

Welcome to the Clackamas County Citizen Access Portal

- **Need to apply for a permit?**
 - You can apply using [Development Direct](#). This is for permits that require plan review and for licensed contractors applying for permits that **do not** require plan review.
 - You can also apply in-person. Click [here](#) to learn about services, hours, and how to contact us.
- **Need to schedule an inspection?**
 - Click the appropriate department below and then **"Schedule and Inspection"** to begin.
 - You can also [download the inspection app](#) or call us at 503-742-4720.
- **Need to search a property for a permit or record history OR access approved plans or documents stored in ACA?"**
 - Click the appropriate department below and then **"Search Applications"** to begin your search.
- **Additional Resources**
 - Check the [Building Permit Responsibility by Jurisdiction](#)
 - To request translation or disability-related accommodations, please contact us at DTDRecords@clackamas.us or 503-742-4240.
