ZONING = A-2
Lots No 1 thru 6 are approved for interim individual water and sewage systems and their use is in accordance with the County Comprehensive Water and Sewerage Plan and DHMH Regulation 10.17.03. Area for sewage seepage as indicated on this plat is the only area that is approved. The applicant or any future owner must discontinue use of these individual systems and connect to the community system when the community system becomes available.

I, *Lloyd M. Erickson* OWNER
