Space to Gather, Room to Grow | Jefferson Place Living at its Best

Looking for space, convenience, and a community you'll love coming home to? Welcome to 5923 Leben Drive in Jefferson Place, where one of the neighborhood's largest floorplans offers approximately 2,432 square feet of light-filled living space, a sought-after two-car garage, and a finished walk-out lower level. Updated LVP flooring throughout the main level adds both style and durability, creating a warm and welcoming first impression. From the moment you enter, you'll appreciate the abundance of natural light and the spacious, open layout. The heart of the home is the expansive kitchen and dining area, enhanced by a desirable bump-out that creates the perfect setting for everything from casual family dinners to holiday gatherings with friends. A favorite feature of the current owners, this oversized kitchen has been the backdrop for countless gatherings, celebrations, and everyday moments over the years. The adjoining family room offers plenty of space to relax, entertain, or simply enjoy a quiet evening at home. A conveniently located half bath completes the main level. Upstairs, the thoughtfully designed bedroom level features three spacious bedrooms, two full baths, and a true laundry room—not a hallway closet, but a dedicated space that makes everyday living easier and more organized. The primary suite offers a peaceful retreat with a tray ceiling, spacious walk-in closet, and a private bath featuring both a relaxing soaking tub and separate walk-in shower, creating a spa-like escape where you can begin and end each day in comfort. The finished walk-out lower level provides exceptional flexibility with a media room, full bath, and additional living space perfect for movie nights, game days, a home office, workout area, or guest suite. Step outside to enjoy the fenced backyard complete with a low-maintenance Trex deck and spacious patio—another favorite feature of the current owners. Whether hosting summer barbecues, gathering with friends and family, or simply enjoying a quiet evening outdoors, these outdoor living spaces were designed to be enjoyed. Jefferson Place offers more than just a home—it's a lifestyle. Residents enjoy access to exceptional amenities, including a clubhouse, fitness center, swimming pool, playgrounds, walking trails, sports courts, and community green spaces. Ideally located just off Route 340, you'll enjoy easy access to Interstates 270, 70, and 15, multiple MARC train stations, downtown Frederick, shopping, dining, and everyday conveniences. Best of all, you'll enjoy all of these conveniences with the added benefit of no city taxes. Combining generous living spaces, abundant natural light, exceptional amenities, and a prime commuter-friendly location, 5923 Leben Drive is ready to welcome you home.
