Long & Foster Realtors, Reston, VA

Dear Reston Community,

Welcome to the newest edition of the Reston Association Activities Guide!

Whether you are a longtime resident or new to our community, this guide is your invitation to get outside, get involved, and make the most of everything Reston has to offer.

Reston is special because recreation, nature, and connection are woven into everyday life. Inside this guide, you will find opportunities for all ages and interests from swimming and fitness classes at our pools to camps and community events, environmental education at Walker Nature Center, and countless ways to enjoy our tennis courts, pickleball courts, trails, and open spaces. There are so many ways to play and connect right here in your own neighborhood.

A cornerstone of life in Reston is our unique system of lakes and trails. These places provide opportunities to paddle, fish, walk, reflect, and support both recreation and environmental stewardship. In this guide, you will see expanded lake-based programming, lake access opportunities, and educational offerings that help members better understand and enjoy these special places.

We are especially proud of our continued work to advance equity and inclusion across Reston's lake system. In partnership with the Reston Association Lake Equity Working Group, we are taking thoughtful steps to ensure our lakes are welcoming, accessible, and beneficial to all members of our community. This includes increasing programming, enhancing accessibility, improving outreach and education, and creating more opportunities for residents to engage with our lakes in meaningful ways. These efforts reflect our shared commitment to listening, learning, and ensuring that everyone can experience the social, recreational, and environmental value of our lakes.

As you explore this guide, I encourage you to try something new, revisit a favorite activity, or discover a place in Reston you may not yet know. Recreation brings people together, strengthens community, and enhances quality of life, and we are excited to support you in making lasting memories here.

On behalf of the Recreation Services team, thank you for being part of Reston Association. We look forward to seeing you in the community.

See you outside,

Laura Kowalski, CPRP, AFO

MEMBER SERVICES

Questions about RA facilities? Need to renew your recreation pass? Look no further than RA's Member Services team, which is available in-person, by phone and online to answer your questions about all of the opportunities available to you as a member of Reston Association.

2026 RECREATION PASSES

(valid January 2 – December 31, 2026)

Reston Association recreation passes are your entry to discovering the many amenities that make Reston so special — from our 15 neighborhood pools with splash pads, slides and spas to our picnic areas, tennis and pickleball courts, pavilions and so much more. What's more, that recreation pass is included with your annual assessment, meaning if you're an RA member, you have access to all of these amenities at no additional charge. Obtain or renew your recreation pass now to take advantage of all Reston has to offer throughout the year.

TO OBTAIN YOUR FREE RECREATION PASS:

ONLINE

Visit www.reston.org/recreation-passes for more information about how to obtain or renew your pass at no charge. Renewal orders will reactivate your current pass. New passes will be shipped free of charge or can be picked up in our main office during business hours. Recreation passes may also be automatically renewed by checking the box on your assessment payment notice.

Renters should provide proof of residency when obtaining or renewing recreation passes.

IN-PERSON

You can also obtain or renew your pass by visiting us in person at Reston Association Headquarters, 12001 Sunrise Valley Drive, Reston, VA 20191, Monday-Friday, 8:30 a.m.-5 p.m.

Please visit www.reston.org or call 703-435-6530 for Member Service Office hours.

BRING A GUEST

All pass holders may bring guests to the courts and pools. Single guest passes valid for one day must be purchased at the admission desk at any RA pool or with a court monitor at one of the RA tennis/pickleball courts. Rules and regulations on court and pool access can be found by visiting <https://www.reston.org/recreation-passes>.

Available for purchase online. For assistance, call 703-435-6530 or email member_services@reston.org.

SWIM LESSON LEVELS

**Baby/Toddler & Me classes are only available in one-week sessions with an option of registering for multiple sessions.*

Baby and Me*

Ages: 6 to 18 months, Parental Participation Required

This fun introduction to the water focuses on creating a joyful and comforting experience for both baby and parent. With guidance from an instructor, families explore the pool together through playful activities that build water familiarity and confidence all centered around having fun in a safe, supportive environment.

Toddler and Me*

Ages: 18 to 36 months, Parental Participation Required

This engaging class helps toddlers build early swimming readiness in a fun, supportive environment alongside a parent or caregiver. Children will explore key water skills including water entry, bubble blowing, front kicking, back floating, underwater discovery, and basic water safety practices—all designed to foster comfort and confidence in the pool.

Preschooler and Me

Ages: 3 to 5 years, Parental Participation Required

This class introduces children to the foundational skills of Youth Swimming 1, making it an ideal starting point for those with minimal or no prior water experience. It's a supportive option for hesitant swimmers who may find it challenging to separate from a parent. Children begin building confidence and comfort in the water while developing essential swimming skills.

Youth Swimming 1

This class introduces students to the fundamentals of water exploration in a safe and supportive setting. Participants will receive guided instruction

in essential skills such as breath control, floating, kicking, and arm movements, with a strong emphasis on water safety throughout.

All activities are performed with hands-on assistance to ensure comfort and confidence. To participate, students should be able to separate from their parent or guardian and engage cooperatively in a group environment.

Before advancing to the next level, students are expected to demonstrate mastery of the foundational skills introduced in this course.

- Safely enter and exit water
- Blow bubbles for 3 seconds with mouth and nose fully submerged
- Repeatedly submerging head comfortably
- Perform flutter kick on front and back for 2 body lengths, with support
- Float with recovery to a standing position, with support
- Front and back glides, 2 body lengths with recovery, with support
- Roll from front to back or back to front, with support
- Arm and hand treading action (in chest-deep water)
- Arms—front crawl, 2 body length, with support
- Finning and “tickle, T, pull” arms on back, 2 body lengths, with support

Youth Swimming 2

In this level, students build on their submersion abilities by practicing independent floating and gliding on both their front and back. They also begin learning the fundamentals of front crawl, back crawl, and treading water—key techniques for confident swimming.

Prerequisite: Students should be comfortable fully submerging their head and blowing bubbles repeatedly and genuinely enjoy the water.

Before advancing to the next level, participants must be able to

demonstrate the following skills independently.

- Enter and exit water safely
- Jump into chest-deep water unassisted
- Submerge face/head and recover object from bottom—two times
- Bob five times with rhythmic bubble blowing
- Submerge face for at least 3 seconds while blowing bubbles with nose and mouth
- Kick on front and back with support (3-5 body lengths)
- Float on front and back with proper head position and without support
- Glide on front and back with recovery
- Roll from front to back and back to front without support
- Change direction while swimming on back and front
- Front crawl for 3-5 body lengths
- Swim on back for 3-5 body lengths
- Elementary backstroke arms or finning for 3 body lengths
- Begin back crawl arm movements with instructor support
- Tread water using arm and leg actions for 15 seconds in shoulder-deep water

Youth Swimming 3

Students continue to develop coordination of the front and back crawls, elementary backstroke, rotary breathing, and treading water. All shallow water skills are performed independently and with confidence, as students begin exploring deep water readiness. The following skills should be mastered before moving on to the next level:

- Safely enter/exit water by jumping from the side into deep water
- Bobbing while moving towards safety in chest-deep water
- Retrieve multiple objects from the bottom in chest-deep water
- Push off in a streamlined position on front and back, then begin flutter kicking, 3-5 body lengths
- Elementary backstroke kick
- Breaststroke kick
- Rotary breathing, 10 times
- Front crawl, 15 yds
- Elementary backstroke, 10 yds
- Back crawl arms, 5 yds

Youth Swimming 4

Students will work on technical improvement of strokes while increasing their endurance in the water by practicing and refining the front and back crawls, elementary backstroke, and breaststroke. Diving fundamentals are also introduced. The majority of this class is conducted in deep water. The following skills should be mastered before moving on to the next level:

- Swim underwater, 3-5 body lengths
- Front crawl, 25 yds with rotary breathing
- Back crawl and elementary backstroke, 25 yds each
- Breaststroke kick, 15 yds
- Full breaststroke, 15 yds
- Tread water, 30 sec
- Dolphin kick, 15 yds
- Front crawl bilateral breathing drills
- Sitting, kneeling, and standing dives

Youth Swimming 5

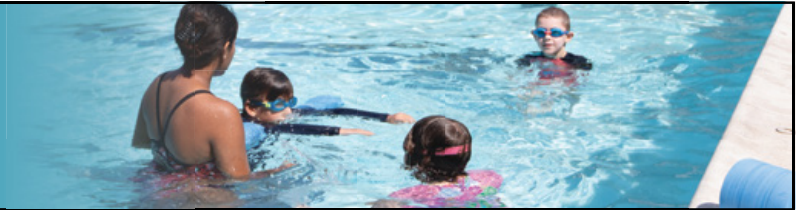

Students will increase endurance and continue to refine their strokes while becoming more efficient swimmers over greater distances. Open turns, flip turns, and racing dives are taught. The following are additional skills participants will learn:

- Circle swimming, surface dives, racing dives
- Open turns and flip turns
- Butterfly arms, kick, and timing, 15 yds
- Front crawl with bilateral breathing, 50 yds
- Breaststroke, back crawl, and elementary backstroke, 50 yds each
- Standard sculling, 30 seconds
- Tread water, 2 minutes
- Sidestroke is introduced

Adult Beginner

This class is designed to help adults build confidence in the water while learning at their own pace. Participants will develop essential skills such as floating, gliding, and rhythmic breathing, all within a supportive and comfortable environment.

RESTON CAMPS

SUMMER FUN

At Reston Camps, we spend lots of time playing outdoors, enjoying camp traditions, and making friends. Our camps are run by a team you can trust who are trained to make sure the summer is filled with lasting memories. Details on individual camps, policies and FAQ can be found in the 2026 Parent Handbook on www.reston.org.

CAMP PROMISE

We promise that all campers will be allowed to discover who they are and what they can achieve. They will try new things, explore new places, and carry on camp traditions in a safe, fun environment.

RESTON CAMPS

What is your cancellation/refund policy?

Cancellations requested MORE THAN 14 days before the start of a camp session = a 50% refund (minus deposit). Cancellations requested LESS THAN 14 days before the start of a camp session = no refund. No refunds for missed days within a camp session(s). No refunds for campers sent home early due to illness, injury and/or behavior issues. If you were enrolled in camp, did not cancel the enrollment, and did not participate in the program, no

refund will be provided. You will not be eligible to enroll in future RA programming until the balance is paid in full. Campers who cancel or leave camp on the advice of medical personnel will receive a prorated refund with a physician's note. See the 2026 Parent Handbook for complete details.

When are camp payments due?

Payment is due in full ONE WEEK prior to the start of the camp session. Failure to pay the balance in full by the due date may result in your child being removed from camp.

After I register my child, how will I receive camp information and notifications?

You MUST make sure that your email and phone number in both RecTrac AND CampDoc are up to date. We will automatically contact the PRIMARY CONTACT, so make adjustments to your account if necessary.

Can I switch to a different camp?

Absolutely, as long as there is space available, and your child is within the camp's age group. All requests must be in writing to the Camp Registrar at camp@reston.org.

What is special about Reston Camps?

We have been in operation for over 50 years! We hire camp staff with a passion for working, playing, and teaching children. Many of our staff are local teachers. All staff are CPR/AED/first aid certified, have passed criminal background checks, a Central Registry Check, fingerprinting, and have had pre-camp training in child abuse, positive behavior management, camp safety, and ongoing training in camp programming.

Does my child need a camp shirt?

Campers attending Mini Day Camp, Junior Day Camp, Day Camp, Sportsters, Adventure Camp and CITs must wear a Reston Camps camp shirt. Past Reston Camps shirts may be worn. Shirts may be purchased in the Member Services office and we highly suggest purchasing multiple shirts so that you don't have to wash shirts each night.

Do you offer Extended Care?

YES! For an additional fee, we offer afternoon extended care at Browns Chapel for all camps (except ½ day Nature Tots) from 4-5:30 p.m. each day.

I am on vacation for 1 of the 2 weeks of a camp session.**Can I get credit for the missed week?**

No, we do not prorate for missed days. You must pay for both weeks, but it is ok to only attend one.

What if the camp I want to sign up for has a waitlist?

If a camp session is sold out, you should add your child's name to the waiting list online on the WebTrac website.

How will I know if space opens on the waitlist?

You will be contacted via email if a space becomes available and your child is next on the waitlist. You may be contacted at any time, right up until the week before the camp starts. You will be given 24 hours to respond before the next person on the waitlist is contacted. If you accept the available spot, you will be expected to pay the deposit (or full payment) within 24 hours, or your registration will be withdrawn.

Do you allow visitors or volunteers at camp?

For the safety and security of our campers and staff, all visitors must be pre-approved by the Camp Director or Recreation Manager.

What if my child has a disability?

Reston Camps welcomes campers with disabilities. To best accommodate your child, please contact Katherine Caffrey, Recreation Manager, at kcaffrey@reston.org so we can schedule a time to meet and discuss your child's needs.

Will my child go swimming during camp?

All camps go swimming at Reston Association pools during the camp day (except ½ day Nature Tots and Incredifix). All campers are given a swim test by RA Lifeguards on the first day they visit the pool, every session. Further details will be provided to parents via email prior to the start of camp.

Is camp held during inclement weather?

YES! All camp locations have inclement weather policies and Emergency Action Plans. Indoor locations are available for those camps based outdoors. Please remember, drop-off and pick-up locations will always be at the base camp location. On code red days, we increase time in the shade, offer additional water breaks, pool time, and indoor programming. We do not prorate days not attended due to weather.

If my child attends the same camp for multiple weeks, will they be doing the same thing each time?

NO! Junior Day Camp and Day Camp have different camp themes and activities each session. Adventure Camp has new and different adventures each week. Occasionally, campers may visit our more popular activities more than once over the summer, but the weekly schedule will not be the same. Our other camps offer different programming and activities each week. Your camper will meet new friends each session — they will have a great time!

Can my child be in a camp group with all of their friends?

There is a question in CampDoc asking parents if there is ONE friend their child would like to be placed in a group with. BOTH parents (the one asking, as well as the one they are requesting to be placed with) MUST fill out this question or the CampDoc program will NOT match them up. We do our best to accommodate special placement requests but due to the many demographics in a camp (age being the most important one) we can not guarantee requests.

I have questions or need more information about camp, who do I contact?

The Parent Handbook contains the answers to a majority of questions parents ask. If you are unable to find a specific answer, please reach out to the Camp Registrar at camp@reston.org or 703-435-6551

TENNIS & PICKLEBALL

Reston Association's 50+ courts are available for all members and passholders throughout the season, and lessons are available for all ages and skillsets to master their skills. Join a league or just meet up with neighbors for a little fun competition, or check out upcoming tournaments to watch some of the best players in the region.

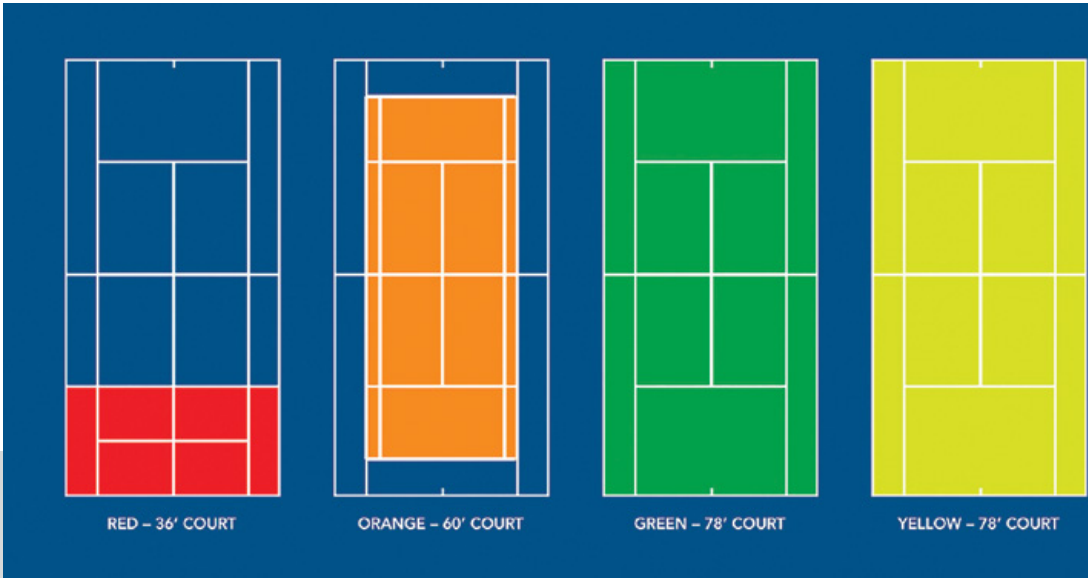

All Reston Association Junior programs follow the USTA standards for player development by using a low-compression ball progression that scales court size, racquet size, and type of ball to the age and size of the player. The ROGY (Red, Orange, Green, Yellow).

RED

Red ball is named after the red foam/felt balls that are used for players that are 3-7 years old. Red balls bounce lower and move more slowly through the air, giving beginning players a chance to set up and take a good swing. Courts at this level are 36 feet long and 18 feet wide.

ORANGE

Once comfortable at the red level, players move to the Orange ball. Typically for ages 8-10. Orange balls bounce higher and move faster than the Red balls but lower and slower than the green balls. They are a step toward the traditional Yellow tennis ball while remaining fun and manageable for players learning the game. Courts at this level are 60 feet by 21 feet.

GREEN

After Orange, the next level is the green dot. Typically for ages 10-12, the Green ball is very similar to the traditional yellow tennis ball but with a slightly lower compression, so it rebounds lower off the court after a bounce. The Green court is the same dimension as the traditional Yellow court: 78 feet by 27 feet.

YELLOW

The Yellow level is what most people know as traditional tennis. Typically ages 12-adults. The balls, courts and racquets at this level are used in high school, college, adult, and professional levels. The court size is 78 feet by 27 feet.

MUNCHKINS TENNIS

Munchkin's tennis programs are a fun, play-based introduction to tennis designed for kids ages 3-5.

PROGRAM HIGHLIGHTS

- **Focus on fun:** The main emphasis is on keeping the children engaged through games, hand-eye drills and exciting, new experiences in every lesson.
- **Fundamental skills:** Classes develop fundamental athletic abilities such as balance, hand-eye coordination, agility and footwork and basic stroke technique.
- **Equipment Needed:** Programs use specialized, age-appropriate equipment to help children succeed. This includes shorter rackets (21-inch), softer balls (red balls), and 36' court dimensions. Bring water and wear closed-toe shoes. Rackets are not supplied for lessons and can be purchased at the Reston Association pro shop.

- **Parental involvement:** All red ball classes are parent-interactive, requiring a parent or guardian to be present on the court with their child.

ACES

This exciting new format for learning tennis is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring — all tailored to age and size. Kids aged 5-8 will enjoy a fun, introduction to tennis, emphasizing fun and play. The game is played on smaller courts (36') with lower-compression red balls that don't bounce as high, making it easier for children to learn and rally.

ACES I

This is an entry-level class for younger children ages 5–8.

PROGRAM HIGHLIGHTS

- **Fundamental Skills:**

Players learn fundamental skills, focusing on agility, balance, and coordination.

- **Equipment Needed:**

Kids will use up to a 23" racket. Bring water and wear closed-toe shoes. Rackets are not supplied for lessons and can be purchased at the Reston Association pro shop.

- **Parental Involvement:**

All red ball classes are parent-interactive, requiring a parent or guardian to be present on the court with their child.

ORANGE BALL FUTURES

First-Time Orange Ball Futures

This class is designed to make learning easier and more fun by slowing down the pace of play and keeping the ball bouncing at a manageable height. A low-compression orange ball is easier to control and bounces lower than a regular yellow ball. Played on a 60-foot court. The “First Time Futures 1” or “Novice” level is designed for beginners who are new to the orange ball progression and to tennis.

PROGRAM HIGHLIGHTS

- **Fundamental skills:** Learn the basics of forehand and backhand groundstrokes, serving, and volleys. Develop foundational footwork, agility, balance, and coordination, all within the smaller, scaled-down court dimensions.
- **Equipment Needed:** Depending on the player’s height, typically use a 23–25” racket. Bring water and wear closed-toe shoes. Rackets are not supplied for lessons and can be purchased at the Reston Association pro shop.

TENNIS COURT RULES

Who May Use the Courts

- RA members with a valid recreation pass.
- Guests must have a guest pass and be accompanied by the host member.
- Reston Association instructors are the only people permitted to give lessons on a fee-paying basis on RA courts.

Priority of Play

- COURT CHANGES ARE MADE ON THE HOUR.
- Play is limited to one hour for singles and two hours for doubles when other players are waiting.
- Players who use the court for a fraction of an hour must vacate on the hour when others are waiting to play.

Reserving A Court

- Players must place a recreation pass or racquet/bag on a hook outside of the gate.
- Failure to display either a racquet or recreation pass means court is not reserved.
- Players reserving courts must remain courtside while waiting to play.
- Players may not reserve courts while playing.
- Reston Association may reserve courts for lessons, tournaments, junior activity, league play and court rentals.
- Check our online calendar at www.reston.org for each individual tennis court daily reservation.

Rules for Court Use

- COURTS ARE TO BE USED FOR TENNIS ONLY.
- Players are required to wear tennis shoes when using the courts.
- Bicycles, skates, skateboards, baby carriages, playpens, strollers, radios and pets are not allowed on the courts.
- Children who are not playing tennis are not allowed on the courts.
- Please dispose of trash in proper receptacles.

Rules Enforcement

- Reston Association and staff and court monitors will enforce the rules of court play. Failure to adhere to the rules will result in loss of court privileges.

VOLUNTEER RESTON

JOIN VOLUNTEER RESTON

Volunteer Reston (VR), housed under the Reston Association, is a network of community members who come together to complete various projects to improve our surroundings and bring the Reston community together.

Our mission is to enhance Reston Association's services and programs by matching the varied talents of individuals and groups of all ages, interests and skills to a variety of engaging projects and endeavors.

CORPORATE DAY OF SERVICE

Volunteer Reston provides meaningful group volunteer experiences, partnering with organizations to design corporate projects that are engaging, educational, and fun. Opportunities can range from half day to full day projects, or a fully customized Corporate Day of Service featuring multiple coordinated volunteer activities tailored to your company's interests on weekdays or weekends.

Through this program, Reston Association (RA) staff plan and manage every aspect of your company's community service project. The result is a true win win: your team helps address important community needs, and the Friends of Reston (FoR) receives valuable support that strengthens their missions. Some of Volunteer Reston's corporate partners include Volkswagen Group, Google, Deloitte, Palo Alto, Cornerstone Defense, Salesforce, Dominion Energy, Fannie Mae, Booz Allen, and others.

Corporate Sponsorship starts at \$500. All Corporate Day of Service projects are coordinated through Friends of Reston, a 501(c)(3) organization that supports RA initiatives. Donations of \$100 or more automatically receive a tax acknowledgement letter from FoR.

NEED SERVICE HOURS FOR SCHOOL?

Many students in Reston and the surrounding areas are required to complete a specific number of community service hours as part of their course or school requirements. Students may be able to finish their service hours by handling shifts at community events, environmental projects, monthly service projects and community cleanups. This also includes scouting organizations that need to complete a community service project.

Contact us to get involved by sharing your talents and skills with others; we can always use a helping hand at our community events, environmental projects

and events at the Nature Center. We understand that people have different availabilities, so you can serve in an ongoing position or just serve at a one-time event.

ENVIRONMENTAL OPPORTUNITIES

Reston Association provides environmental education and stewardship opportunities to volunteers who want to help restore and enhance our community.

Habitat Heroes

A variety of non-native, invasive plant species are present in RA's natural areas. By their nature, these plants can take over an area quickly and threaten our native plant communities and the wildlife that depends on them.

Join one of our workday events to learn how you can help control non-native, invasive plants and preserve the health of our natural areas! Instructions and tools will be provided. Workdays are led by RA Environmental Resource staff.

For all workdays, RA will train volunteers on how to use tools. Volunteers must pre-register.

All ages are welcome. Children under 13 must be accompanied by a responsible adult during their volunteer service.

Workdays:

- June 23, 10 a.m.-Noon, Old Trail Natural Area
- July 25, 10 a.m.-Noon, Wainwright Rec Area

Fall Cleanup

Join Reston Association on October 3 from 10 a.m. - Noon for our annual stream and natural area litter cleanup—part of the international Coastal Cleanup and the largest event coordinated by Clean Virginia Waterways.

Each year, tons of trash from our watersheds wash into the Potomac River and the Chesapeake Bay. Help keep Reston beautiful—join RA at Hunters Woods Village Center and Soapstone Drive (7 11). All ages are welcome; children under 13 must be accompanied by an adult. Here's how you can

make an impact:

- Do your part—it's amazing what a group can accomplish in just a few hours.
- Be part of a statewide—and worldwide—effort to protect our waterways.
- By removing litter from our streams and trails, you'll make a real difference for Reston's watershed.

FRIENDS OF RESTON FALL 5K

Join us on Sunday, Oct. 4 at Browns Chapel Park for the Friends of Reston (FoR) Fall 5K Fundraiser. Volunteer hours are 7:30–10:00 a.m. Friends of Reston is a 501(c)(3) nonprofit that supports the Reston Association through scientific, educational, and charitable projects—including park improvements, camp and tennis scholarships, environmental education, and natural area restoration. Proceeds from the Fall 5K benefit FoR's Youth Scholarships and Enrichment Fund.

Volunteers receive a race volunteer t-shirt and snacks.

Volunteers must be 14 or older; volunteers under 14 may participate with an accompanying adult.

5K Volunteer Positions

- **Course Marshals:** Help keep runners and walkers safe and on course. Volunteers are stationed along the route and should be comfortable using a loud, clear voice, interacting with participants, and standing/walking during the early morning shift. Time commitment: 7:30–10:00 a.m. Orientation required: Saturday, Oct. 3, 11:00 a.m.–12:00 p.m. at Browns Chapel Park.
- **Water Stop Crew:** Be on the other side of the cup! Volunteers arrive about 30 minutes before the race to set up the water station. After participants pass through, volunteers collect used cups, gather trash, and break down tables. Time commitment: 7:30–10:00 a.m. Orientation required: Saturday, Oct. 3, 11:00 a.m.–12:00 p.m. at Browns Chapel Park.

HALLOWEEN HOUSE & TRICK OR TREAT TRAIL

The Walker Nature Center is seeking enthusiastic volunteers for its annual Halloween House & Trick or Treat Trail on Friday, Oct. 23 and Saturday, Oct. 24 (5:30–9:30 p.m.) at Walker Nature Center, 11450 Glade Drive. This family friendly event is not a horror show or haunted house—it's a creative, festive experience filled with costumes, characters, and community fun.

Volunteer details:

- Location: Walker Nature Center 11450 Glade Drive, Reston, VA
- Volunteer Orientation: Wednesday, October 14, 6–7 p.m. at the Nature Center All trail costumed characters must attend orientation.
- Perks: Volunteers receive snacks & food before their shift.
- Age Requirement: Volunteers must be 15 or older to serve as trail characters. Other positions 14+.

Volunteer Positions

- **Trail Costumed Characters:** Show your Halloween spirit! Wear a Nature Center–provided costume and hand out treats at a themed station along the trail. Each station includes a costume and a short script with key talking points to help you get into character.
- **Mascot:** Kids love our full-body, furry Nature Center mascots! Mascot volunteers should have great people skills and be comfortable animating their character without speaking.
- **Mascot Escort:** Assist mascots with getting into costume and guide them safely around the event.
- **Pumpkin Carving (Great for Busy Volunteers!):** Support the event by carving and donating a pumpkin for display at the WNC sundial.
 - Drop-off: Monday, Oct. 19–Thursday, Oct. 22, 9 a.m.–5 p.m., on the Nature Center front porch bench.
 - Include your name with your pumpkin.
 - No carving experience needed.
 - Students earn 1 hour of community service. Thank you for helping bring the magic to life!

For information or to volunteer for any of these opportunities, contact Ha Brock, Volunteer Reston Manager, at ha@reston.org or call 703-435-7986.

Volunteers with a Reston Association VicNet account can log in to register for these opportunities.
