RECONSTRUCT

Section 13.1 Reconstruction and Repair. In the event of damage to or destruction of the Building as a result of fire or other casualty, the Association shall arrange for the prompt restoration and replacement of the Building unless (i) the Condominium is terminated in accordance with the provisions of Article XVI below, (ii) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (iii) the Owners decide not to rebuild by an eighty percent (80%) vote, including one hundred percent (100%) of Owners not to be rebuilt and one hundred percent (100%) of Owners to which are assigned Limited Common Elements not to be rebuilt. Unless one of the preceding conditions occurs, the Association shall arrange for the prompt repair and restoration of the Building, not including any decoration or covering for walls, ceilings, or floors, or furniture, furnishings, fixtures or equipment (unless the subject insurance policy covers a portion or all of such loss, in which event the Association shall repair or replace such damaged property), and the Association shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments and in accordance with the provisions of Section 12.6(d)(2) of this Declaration. Any payment for repair and restoration in excess of the insurance proceeds shall constitute a Common Expense. Any reconstruction or repair shall be in accordance with the Plans. If the Owners vote not to rebuild any Unit, that Unit's allocated Common Elements Interests shall be automatically reallocated upon the vote as if the Unit had been condemned under N.C. Gen. Stat. §47C-1-107(a).

Section 13.2 Obligations of Owners. Each Owner will, at his sole cost and expense, keep and maintain his Unit in good order and repair in accordance with the Plans, and will make no structural addition, alteration or improvement to his Unit without the prior written consent of

BK011288PG00151

the Association, except as specifically permitted by this Declaration or authorized under N.C. Gen. Stat. §47C-2-111. Upon the failure of an Owner to so maintain his Unit, the Association shall be authorized to maintain, repair or restore such Unit and the cost thereof shall be charged to such Owner and constitute a lien on the Unit until paid.

ARTICLE XIV UNITS SUBJECT TO CONDOMINIUM DOCUMENTS

All present and future Owners, tenants, occupants and guests of the Units shall be subject to and shall comply with the provisions of this Declaration, the Bylaws and any rules and regulations as may be adopted in accordance with the Bylaws, as all of the foregoing may be amended and supplemented from time to time. The acceptance of a deed of conveyance or the entering into of a lease or the entering into occupancy of any Unit shall constitute an agreement that the provisions of this Declaration, the Bylaws and any rules and regulations which may be adopted are accepted and ratified by such Owner, tenant or occupant, and an agreement that such provisions shall be deemed and taken to be covenants running with the Land and shall bind any person having at any time any interest or estate in such Unit as though such provisions were made a part of each and every deed of conveyance or lease.

ARTICLE XV AMENDMENT TO AND SUPPLEMENT OF DECLARATION

Except in cases of amendments that may be permitted by N.C. Gen. Stat. §§47C-1-107, 47C-2-112(a) or 47C-2-108(b), decisions, alterations and changes made by Declarant as provided for in the Declarant Control Period, or as is otherwise specifically authorized herein, this Declaration may be amended only by the vote of not less than seventy percent (70%) of the Owners, and not less than fifty one percent (51%) of the Mortgagees, cast in person or by proxy at a meeting duly held in accordance with the provisions of the Bylaws. Except to the extent expressly permitted by the other provisions of this Declaration, any amendment which amends or alters the Common Elements Interest of any Unit, increases the number of Units, changes the boundaries of any Unit, changes the use to which any Unit is restricted, or modifies the terms of this Article XV, shall require the written approval of all Owners, together with the consent of all their respective Mortgagees. Notwithstanding any other provision of this Declaration or the Condominium Documents, any amendment which materially alters the use of any commercial Unit or makes special limited assessments against the Owner of any commercial Unit, shall require the consent of the Owner of that particular commercial Unit. No amendment to the Declaration shall be effective until executed on behalf of the Association by any officer designated for that purpose and recorded in the office of the Register of Deeds of Wake County, North Carolina. No amendment to this Declaration shall be adopted or passed which shall impair or prejudice the rights and priorities of any Mortgagee without the written consent of such Mortgagee. During the Declarant Control Period, no amendment to this Declaration shall be effective without the written consent of Declarant.

ARTICLE XVI TERMINATION

The Condominium may be terminated and the Property removed from the provisions of the North Carolina Condominium Act only by the vote of not less than eighty percent (80%) of the Owners, and not less than eighty percent (80%) of the Mortgagees, cast in person or by proxy at a meeting duly held in accordance with the provisions of the Bylaws and as evidenced by execution of a termination agreement, or ratification thereof, by the requisite number of Owners and Mortgagees. The termination shall comply with the requirements of N.C. Gen. Stat. §47C-2-118, and must be recorded in the office of the Register of Deeds of Wake County, North Carolina before it becomes effective. Following the recordation of the termination agreement, the interests of the Owners and Mortgagees in the Property shall be as provided in N.C. Gen. Stat. §47C-2-118.

ARTICLE XVII MORTGAGEE PROTECTION

Section 17.1 General Provisions. This Article XVII establishes certain standards and covenants for the benefit of Mortgagees. This Article XVII is supplemental to, and not in substitution for, any other provisions of the Condominium Documents, but in the event of any conflict between the provisions of the Condominium Documents and the provisions of this Article XVII, the provisions of this Article XVII shall control.

Section 17.2 Percentage of Mortgagees. Wherever in the Condominium Documents the approval or consent of a specified percentage of Mortgagees is required, it shall mean the approval or consent of Mortgagees holding Mortgages on Units which have allocated to them that specified percentage of votes in the Association, as compared to the total votes in the Association allocated to all Units then subject to Mortgages held by Mortgagees.

Section 17.3 Rights to Examine Books and Records. Any Mortgagee, and any insurer or guarantor of a loan secured by a Mortgage, shall have the right to examine, during normal business hours and upon reasonable notice, the books and records of the Association including copies of the Condominium Documents, as amended, and the financial statements of the Association, and to be furnished, upon written request, at least one copy of the annual financial statement and report of the Association, such annual statement and report to be furnished within ninety (90) days following the end of each fiscal year. If any Mortgagee requests, and agrees to pay the cost of the audit, the financial statement shall be audited by an independent certified public accountant.

Section 17.4 Mortgagee's Rights to Notice. Any Mortgagee (including, for purposes of this Section 17.4, any insurer or guarantor of a loan secured by a Mortgage that has notified the Association in writing of its name and address, and that it insures or guarantees a Mortgage) shall have the right to receive from the Association prompt written notice of the following:

(a) default under any of the terms and provisions of the Condominium Documents by any Owner owning a Unit encumbered by a Mortgage held, insured or guaranteed by such Mortgagee, which default remains uncured for a period of thirty (30) days;

BK011288PG00153

(b) any loss or damage to or condemnation or taking of the Common Elements or any loss or damage to or condemnation or taking of a Unit encumbered by a Mortgage held, insured or guaranteed by such Mortgagee;

(c) any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association; and

(d) any proposed action by the Association, the Executive Board or the Owners which, under the terms of the Condominium Documents, requires the consent of all or any portion of the Mortgagees.

The failure of any Mortgagee to respond within thirty (30) days to any written request of the Association, sent by registered or certified mail, return receipt requested, for approval of an addition or amendment to the Condominium Documents wherever Mortgagee approval is required shall constitute an implied approval by that Mortgagee of the proposed addition or amendment.

Section 17.5 Consent and Notice Required. TO THE DECLARATION

**BYLAWS
OF

The Association, its Executive Board, officers and Members shall at all times act in conformity with the Nonprofit Corporation Act of the State of North Carolina, the Condominium Documents and the North Carolina Condominium Act.

**ARTICLE III
OFFICES - SEAL - FISCAL YEAR**

3.1 Principal Office and Registered Office. The initial principal office and registered office of the Association shall be located at 1500 Sunday Drive, Suite 300, Raleigh, Wake County, North Carolina 27607.

3.3 Seal. The seal of the Association shall contain the name of the Association, the word "Seal," year of incorporation and such other words and figures as desired by the Executive Board.

3.4 Fiscal Year. The fiscal year of the Association shall be June 1 to May 31.

**ARTICLE IV
MEMBERSHIP**

4.1 Qualification. Membership in the Association shall be limited to the Owners, and every Owner of a Unit shall automatically be a Member of the Association. Membership in the Association shall be appurtenant to and may not be separated from Unit ownership.

Membership in the Association shall inure automatically to Owners upon acquisition of the fee simple title (whether encumbered or not) to any one or more Units. The date of recordation in the office of the Register of Deeds of Wake County, North Carolina of the conveyance of the Unit in question shall govern the date of ownership of each particular Unit. However, in the case of death the transfer of ownership shall occur on date of death in the case of intestacy or date of probate of the will in the case of testacy. Until a decedent's will is probated, the Association may rely on the presumption that a deceased Owner died intestate.

4.2 Place of Meetings. All meetings of the Members shall be held at a place in Wake County, North Carolina designated by the Executive Board.

4.3 Annual Meeting. A meeting of the Members shall be held at least once each year. The first annual meeting of the Members shall be held on the date and hour designated by Declarant. Thereafter, the annual meeting of the Members shall be held on the third Monday in June of each year at 8:00 p.m., Eastern Standard Time. If the third Monday in June shall be a legal holiday, the annual meeting shall be held at the same hour on the first day following which is not a legal holiday. At such meetings, the Executive Board shall be elected in accordance with Section 5.3 of these Bylaws and the Members shall transact such other business as may properly come before them.

4.4 Substitute Annual Meeting. If an annual meeting shall not be held on the day designated by these Bylaws, a substitute annual meeting may be called in accordance with the provisions of Sections 4.5 and 4.6. A meeting so called shall be designated and treated for all purposes as the annual meeting.

4.5 Special Meeting. After the first annual meeting of the Members, special meetings of the Members may be called at any time by the President, by not less than twenty percent (20%) of all Owners, or by not less than sixty percent (60%) of the Executive Board members. Business to be acted upon at all special meetings shall be confined to the subjects stated in the notice of such meeting.

4.6 Notice of Meeting. The delivery of any item and the giving of notice in compliance with these Bylaws shall be accomplished in writing by personal delivery, facsimile/fax or email with evidence of recipient receipt, or by certified mail addressed to each Unit. Such notice shall state the time and place of the meeting of the Members, including an annual meeting, and the items on the agenda, including the general nature of any proposed amendment to the Declaration or these Bylaws, any budget changes and any proposal to remove a director or officer, and shall be delivered not less than ten (10) nor more than thirty (30) days before the date of any such meeting of the Members. Any notice given in accordance with the provisions of this Section 4.6 shall be deemed to be effective, if personally delivered or faxed or

BK011288PG00167

emailed, on the date of such delivery, or if mailed by registered or certified mail, on the date upon which the return receipt is signed or delivery is refused or the notice is designated by the postal authorities as not deliverable, as the case may be.

Notice given to any one tenant in common, tenant by entirety or other joint Owner of a Unit shall be deemed notice to all joint Owners of the subject Unit.

The notice of meeting shall specifically state the purpose or purposes for which the meeting is called.

4.7 Quorum. Except as otherwise provided in these Bylaws, the presence in person or by proxy of the Members entitled to cast forty percent (40%) of the votes which may be cast for election of the Executive Board shall constitute a quorum at all meetings of the Members. If a quorum is not present or represented at a meeting, the Members entitled to vote thereat shall have the power to adjourn the meeting from time to time, without notice other than the announcement at the meeting, until a quorum is present or is represented. The Members at any meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum.

4.8 Voting Right. The total number of votes of the Members shall be equal to the number of Units contained within the Condominium from time to time and each Member shall be entitled to one (1) vote. If fee simple title to a Unit is owned of record by more than one person or entity, all such persons or entities shall be Members of the Association, but the vote with respect to any such jointly owned Unit shall be cast as hereinafter provided.

If the fee simple title to any Unit is owned of record by two (2) or more persons or entities (whether individually or in a fiduciary capacity), the vote with respect to any such jointly owned Unit may be cast by any one of the joint Owners in person or by proxy, except that the holder or holders of a life estate in a Unit shall have the sole right to cast the votes allocated to the Unit. If more than one of the joint Owners vote or more than one life estate holder in a Unit vote, the unanimous action of all joint Owners or joint life estate holders voting shall be necessary to effectively cast the votes allocated to the particular Unit.

Such unanimous action shall be conclusively presumed if any one of such multiple Owners casts the votes allocated to that Unit without protest being made promptly to the person presiding over the meeting by any of the other of such joint Owners.

In no event may the vote which may be cast with respect to any Unit be divided among joint Owners of the Unit or cast in any manner other than as a whole, it being the intention of this Section 4.8 that there be no "splitting" of votes that may be cast by any Member or Members.

4.9 Proxies. The Members may vote either in person or by agents duly authorized by written proxy executed by the subject Member or by his duly authorized attorney-in-fact. A proxy is not valid after the earlier of the term stated therein or the expiration of twelve (12) months from the date of its execution. Unless a proxy otherwise provides, any proxy holder may appoint in writing a substitute to act in his place. In order to be effective, all proxies must be filed with the Secretary of the Association or duly acting secretary of the meeting either during or prior to the meeting in question. A Member may not revoke a proxy given pursuant to this

BK011288PG00168

Section 4.9 except by written notice of revocation delivered to the person presiding over a meeting of the Members.

All of the above provisions concerning voting by joint Owners shall apply to the vote cast for any one Unit by two (2) or more proxy holders.

4.10 Majority Vote. The casting of a majority of the votes represented at a meeting at which a quorum is present, in person or by proxy, shall be binding for all purposes except where a different percentage vote is stipulated by these Bylaws, the Declaration, the Articles of Incorporation, or the North Carolina Condominium Act.

4.11 Actions Without Meeting. Any action which may be taken at a meeting of the Members may be taken without a meeting if consent or ratification, in writing, setting forth the action so taken or to be taken shall be signed by all of the persons who would be entitled to vote upon such action at a meeting and such consent is filed with the Secretary of the Association and inserted in the minute book of the Association.

ARTICLE V EXECUTIVE BOARD

5.1 General Powers. The business and affairs of the Association shall be managed by the Executive Board or by such committees as the Executive Board may establish pursuant to Section 6 of these Bylaws; provided, however, the Executive Board may not act on behalf of the Association to amend the Declaration, to terminate the Condominium, to elect members of the Executive Board or to determine the qualifications, powers, duties or terms of office of Executive Board members. The Executive Board may, however, fill vacancies in the Executive Board for the unexpired portion of any term.

5.2 Number, Term and Qualification. The initial Executive Board shall consist of the five (5) individuals appointed by Declarant whose names are set forth in the Articles of Incorporation. During the Declarant Control Period, the Executive Board shall have one (1) member and Declarant may appoint and remove such member of the Executive Board in Declarant's sole discretion, subject to the limitations contained in Section 7.1 of the Declaration. Following the expiration of the Declarant Control Period, the Members of the Association shall elect five (5) Executive Board members. Executive Board members may succeed themselves in office but in no event shall an Executive Board member serve for a term exceeding three (3) years. After a one (1) year absence from the Executive Board, a person is eligible for reelection. The President, Secretary and Treasurer shall each serve a one (1) year term on the Executive Board. The Vice President and the Assistant Secretary shall each serve a two (2) year term on the Executive Board and, during their second year as Executive Board members, shall also serve as the President and Secretary, respectively, of the Association.

If any Executive Board members are so removed, their successors as Executive Board members may be elected by the Members at the same meeting to fill the unexpired terms of the Executive Board members so removed.

5.5 Vacancies. Subject to Section 5.4 above, a vacancy occurring in the Executive Board may only be filled by a majority of the remaining Executive Board members, though less than a quorum, or by the sole remaining Executive Board member. A vacancy created by an increase in the authorized number of Executive Board members shall be filled only by election at an annual or substitute annual meeting, at a special meeting of the Members called for that purpose, or by unanimous consent of the Members without meeting. Notices shall be deemed received upon that date the notice is personally delivered or faxed or emailed, or if mailed by registered or certified mail, on the date upon which the return receipt is signed or delivery is refused or the notice is designated by the postal authorities as not deliverable, as the case may be. Attendance by a Executive Board member at a meeting shall constitute a waiver of notice of such meeting unless the subject Executive Board member gives a written statement at the meeting to the person presiding objecting to the transaction of any business because the meeting is not lawfully called and gives such notice prior to the vote on any resolution.

(d) Approved Meeting Place. All Executive Board meetings shall be held in Wake County, North Carolina.

Such written approval shall be valid if obtained via facsimile or electronic mail. Any action so approved shall have the same effect as though taken at a meeting of the Executive Board. Said written approval shall be filed with the minutes of the proceedings of the Executive Board, whether done before or after the action so taken.

5.12 Presumption of Assent. A Executive Board member who is present at a meeting of the Executive Board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless his contrary vote is recorded or his dissent is otherwise entered in the minutes of the meeting or unless he shall file his written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by registered mail to the Secretary of the Association immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Executive Board member who voted in favor of such action.

6.4 Minutes. Each committee shall keep regular minutes of its proceedings and report the same to the Executive Board when required.

6.5 Responsibility of Executive Board Members. The designation of committees and the delegation of authority thereto shall not operate to relieve the Executive Board or any member thereof of any responsibility or liability imposed upon it or him by law.

If action taken by a committee is not thereafter formally considered by the Executive Board, a Executive Board member may dissent from such action by filing his written objection with the Secretary with reasonable promptness after learning of such action.

The Executive Board may, however, compensate any officer or officers who render unusual and extraordinary services to the Association beyond that called for to be rendered by such person or persons on a regular basis. Each officer, by assuming office, waives his right to institute suit against or make claim upon the Association for compensation based upon *quantum meruit*.

ARTICLE VIII OPERATION OF THE PROPERTY

8.1 Determination of Common Expenses and Fixing of the Common Charges. The Executive Board shall from time to time, and at least annually, prepare and adopt a proposed budget for the Condominium, determine the amount of the Common Expenses payable by the Owners to meet the proposed budget of the Condominium, and allocate and assess such proposed Common Expenses among the Owners in equal shares (based upon the total number of Units in the Condominium), all in accordance with the procedure set forth in this Section 8, but subject to the limitations set forth in Article XI of the Declaration. The Common Expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance required to be or which have been obtained by the Executive Board pursuant to the provisions of the Declaration. The Common Expenses shall also include such amounts as the Executive Board deems necessary for the operation and maintenance of the Property including, without limitation,

an amount for working capital of the Condominium, an amount for a general operating reserve, an amount for a reserve fund for losses due to insurance deductibles, an amount for a reserve fund for repair and replacement of the Common Elements, and such amounts as may be necessary to make up any deficit in the Common Expenses for any prior year. Within thirty (30) days after adoption of any proposed budget for the Condominium, the Executive Board shall provide a summary of the budget to all the Owners and shall set a date for a meeting of the Owners to consider ratification of the budget no less than fourteen (14) nor more than thirty (30) days after mailing of the summary. Notwithstanding any other provisions of these Bylaws, there shall be no requirement that a quorum be present at such meeting. Notwithstanding any other provision of these Bylaws, the proposed budget shall be deemed ratified unless at that meeting a majority of all the Owners present and entitled to cast a vote reject the budget. In the event the proposed budget is rejected, the periodic budget last ratified shall be continued until such time as the Owners ratify a subsequent budget proposed by the Executive Board.

The Association, acting through the Executive Board, may levy a special assessment during any calendar year for the purpose of defraying, in whole or in part, the cost of any reconstruction, repair or replacement of any capital improvement comprising or to comprise a portion of the Common Elements including fixtures and personal property; provided, however, that any such special assessment must be approved by the vote of Owners of Units to which at least seventy percent (70%) of the votes in the Association are allocated cast in person or by proxy at a meeting duly held in accordance with the provisions of these Bylaws. In the event that any Owner fails to maintain his Unit and the Association takes action to do so as set forth in Section 5.13 hereof, or any Owner defaults under his obligations under the Declaration or these Bylaws and the Association incurs any additional costs and expenses as a result of such default, the Association shall have the right to levy a special assessment against such Owner for the purposes of defraying, in whole or in part, such costs or expenses.

The Declarant, as the agent of the Association, shall collect from each initial purchaser of a Unit at the time of closing an "initial capital assessment" equal to twice the estimated monthly assessment for Common Expenses but not to exceed Five Hundred and No/100 Dollars (\$500.00). Such funds shall not be considered advance payments of assessments. The Declarant will deliver the funds so collected to the Association to provide the necessary working capital for the Association. In addition, upon the expiration of the Declarant Control Period, the Declarant shall forward to the Association a contribution to the working capital fund, in the amount specified above, for each unsold Unit in the Condominium held by Declarant and, in that event, Declarant shall be entitled to retain as a reimbursement the working capital contributions ultimately made by the initial purchasers of such Units. Such funds may be used for certain prepaid items, initial equipment and supplies, organizational expenses and other start-up costs, and for such other purposes as the Executive Board may determine. Except for the permitted reimbursement of prepaid contributions referred to above, the Declarant may not use the working capital fund to defray any of the Declarant's expenses, reserve contributions or construction costs, or to make up any budget deficits of the Association during the Declarant Control Period.

8.2 Payment of Common Expenses. All Owners shall be obligated to pay the Common Expenses assessed by the Executive Board pursuant to the provisions of Section 8.1 hereof at such time or times as the Executive Board shall determine.

BK011288PG00177

No Owner shall be liable for the payment of any part of the Common Expenses assessed against his Unit subsequent to a sale, transfer or other conveyance by him (made in accordance with the provisions of the Declaration and applicable restrictions of record) of such Unit. A purchaser of a Unit shall be jointly and severally liable with the seller for the payment of Common Expenses assessed against such Unit prior to the acquisition by the purchaser of such Unit without prejudice to the purchaser's rights to recover from the seller the amounts paid by the purchaser therefor.

8.3 Collection of Assessments. The Executive Board shall assess Common Expenses against the Units from time to time, and at least monthly, in accordance with the allocations set forth in the Declaration. The Executive Board shall take prompt action to collect any Common Expenses which remain unpaid for more than thirty (30) days from the due date for payment thereof.

The Executive Board shall notify the holder of the Mortgage on any Unit (of which it has notice) for which any Common Expenses assessed pursuant to these Bylaws remain unpaid for more than thirty (30) days from the due date for payment thereof and in any other case where the Owner of such Unit is in default with respect to the performance of any other obligation hereunder for a period in excess of thirty (30) days.

8.4 Default in Payment of Common Expenses; Remedies. In the event of default by any Owner in paying to the Executive Board the Common Expenses as determined by the Executive Board, such Owner shall be obligated to pay interest on such Common Expenses from the due date thereof at the rate of eighteen percent (18%) per annum together with all expenses, including reasonable attorney's fees (if permitted by law), incurred by the Executive Board in any proceeding brought to collect such unpaid Common Expenses. In addition, the Executive Board shall have the authority to levy a late charge on any assessment not paid within fifteen (15) days after its due date in the amount of five percent (5%) of the overdue assessment.

The Executive Board shall have the right and duty to attempt to recover such Common Expenses, together with interest thereon, and the expenses of the proceedings, including reasonable attorneys' fees (if permitted by law), in an action to recover a money judgment for the same brought against such Owner, or by foreclosure of the lien on such Unit in like manner as a deed of trust or mortgage of real property. The Executive Board shall also have the right to impose uniform late payment charges for delinquent Common Expense payments which charges shall be recoverable by the proceedings specified above.

In the event of the failure of an Owner to pay any assessment imposed hereunder or any installment thereof for more than sixty (60) days after such assessment or installment thereof shall become due, in addition to the other remedies available under the Condominium Documents and the North Carolina Condominium Act, the Executive Board shall have the right to declare all other Common Expense assessments and installments thereof with respect to such Owner's Unit that are to fall due during the then current fiscal year of the Association to be immediately due and payable.

8.5 Lien and Personal Obligations. All Common Expenses and special assessments provided for in this Article, together with the interest and expenses, including reasonable

attorneys' fees (if permitted by law), as provided for herein, shall be a charge on and a continuing lien upon the Unit against which the assessment is made, which such lien shall be prior to all other liens excepting only (i) assessments, liens and charges for real estate taxes due and unpaid on the Unit, and (ii) all sums unpaid on Mortgages and other liens and encumbrances duly recorded against the Unit prior to the docketing of such lien. Such lien shall become effective when a notice thereof has been filed in the office of the Clerk of Superior Court of Wake County, North Carolina, provided such notice of lien shall not be recorded until such sums assessed remain unpaid for a period of more than thirty (30) days after the same shall become due. Such notice of lien shall also secure all assessments against the Unit becoming due thereafter until the lien has been satisfied.

The lien for unpaid assessments shall not be affected by the sale or transfer of the Unit, except in the case of a foreclosure of a Mortgage, in which event the purchaser at foreclosure shall not be liable for any assessments against such Unit that became due prior to the date of acquisition of title by such purchaser. Such unpaid assessments shall be deemed Common Expenses collectible from all Owners of Units, including the purchaser at foreclosure. In addition, each Owner shall be personally liable for any assessment against his Unit. No Owner may exempt himself from such liability by nonuse or enjoyment of any portion of the Common Elements or by the abandonment or sale of his Unit.

8.6 Foreclosure of Liens for Unpaid Common Expenses. In any action brought by the Executive Board to foreclose on a Unit because of unpaid Common Expenses or special assessments, the Owner shall be required to pay a reasonable rental for the use of his Unit and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same.

8.7 Abatement and Enjoyment of Violations by Owners. The violation of any rule or regulation adopted by the Executive Board, the breach of any provision of these Bylaws, or the breach of any provision of the Declaration shall give the Executive Board the right, in addition to any other rights set forth in the Declaration, these Bylaws or at law or in equity: (a) to enter the Unit in which or as to which such violation or breach exists and to summarily abate and remove, at the expense of the defaulting Owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Executive Board shall not thereby be deemed guilty in any manner of trespass; (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach at the expense of the defaulting Owner, and/or (c) after notice and opportunity to be heard, to levy reasonable fines not to exceed One Hundred Fifty and No/100 Dollars (\$150.00) per day, or the highest amount permitted by law, for continuing violations.

8.8 Maintenance and Repair. Except as is specifically provided in the Declaration, all maintenance and any repairs to any Unit and the Limited Common Elements allocated thereto, whether ordinary or extraordinary, shall be made by the Owner of such Unit. Each Owner shall be responsible for all damages to any and all other Units and/or to the Common Elements that his failure to do so may engender. Except as is specifically provided in the Declaration, all maintenance, repairs and replacements to the Common Elements (unless necessitated by the negligence, misuse or neglect of an Owner, in which case such expense shall be charged to and paid by such Owner), shall be made by the Executive Board; provided, however, there is

BK011288PG00179

excluded from the provisions contained in this section any repairs necessitated by casualty insured against by the Executive Board to the extent the Executive Board receives insurance proceeds for such repairs.

8.9 Additions, Alterations or Improvements by Owners. No Owner shall make any improvements or alterations in or to his Unit that impair the structural integrity or mechanical systems or lessen the support of any portion of the Condominium or to any Limited Common Element, or any change in the exterior appearance thereof, except in accordance with N.C. Gen. Stat. §47C-2-111 and in accordance with the terms of the Declaration.

8.10 Use of Common Elements. An Owner shall not interfere with the use of the Common Elements by the other Owners and their employees and invitees.

8.11 Right of Access. An Owner shall grant a right of access to his Unit and the Limited Common Elements appurtenant thereto to the Independent Manager and/or any other person authorized by the Executive Board or the Independent Manager for the purpose of making inspections, or for the purpose of correcting any condition originating in his Unit and/or threatening another Unit or the Common Elements, or for the purpose of performing installations, alterations or repairs to any building system or element (including, but not limited to, the mechanical, plumbing or electrical equipment or other Common Elements in or adjoining his Unit); provided, however, such requests for entry (except in the case of emergencies where no request shall be required) are made in advance and any such entry is at a time reasonably convenient to the Owner. In the case of an emergency, such right of entry shall be immediate whether the Owner is present at the time or not.

8.12 Rules of Conduct. Rules and regulations concerning the use of the Units and the Common Elements shall be promulgated and amended by the Executive Board with the approval of a majority of Owners. Copies of such rules and regulations shall be furnished by the Executive Board to each Owner prior to the time when the same shall become effective.

8.13 Common Expenses for Utilities. Any utilities which may be provided to the Units through a single or common meter or facility, and utilities furnished to any portion of the Common Elements, shall be paid by each Owner as and when billed according to the extent of such Owner's use or, at the option of the Executive Board, such may be paid by the Executive Board and assessed against the Units as a Common Expense.

8.14 Approval of Members Required for Certain Transactions. The Association shall not, without the prior written approval of a Supermajority in Interest of the Members, institute any legal action in the name of the Association, other than lawsuits for the payment of Common Expenses, special assessments or other assessments, or for the enforcement of any rules and regulations or breach of any provision in the Declaration, all of which are expressly permitted under these Bylaws. For the purposes of this section 8.14, "Supermajority in Interest" shall mean a combination of any Members who, in the aggregate, own eighty percent (80%) or more of the Units.

**ARTICLE IX
AMENDMENTS**

Subject to the provisions of Article XV of the Declaration, these Bylaws may be amended at any time by an instrument in writing signed and acknowledged by Owners holding at least seventy percent (70%) of the votes in the Association, which instrument shall be effective only upon recordation in the office of the Register of Deeds of Wake County, North Carolina; provided, however, where a larger vote in the Association is required for the Association to take or refrain from taking a specific action, as set forth in the Condominium Documents, no amendment of these Bylaws shall be made unless and until the Owners holding such larger percentage of the vote in the Association execute said amending instrument. All persons or entities who own or hereafter acquire any interest in the Property shall be bound to abide by any amendment to these Bylaws which is duly passed, signed, acknowledged and recorded as provided herein. No amendment to these Bylaws shall be adopted or passed which shall impair or prejudice the rights and priorities of any Mortgagee without the consent of such Mortgagee. No amendment to these Bylaws shall be adopted or passed which shall impair or prejudice the rights of Declarant provided for in the Condominium Documents without the consent of Declarant.
