

SELLER'S PROPERTY DISCLOSURE STATEMENT
EXHIBIT "A"

2026 Printing

This Seller's Property Disclosure Statement ("Statement") is an exhibit to the Purchase and Sale Agreement with an Offer Date of _____ for the Property (known as or located at: 245 COTTON FIELD CT

ALPHARETTA, Georgia, 30022. This Statement is intended to make it easier for Seller to fulfill Seller's legal duty to disclose hidden defects in the Property of which Seller is aware. Seller is obligated to disclose such defects even when the Property is being sold "as-is."

A. INSTRUCTIONS TO SELLER IN COMPLETING THIS STATEMENT.

In completing this Statement, Seller agrees to:

- (1) answer all questions in reference to the Property and the improvements on the Property;
- (2) answer all questions fully, accurately and to the actual knowledge and belief of all Sellers (hereinafter, collectively "Knowledge");
- (3) provide additional explanations to all "yes" answers in the corresponding Explanation section below each group of questions (including providing to Buyer any additional documentation in Seller's possession), unless the "yes" answer is self-evident;
- (4) if prior to Closing there are any material changes in the answers to any of the questions, Seller shall promptly revise the Statement and provide it to the Buyer and any Broker involved in the transaction.

B. HOW THIS STATEMENT SHOULD BE USED BY BUYER. Caveat emptor or "buyer beware" is the law in Georgia. Buyer should conduct a thorough inspection of the Property. If Seller has not occupied or recently occupied the Property, Seller's Knowledge of the Property's condition may be limited. Buyer is expected to use reasonable care to inspect the Property and confirm that it is suitable for Buyer's purposes. If an inspection of the Property reveals problems or areas of concern that would cause a reasonable Buyer to investigate further, Buyer should investigate further. A "yes" or "no" answer to a question means "yes" or "no" to the actual Knowledge and belief of all Sellers of the Property. In other words, if a Seller answers "no" to a question, it means Seller either affirmatively knows that the answer to the question is "no" or has no Knowledge whether such condition exists on the Property. As such, Seller's answers should not be taken as a warranty or guaranty of the actual condition of the Property, nor a substitute for Buyer doing its own due diligence.
