DECLARATION OF PROTECTIVE COVENANTS, CONDITIONS,
RESTRICTIONS AND EASEMENTS

FOR

WESTSIDE VILLAS

THIS DECLARATION is made on the date hereinafter set forth by **ASHTON ATLANTA RESIDENTIAL, L.L.C.**, a Georgia limited liability company (hereinafter sometimes called "Declarant");

W I T N E S S E T H

WHEREAS, Declarant is the owners of the real property described in Exhibit "A" hereof;
and

WHEREAS, Declarant desires to subject the real property described in Exhibit "A" hereof to the provisions of this Declaration to create a residential community of single-family housing and to provide for the subjecting of other real property to the provisions of this Declaration;

NOW, THEREFORE, Declarant hereby declares that the real property described in Exhibit "A" attached hereto and by this reference incorporated herein is hereby subjected to the provisions of this Declaration and shall be held, sold, transferred, conveyed, used, occupied, mortgaged and otherwise encumbered subject to the covenants, conditions, restrictions, easements, assessments and liens, hereinafter set forth, which are for protecting the value and desirability of and which shall run with the title to, the real property hereby and hereafter made subject hereto and shall be binding on all persons having any right, title or interest in all or any portion of the real property now and hereafter made subject hereto, their respective heirs, legal representatives, successors, successors-in-title and assigns and shall inure to the benefit of each owner of all or any portion thereof.

Article 1
Definitions

The following words when used in this Declaration or in any Supplementary Declaration shall have the following meanings:

1.1 "Articles of Incorporation" means the Articles of Incorporation of Westside Villas Townhome Association, Inc., filed with the Georgia Secretary of State and incorporated herein by this reference as may be amended from time to time.

1.2 "Association" means Westside Villas Townhome Association, Inc., a Georgia nonprofit corporation, its successors and assigns.

1.12 "Mortgage" means any and all instruments used for the purpose of encumbering real property in the Community as security for the payment or satisfaction of an obligation, including, without limitation, any mortgage, deed to secure debt or deed of trust.

1.13 "Mortgagee" means the holder of a Mortgage.

1.14 "Occupant" means any Person occupying all or any portion of a Unit or other property located within the Community for any period of time, regardless of whether such Person is a tenant of the Owner of such property.

1.15 "Owner" means the record owner, whether one or more Persons, of the fee simple title to any Unit located within the Community, excluding, however, any Person holding such interest merely as security for the performance or satisfaction of any obligation.

1.16 "Person" includes any individual, individual acting in a fiduciary capacity, corporation, limited partnership, limited liability company, general partnership, joint stock company, joint venture, association, company or other organization, recognized as a separate legal entity under Georgia law.

1.17 "Supplementary Declaration" means an amendment or supplement to this Declaration which subjects additional property to this Declaration and/or imposes additional covenants, conditions, restrictions or easements on the land described therein.

1.18 "Total Association Vote" means the votes attributable to the entire membership of the Association (including votes of Declarant) as of the record date for such action, whether or not such members are present or represented at the meeting, if any, where such votes are to be cast.

1.19 "Unit" shall mean any plot of land within the Community, whether or not improvements are constructed thereon, which constitutes or will constitute, after the construction of improvements, a single dwelling site, as shown on the subdivision plat(s) for the Community, recorded in the land records of Fulton County, Georgia. Each Unit is attached by party wall(s) to one or more other Units so that the boundary between Units is a line running along the center of the party wall separating the Units. The ownership of each Unit shall include the exclusive right to use and possession of any and all portions of the heating and air conditioning units which are appurtenant to and serve each Unit (including, but not limited to, compressors, conduits, wires and pipes) and any porch, deck, patio, steps, wall, roof, foundation, sunroom or any similar appurtenance as may be attached to a Unit when such Unit is initially constructed. The ownership of each Unit shall include, and there shall automatically pass with the title to each Unit as an appurtenance thereto, whether or not separately described, membership in the Association and all of the rights and interest of an Owner in the Common Property, as herein provided.

1.20 "Westside Declarant" means the declarant under the Master Declaration as that term is defined therein, being Cousins Properties Incorporated, a Georgia corporation and its successors-in-title and assigns.

Article 2

Property Subject To This Declaration

2.1 Property Hereby Subjected To This Declaration. The real property which is, by the recording of this Declaration, subject to the covenants, conditions, restrictions and easements hereinafter set forth and which, by virtue of the recording of this Declaration, shall be held, transferred, sold, conveyed, used, occupied and encumbered subject to this Declaration is the real property described in Exhibit "A" attached hereto and by this reference made a part hereof.

2.2 Unilateral Annexation By Declarant. As the owner thereof or, if not the owner, with the consent of the owner thereof, the Declarant shall have the unilateral right, privilege, and option from time to time at any time until ten (10) years after the recording of this Declaration to subject all or any portion of the real property described in Exhibit "B" attached hereto and by this reference incorporated herein, to the provisions of this Declaration and the jurisdiction of the Association by filing for record in the county in which the property to be annexed is located a Supplementary Declaration describing the property being subjected. Declarant intends to annex hereto the property contained in Declarant's land plan for the development as amended from time to time which property is a portion of the property described in Exhibit "B". However, inclusion of property on Declarant's land plan or in Exhibit "B" shall not obligate the Declarant to subject such property to the Declaration, nor shall exclusion of property from the initial land plan bar Declarant from subjecting such property to the Declaration. Any annexation shall be effective upon the filing for record of a Supplementary Declaration unless a later effective date is provided therein. As long as covenants applicable to the real property previously subjected to this Declaration are not changed and as long as rights of existing Owners are not adversely affected, the Declarant may unilaterally amend this Declaration to reflect the different character of any such annexed real property. If any land is not subjected to this Declaration, Declarant's reserved rights shall not impose any obligation on Declarant to impose any covenants and restrictions similar to those contained herein upon such additional land nor shall such rights in any manner limit or restrict the use to which such additional land may be put by Declarant or any subsequent owner thereof, whether such uses are consistent with the covenants and restrictions imposed hereby or not.

2.3 Other Annexation. Upon the written consent of: (a) the owner(s) thereof; (b) the Declarant; and (c) the Owners of at least two-thirds of the Units, the Association may annex real property to the provisions of this Declaration and the jurisdiction of the Association by filing a Supplementary Declaration describing the property being annexed for record in Cobb County, Georgia. Any such Supplementary Declaration shall be executed on behalf of the Association by the President of the Association whose signature shall be attested by the Secretary of the Association. The annexation shall be effective only upon the filing for record of such Supplementary Declaration, unless a later effective date is provided therein.

2.4 Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex additional property pursuant to this Article for the purpose of removing any portion of the Community then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community.

Article 3

Association Membership and Voting Rights

3.1 Membership. Every Person who is the record owner of a fee or undivided fee interest in any Unit that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate the Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Unit. Membership shall be appurtenant to and may not be separated from ownership of a Unit. The rights and privileges of membership, including the right to hold office, may be exercised by a member or the spouse of a member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of the officers and directors appointed by the Declarant.

3.3 Membership in Master Association. Every Owner, by acceptance of a deed to a Unit, acknowledges that the Unit is a portion of the Entire Property, as such term is defined in the Master Declaration, and therefore each Unit is subject to the provisions of the Master Declaration. As provided in the Master Declaration, the Association shall be deemed the "Owner" of the Community and each individual Unit Owner shall have no membership or representation in the Master Association other than through the Association.

3.2 Voting. Members shall be entitled to one vote for each Unit owned. When more than one Person holds an ownership interest in a Unit, the vote for such Unit shall be exercised as those Owners themselves determine and advise the Secretary prior to any meeting or referendum. The vote attributable to a Unit shall be suspended in the event more than one Person seeks to exercise it. The Board of Directors may suspend the voting rights of an Owner for any period during which any past due assessment against any Unit of the Owner remains unpaid; and, for a reasonable period of time for an infraction of the Declaration, Bylaws or rules and regulations.

3.3 Voting - Master Declaration. For purposes of effecting ways and means of smooth and efficient communication between the Westside Declarant and/or the Master Association and Owners of Units in the Community, the Westside Declarant and/or the Master Association shall be entitled to communicate and deal with the Association in all matters affecting the Owners of Units, and the President of the Association shall be deemed the representative of the Association for the purpose of attending all meetings of the Master Association, and voting. Unless otherwise required, each Owner shall be represented at any meeting of the owners of the Master

4.4 Special Assessments. The Association may levy a special assessment if approved by two-thirds (2/3) of the Total Association Vote and the Declarant; provided, however, in the event the total amount of special assessments allocable to each Unit does not exceed Three Hundred Dollars (\$300.00) in any one fiscal year, the Board may unilaterally impose the special assessment without the need for a vote of the Members. Special assessments shall be paid as determined by the Board. The Board may permit a special assessment to be paid in installments extending beyond the fiscal year in which the special assessment is imposed.

-7-

benefit received; and (b) expenses of the Association which benefit all Units, but which do not provide an equal benefit to all Units, may be assessed equitably among all Units according to the benefit received.

4.6 Subordination of Liens to Mortgages. The lien of all assessments authorized herein is hereby made subordinate to the lien of any first Mortgage placed on a Unit if, but only if, all assessments and charges with respect to such Unit authorized herein having a due date on or prior to the date of the Mortgage as filed of record have been paid. The lien hereby subordinated is only such lien as relates to assessments and charges authorized hereunder having a due date subsequent to the date such Mortgage is filed of record and prior the satisfaction, cancellation or foreclosure of such Mortgage or the sale or transfer of the Unit pursuant to any proceeding in lieu of foreclosure or the sale or transfer of the Unit pursuant to a sale under power contained in such Mortgage. Such subordination is merely a subordination and shall not relieve the Owner of the Unit of the personal obligation to pay all assessments coming due during such period of ownership; shall not relieve such Unit from the lien provided for herein (except to the extent a subordinated lien is extinguished as a result of such subordination as against a Mortgagee or such Mortgagee's assignee or transferee by foreclosure or by sale under power); and no sale or transfer of such Unit to the Mortgagee or to any other Person pursuant to a decree of foreclosure, or pursuant to any other proceeding in lieu of foreclosure or pursuant to a sale under power, shall relieve any existing or previous Owner of such Unit of any personal obligation or relieve such Unit or the then Owner of such Unit from liability for any assessment authorized hereunder become due after such sale and transfer.

4.7 Remedies of the Association. Any assessments or installments thereof which are not paid when due shall be delinquent. In addition to the lien rights, the personal obligation of the then Owner to pay such assessments shall remain such Owner's personal obligation and shall also pass to such Owner's successors-in-title. Such Owner shall nevertheless remain as fully obligated as before to pay to the Association any and all amounts which such Owner was obligated to pay immediately preceding the transfer; and such Owner and such successors-in-title shall be jointly and severally liable with respect thereto, notwithstanding any agreement between such Owner and such successors-in-title creating any indemnification of the Owner or any relationship of principal and surety as between themselves. Any assessment or installment thereof delinquent for a period of more than ten (10) days shall incur a late charge in the amount of the greater of Ten (\$10.00) Dollars or Ten percent (10%) of the amount due. The Association may cause a notice of delinquency to be given to any Owner who has not paid within ten (10) days following the due date. In the event that the assessment remains unpaid after sixty (60) days, the Association may institute suit to collect such amounts and/or to foreclose its lien. The Association may file a claim of lien with the Office of the Clerk of Superior Court of Fulton County, Georgia, but no such claim of lien shall be required to establish or perfect the lien for unpaid assessments. Each Owner, by acceptance of a deed vests in the Association the right and power to bring all actions against such Owner personally, for the collection of such charges as a debt or to foreclose the lien. The lien provided for in this Declaration shall be in favor of the Association and shall be for the benefit of all Owners. The Association shall have the power to bid on the Unit at any foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Association may also suspend the membership rights of the delinquent Owner, including the

4.9 Budget Deficits During Declarant Control. For so long as the Declarant has the authority to appoint the directors and officers of the Association, Declarant may: (a) advance funds to the Association sufficient to satisfy the deficit, if any, between the actual operating expenses of the Association (but specifically not including an allocation for capital reserves), and the sum of the annual, special and specific assessments collected by the Association in any fiscal year (such advances shall be evidenced by promissory notes from the Association in favor of the Declarant); or (b) cause the Association to borrow such amount from a commercial lending institution at the then prevailing rates for similar loans in the local area of the Community. No Mortgage secured by the Common Property or any of the improvements maintained by the Association shall be given in connection with such loan.

4.11 Estoppel Letter. The Association shall, within five (5) days after receiving a written request therefor and for a reasonable charge, as established by the Board, certify to the amount of any unpaid assessments constituting a lien on a specified Unit. A certification letter signed by an officer of the Association or the Association's managing agent, if any, as to the amount of assessments due with respect to a Unit shall be binding upon the Association.

-9-

be in addition to, not in lieu of, the annual general assessment and shall not be considered an advance payment of such assessment. The initiation fee may be used by the Association for any purpose, including, without limitation, for the payment of operating expenses of the Association and other expenses incurred by the Association pursuant to the provisions of this Declaration.

Article 5

Maintenance; Common Property

5.1 Association's Maintenance Responsibility. The Association shall maintain and keep in good repair the Common Property. This maintenance shall include, without limitation, maintenance, repair and replacement of all landscaping and improvements situated on the Common Property. The Association shall also maintain (whether or not constituting Common Property): (a) all entry features and entry area landscaping in the Community; (b) the exterior portions of all Units as provided in Section 5.4 hereof; (c) landscaping improvements located on the exterior portions of the Community, including parks, open space, medians and islands, and as provided in Section 5.5 herein; (d) any irrigation system and the expenses for water and electricity, if any, provided to all entry features and Community landscaping; (e) Community street signs and street lights, including the expenses for electricity provided to all street lights; (f) all private Community streets, roads, paths and sidewalks; (g) storm water detention/retention ponds and storm water drainage facilities serving the Community, if and to the extent such facilities are not maintained by a governmental entity; (h) perimeter walls and fencing in the Community, if any; (i) all water and sanitary sewer pipes or facilities that serve more than one Unit if and to the extent the same are not maintained on an ongoing basis by a governmental entity; (j) driveways and walkways serving a Unit; (k) any Community mailbox area(s); and (l) the recreational amenities serving the Community including, without limitation, the maintenance required under the Easement Agreement. Accordingly, and without limitation, the Association shall maintain the recreational amenities consisting primarily of the swimming pool and appurtenant facilities, and shall share in the costs of such maintenance with the Westside Commons Condominium Association, Inc. as provided in said Easement Agreement. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Community and to enter into easements and covenant to share costs agreements regarding such property where the Board has determined that such action would benefit the Owners. In the event that the Association determines that the need for maintenance, repair, or replacement, which is the responsibility of the Association hereunder, is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees or invitees of an Owner, then the Association may perform such maintenance, repair or replacement and all costs thereof, not paid for by insurance, shall be assessed against the Owner as a specific assessment. Any common irrigation system installed by the Declarant or the Association shall be Common Property, operated, maintained, repaired and replaced by the Association. The deed of conveyance of any Unit shall not include any right, title or interest in such irrigation system, if any.

5.2 Owner's Maintenance Responsibility. Except for maintenance performed on a Unit by the Association pursuant to Sections 5.1, 5.4 and 5.5 hereof, all maintenance of the Unit and all structures and other improvements thereon shall be the sole responsibility of the Owner

thereof, who shall maintain such Unit in a manner consistent with this Declaration. Such maintenance obligation shall include, without limitation, the following: prompt removal of all litter, trash, refuse, and waste; keeping improvements, and exterior lighting in good repair and working order; complying with all governmental health and police requirements; and repair of exterior damage to improvements. In addition, Owners shall maintain any pipe(s), wire(s) and conduit(s) which serve only the Unit, whether said pipe(s), wire(s) or conduit(s) are located within or outside of a Unit's boundaries. In the event that the Board of Directors determines that any Owner has failed or refused to discharge properly any of such Owner's obligations with regard to the maintenance, repair or replacement of items for which such Owner is responsible hereunder, the Association shall, except in an emergency situation, give the Owner written notice of the Association's intent to provide such necessary maintenance, repair or replacement at the Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary. The Owner shall have ten days after receipt of such notice within which to complete such maintenance, repair or replacement, or, in the event that such maintenance, repair or replacement is not capable of completion within a ten-day period, to commence such work which shall be completed within a reasonable time. If any Owner does not comply with the provisions hereof, the Association may provide any such maintenance, repair or replacement and all costs thereof shall be assessed against the Owner and the Unit as a specific assessment.

5.3 Party Walls. Each wall or fence whether built as part of the original construction of the Units or added pursuant to Article 6 hereof which shall serve and separate any two (2) adjoining Units shall constitute a party wall or fence and, to the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligent or willful acts or omissions shall apply thereto. The cost of reasonable repair and maintenance of a party wall or fence shall be shared by the Owners who make use of the wall or fence in equal proportions. If a party wall or fence is destroyed or damaged by fire or other casualty, then any Owner who has benefited by the wall or fence may restore it, and the other Owner who is benefited by the wall or fence shall contribute one-half of the cost of restoration, without prejudice, however, to the right of any Owner to call for a larger contribution from any other Owner under any rule of law regarding liability for negligent or willful acts or omissions.

5.4 Unit Maintenance. As provided in Section 5.1 above, the Association shall maintain and keep in good repair the exterior portions of all Units of the Community. Maintenance by the Association of exterior portions of Units shall include the following: (a) exterior surfaces of garage doors; (b) all roofs, downspouts and gutters; (c) all exterior building surfaces with the exception of hardware and glass; provided, however, the Association shall not be responsible for waterproofing foundations either above or below grade; and (d) all driveways and walkways serving a Unit. The Association shall not be responsible for maintaining and keeping in good repair the following: (i) steps, decks (whether enclosed or not) and deck surfaces, patios (whether enclosed or not) and patio surfaces and landscaping within the patios, planters and courtyards, if any, of the Units; (ii) HVAC or similar equipment located outside the Units; (iii) all doors, including screen and storm doors, hinges, frames and door frames and hardware which are part of the entry system; (iv) hose bibs contained in exterior walls of a Unit; (v) lighting fixtures

pertaining to a particular Unit and being located outside an entryway or in a garage; (vi) window screens, window frames and glass; (vii) foundations and footings, including waterproofing; and (viii) pipes which serve only one (1) Unit whether located within or outside of the Unit's boundaries. The Board of Directors may promulgate rules setting forth the extent of maintenance to be performed by the Association and may assume responsibility for providing additional maintenance as long as Units have equal rights to maintenance. The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform maintenance hereunder on behalf of the Association.

5.5 Yard Maintenance As provided in Section 5.1 above, the Association shall maintain and keep in good repair the landscaping improvements located on the exterior portions of the Community, including green space and open space. The Board of Directors in its sole discretion may leave portions of the Community as undisturbed natural areas and may change the landscaping in the Community at any time and from time to time or may, with the consent of the Declarant, change the level of yard maintenance performed or for example maintain front yards only. Any common irrigation system installed by the Declarant or the Association shall be Common Property, operated, maintained, repaired and replaced by the Association. The deed of conveyance of any Unit shall not include any right, title or interest in such irrigation system, if any. The Board of Directors may promulgate rules setting forth the extent of landscaping maintenance to be performed by the Association and the rights of Owners with respect to adding or modifying landscaping improvements, including, for example allowing seasonal flowering plants in certain areas of the Community at the expense of the Owner.

5.6 Conveyance of Common Property by Declarant to Association; No Implied Rights. The Declarant may transfer or convey to the Association at any time and from time to time any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be accepted by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and maintained by the Association for the benefit of its members. So long as Declarant owns any property primarily for development and/or sale in the Community or Declarant has the right unilaterally to annex additional property to the Declaration, Declarant may, upon written notice to the Association, require the reconveyance by the Association to Declarant of any Common Property or any portion thereof, improved or unimproved, at no charge to Declarant, without a vote of the Owners/members of the Association, if the Common Property or portion thereof is: (i) found by Declarant to have been conveyed in error, (ii) needed by Declarant to make adjustments in property boundary lines, or (iii) reasonably determined by Declarant to be needed by Declarant due to changes in the overall scheme of development for the Community. The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept on behalf of the Association any conveyance to the Association and to execute on behalf of the Association any and all documents, including, without limitation, deeds and transfer tax declaration forms, necessary or convenient to effectuate and document any such conveyance to the Association. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. . The Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey

5.7 Partition. The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of all Owners of all portions of the property located within the Community and without the written consent of all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Units.

5.9 Liability. Owners, Occupants and their guests shall use the Common Property and all portions of the Community not contained within a Unit at their own risk and shall assume sole responsibility for their personal belongings used or stored thereon. The Association, the Declarant and its respective officers, directors, employees, representatives and agents shall not be held liable for personal injury to any person, nor for loss or damage to personal belongings used or stored on the Common Property or any other portion of the Community. The Association shall not be liable for injury or damage to any Person or property (a) caused by the elements or by an Owner or any other Person, (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, or (c) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner or Occupant for loss or damage, by theft or otherwise, of any property of such Owner or Occupant.

5.10 Measures Related to Insurance Coverage.

(a) The Board of Directors shall have the authority to require all or any Unit Owner(s) to do any act or perform any work involving portions of the Community that are the maintenance responsibility of the Unit Owner which will, in the Board's sole discretion, decrease the possibility of fire or other damage to any improvements located in the Community, reduce the insurance premium paid by the Association for any insurance coverage, or otherwise assist the Board in procuring or maintaining such insurance coverage. This authority shall include, but need not be limited to, requiring all Owners to turn off cut-off valves, which may now or hereafter be installed, during winter months for outside water spigots; requiring Owners to insulate pipes sufficiently or take other preventive measures to prevent freezing of water pipes; requiring Owners to install smoke detectors; requiring Owners to make improvements to the Owner's Unit; and such other measures as the Board may reasonable require, so long as the cost of such work does not exceed the amount of the annual general assessment applicable to the Unit in any twelve (12) month period.

(b) In addition to, and not in limitation of, any other rights the Association may have, if any Unit Owner does not comply with any reasonable requirement made by the Board pursuant to Section 5.10(a) above, the Association, upon fifteen (15) days' written notice (during which period the Unit Owner may perform the required act or work without further liability), may perform such required act or work at the Unit Owner's sole cost. Such cost shall be a specific assessment and a lien against the Unit and shall be collected as provided herein for the collection of assessments. The Association shall have all rights necessary to implement the requirements mandated by the Board pursuant to Section 5.10(a) above, including, but not limited to, a right of entry during reasonable hours and after reasonable notice to the Owner or Occupant of the Unit, except that access may be had at any time without notice in an emergency situation.

Article 6

Architectural Standards

6.1 Master Declaration Approval. All approvals required under the Master Declaration must be obtained by Owners of a Unit prior to and in addition to any approval that may be required under Article 6 of this Declaration.

6.2 General. No exterior construction, alteration or addition of any improvements of any nature whatsoever (including, without limitation, staking, clearing, excavation, grading, filling, construction of impervious surface, building, exterior alteration of existing improvements, storm and screen doors, storm windows, change in the exterior color of any existing improvement and planting and removal of landscaping materials), shall be commenced or placed upon any part of the Community unless, installed by the Declarant, approved in accordance with this Article, or otherwise expressly permitted under this Declaration. Any Owner may remodel, paint or redecorate the interior of structures on the Unit without approval hereunder. However, modifications to the interior of porches, patios and similar portions of a structure visible from outside the Unit shall be subject to approval. No approval shall be required to repaint the exterior of a structure in accordance with the originally approved color scheme. This Article

shall not apply to the activities of the Declarant or affiliates of the Declarant, nor to improvements by or on behalf of the Association. This Article may not be amended without the written consent of the Declarant until (a) Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Unit has been improved with a dwelling for which a certificate of occupancy has been issued.

6.3 Guidelines and Procedures. Except as provided above, no exterior construction, addition or alteration shall be made unless and until plans and specifications shall have been submitted in writing to and approved by the Declarant. Such plans and specifications shall be of sufficient detail to allow the Declarant to make its review and to the extent required by the Declarant shall show the nature, kind, shape, height, materials and location of the proposed improvement. The Declarant may adopt written architectural guidelines and application and review procedures, which may provide for a review fee. The Declarant shall have sole and full authority to prepare and to amend, from time to time at its sole discretion and without notice, the architectural guidelines. The Declarant shall make the architectural guidelines available to Owners who seek to engage in construction upon all or any portion of the Community and such Owners shall conduct their operations strictly in accordance therewith. If the Declarant fails to approve or to disapprove submitted plans and specifications within thirty (30) days after receipt of all required plans and specifications, such approval shall be deemed denied. The Declarant shall be the sole arbiter of such plans and may withhold approval for any reason, including, without limitation, purely aesthetic considerations, and it shall be entitled to stop any construction in violation of any provision of this Declaration. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications.

6.4 Limitation of Liability. Plans and specifications are not approved for engineering or structural design or quality of materials and by approving such plans and specifications the Declarant assumes no liability or responsibility therefor or for any defect in any structure constructed from such plans and specifications. Neither Declarant or the Association, nor the officers, directors, members, employees and agents of either of them shall be liable in damages to anyone submitting plans and specifications to any of them for approval or to any Owner of property affected by these restrictions by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval or failure to approve or disapprove any such plans or specifications. Every Person who submits plans and specifications and every Owner agrees that such Person or Owner will not bring any action or suit against the Declarant or the Association, or the officers, directors, members, employees and agents of either of them to recover any damages and hereby releases, remises, quitclaims and covenants not to sue for all claims, demands and causes of action arising out of or in connection with any judgment, negligence or nonfeasance and hereby waives the provisions of any law which provides that a general release does not extend to claims, demands and causes of action not known at the time the release is given.

6.5 No Waiver. The approval of the Declarant of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter

requiring approval or consent of the Declarant, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications or drawings or matters whatever subsequently or additionally submitted for approval or consent.

6.6 Variances. Notwithstanding anything to the contrary contained herein, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration and the architectural guidelines if it determines that waiver of application or enforcement of the provision in a particular case is dictated by unique circumstances, such as, but not limited to, topography, natural obstructions, hardship, aesthetic considerations or environmental considerations and would not be inconsistent with the overall scheme of development for the Community. No variance shall (a) be effective unless in writing, (b) be inconsistent with the overall scheme of development for the Community, or (c) estop the Declarant from denying a variance in other similar circumstances. For purposes of this provision, the inability to obtain approval of any governmental agency or the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

6.7 Enforcement. Any structure or improvement placed or made in violation of this Article shall be deemed to be nonconforming. Upon written request from the Declarant, Owners shall, at their own cost and expense, remove such nonconforming structure or improvement and restore the land to substantially the same condition as existed prior to the nonconforming work. Should an Owner fail to remove and restore as required, the Declarant and its agents shall have the right to enter the property, remove the nonconforming structure or improvement, and restore the property to substantially the same condition as previously existed. In addition to, or in lieu of, the Association may elect to impose fines for non-compliance with this Article as provided in Article 12, hereof. All costs, including, without limitation, attorney's fees, may be assessed against the Unit as a specific assessment.

6.8 Architectural Review Committee. Until (a) the Declarant no longer has the right to unilaterally annex additional property to the Community; and (b) each Unit has been improved with a dwelling for which a certificate of occupancy has been issued, the Declarant shall have the sole right, power and authority under this Article. There shall be no surrender of this right except in a written instrument in recordable form executed by Declarant and recorded in the land records of the Clerk of the Superior Court of Fulton County, Georgia. Upon expiration or earlier surrender in writing of all or a portion of such right and authority, the Board of Directors shall automatically constitute the Architectural Review Committee of the Association, and shall then have such jurisdiction over architectural control under this Article as may have been relinquished by the Declarant. After the termination of all rights of Declarant hereunder, the Board of Directors shall have all right, power and authority to review and approve building and construction activity within the Community and this Article shall then be read and interpreted as if any reference to the authority of or action by the Declarant in this Article 6 were a reference to the authority of or action by the Board of Directors.

Article 7
Use Restrictions and Rules

7.1 Rules and Regulations. The Board of Directors may, from time to time, with the consent of Declarant and without a vote of the members, promulgate, modify or delete rules and regulations applicable to the Community. Such rules and regulations shall be distributed to all Owners prior to the date that they are to become effective and shall thereafter be binding upon all Owners and Occupants until and unless overruled, canceled or modified by a majority of the Total Association Vote and the consent of Declarant.

7.2 Residential Use. Each Unit shall be used for residential purposes exclusively. Leasing of a Unit for residential occupancy shall not be considered a business or business activity. No trade or business of any kind may be conducted in or from a Unit, except that the Owner or Occupant in residence at the Unit may conduct business activities within the house so long as the business activity: (a) does not otherwise violate the provisions of the Declaration or Bylaws; (b) is not apparent or detectable by sight, sound or smell from the exterior of the Unit; (c) does not unduly increase traffic flow or parking congestion; (d) conforms to all zoning requirements for the Community; (e) does not increase the insurance premium paid by the Association or otherwise negatively affect the ability of the Association to obtain insurance coverage; (f) is consistent with the residential character of the Community; (g) does not constitute a nuisance or a hazardous or offensive use; and (h) does not threaten the security or safety of other residents of the Community, all as may be determined in each case in the sole discretion of the Board of Directors. The Board may issue rules regarding permitted business activities. The terms "business" and "trade", as used in this provision, shall be construed to have their ordinary, generally accepted meanings and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to Persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (x) the activity is engaged in full or part-time; (y) the activity is intended to or does generate a profit; or (z) a license is required for the activity.

7.3 Signs. No sign of any kind shall be erected or displayed within the Community without the prior written consent of the Declarant or, after the termination of the rights of Declarant hereunder, the Board of Directors. Notwithstanding the foregoing, the Board and the Declarant shall have the right to erect reasonable and appropriate signs. For-sale signs and security signs not larger than 18-inches by 18-inches and any signs required by legal proceedings may be erected upon any Unit. The provisions of this Section shall not apply to any Mortgagee in possession due to foreclosure of a first Mortgage or as grantee pursuant to any deed in lieu of such foreclosure. The Board may impose a fine of One-Hundred and Fifty and No/100 Dollars (\$150.00) per day for display of any sign in violation of this provision which is not removed within twenty-four hours after written demand is delivered to the Owner at that Unit.

7.4 Vehicles; Parking. Vehicles shall be parked only in appropriate parking spaces serving the Unit or other designated areas, if any. No on-street parking, other than in connection with special events as approved by the Board of Directors, shall be permitted within the

Community. Notwithstanding the foregoing, the Declarant, and its respective agents, subcontractors and assigns shall have the right, during regular business hours, to park vehicles on any and all streets within the Community as needed in order facilitate the construction, development and build out of the Community. The term "vehicles," as used herein, shall include, without limitation, motor homes, boats, trailers, motorcycles, minibikes, scooters, go-carts, golf carts, trucks, campers, buses, vans and automobiles. The term "parking areas" shall refer to the number of garage parking spaces and the spaces located in the driveway of each Unit. All homes shall contain a garage; carports shall not be permitted. Garage doors should be kept closed at all times, except during times of ingress and egress from the garage. No vehicle may be left upon any portion of the Community, except in a garage or other area designated by the Board, for a period longer than five days if it is not licensed or if it is in a condition such that it is incapable of being operated upon the public highways. After such five-day period, such vehicle may be removed from the Community by the Board of Directors. Any towed vehicle, boat, personal watercraft, recreational vehicle, motor home, trailer, motorcycle, minibike, scooter, go-cart, golf cart, commercial truck, camper, bus or mobile home regularly stored in the Community or temporarily kept in the Community, except if kept in a garage, for periods longer than 24 hours may be removed from the Community by the Board of Directors. Trucks with mounted campers which are used as a primary means of transportation shall not be considered recreational vehicles provided they are used on a regular basis for transportation and the camper is stored out of public view upon removal. No eighteen wheel trucks or the cabs of such trucks or trucks with a load capacity in excess of three-quarters of a ton shall be parked, kept or stored within the Community except during the time reasonably necessary to provide service or delivery within the Community.

If any vehicle is parked on any portion of the Community in violation of this Section or in violation of the Association's rules and regulations, the Board or agent of the Association may place a notice on the vehicle specifying the nature of the violation and stating that after twenty-four (24) hours the vehicle may be towed. The notice shall include the name and telephone number of the person or entity that will do the towing and the name and telephone number of a person to contact regarding the alleged violation. If twenty-four (24) hours after such notice is placed on the vehicle the violation continues or thereafter occurs again within six (6) months of such notice, the Board or agent of the Association may have the vehicle towed in accordance with the notice, without further notice to the Owner or user of the vehicle.

If a vehicle is parked in a fire lane, is blocking another vehicle, is obstructing the flow of traffic, is parked on any landscaped area, or otherwise creates a hazardous condition, no notice shall be required and the Board or agent of the Association may have the vehicle towed immediately. If a vehicle is towed in accordance with this subparagraph, neither the Association nor any officer or agent of the Association shall be liable to any person for any claim of damage as a result of the towing activity. Notwithstanding anything to the contrary herein, the Board may elect to impose fines or use other available sanctions, rather than exercise its authority to tow.

7.5 Animals and Pets. No animals, livestock or poultry of any kind may be raised, bred, kept or permitted on any Unit, with the exception of dogs, cats or other usual and common

household pets in reasonable number as determined by the Board. No pets shall be kept, bred or maintained for any commercial purpose. Dogs shall at all times when outside the Unit be kept on a leash or otherwise under control. All pets shall be registered, licensed and inoculated if and as required by law. Animal control authorities shall be permitted to enter the Community to patrol and remove unlicensed pets. An Owner shall not allow any animal waste to remain on the Common Property, Community open space, or any landscaped area maintained by the Association.

7.6 Nuisance. It shall be the responsibility of each Owner and Occupant to prevent the development of any unclean, unhealthy, unsightly or unkempt condition on a Unit. No property within the Community shall be used, in whole or in part, for the storage of any property or thing that will cause such Unit to appear to be in an unclean or untidy condition; nor shall any substance, thing or material be kept that will emit foul odors or that will cause any noise or other condition that will or might disturb the peace, quiet, safety, comfort or serenity of the occupants of surrounding property. No activity that the Board of Directors determines to be noxious or offensive shall be carried on within the Community. No plants, animals, device or thing of any sort shall be maintained in the Community whose activities or existence is in any way noxious, dangerous, unsightly, unpleasant or of a nature as may in the reasonable opinion of the Board of Directors diminish or destroy the enjoyment of the Community by other Owners and Occupants.

7.7 Unsightly or Unkempt Conditions. The pursuit of hobbies or other activities, including specifically, without limiting the generality of the foregoing, the assembly and disassembly of motor vehicles and other mechanical devices, which might tend to cause disorderly, unsightly or unkempt conditions, shall not be pursued or undertaken in any part of the Community.

7.8 Antennae. No exterior antenna, receiving dish or similar apparatus of any kind for receiving or transmitting of radio or video signals shall be placed, allowed or maintained upon any portion of the Community, including any Unit, unless approved in accordance with the provisions of Article 6 hereof; provided, however, no such approval shall be necessary to install (a) antennas designed to receive direct broadcast satellite services, including direct-to-home satellite services, that are one meter or less in diameter; (b) antennas designed to receive video programming services via multi-point distribution services that are one meter or less in diameter or diagonal measurement; or (c) antennas that are designed and intended to receive television broadcast signals. Owners shall install any permitted antennae on the rear of the dwelling unless an acceptable quality signal cannot otherwise be obtained.

7.9 Guns. The use of firearms in the Community is prohibited. The term "firearms" includes, without limitation, B-B guns, pellet guns, archery equipment and firearms of all types.

7.10 Fences. No fence or fencing type barrier of any kind shall be placed, erected, allowed or maintained upon any Unit; provided, however, the Declarant and the Association may erect any type of fence on the Common Property or elsewhere within the Community as they may deem appropriate or as necessary to satisfy the requirements of any law, regulation or governmental entity or for health and safety of Owners and Occupants.

7.11 Air-Conditioning Units. No window air conditioning units may be installed.

7.12 Lighting. Exterior lighting on any Unit shall not be permitted, except for: (a) approved lighting as originally installed on a Unit; (b) seasonal decorative lights; or (c) other lighting approved under and pursuant to Article 6 hereof.

7.13 Artificial Vegetation. No artificial vegetation shall be permitted on the exterior of any property.

7.14 Flags. No flags may be displayed on any Unit without prior written approval in accordance with the provisions of Article 6 hereof; provided, however no such approval shall be required to display the flag of the United States of America and the current flag of the State of Georgia on a Unit in accordance with the provisions of the U.S. Flag Code (36 US Code 10) and usual and customary practice. The Board of Directors of the Association may promulgate reasonable rules and regulations with respect to the display of flags in the Community, including, without limitation, regulating the size of flags that may be displayed.

7.15 Energy Conservation Equipment. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless approved in accordance with the provisions of Article 6 hereof.

7.16 Clotheslines. No exterior clotheslines of any type shall be permitted upon any Unit.

7.17 Yards. Owners shall not add trees, shrubs, bushes, plants or other vegetation to the exterior portions of the Community maintained by the Association without the prior written consent of the Board of Directors.

7.18 Window Treatments. All Unit windows shall have window treatments and any portion thereof visible from outside the Unit shall be white or off-white in color, unless otherwise approved in accordance with Article 6 hereof. No foil or other reflective materials shall be used on any windows for sunscreens, blinds, shades or for any other purpose.

7.19 Storm and Screen Doors and Windows. Owners shall not add storm and screen doors and storm windows on any Unit without prior approval in accordance with the provisions of Article 6 hereof.

7.20 Drainage. Catch basins, retention ponds, detention ponds, drainage easement areas and related drainage facilities are for the purpose of controlling the natural flow of water only. No obstructions or debris shall be placed in these areas. No Owner may obstruct or alter the drainage flows after location and installation of catch basins, retention ponds, detention ponds, drainage swales, storm sewers or storm drains without approval in accordance with the provisions of Article 6 hereof.

7.21 Garbage Cans, Firewood, Etc. All garbage cans, firewood and other similar items shall be stored within the garage of the Unit. All rubbish, trash and garbage shall be regularly removed and shall not be allowed to accumulate. The Association may contract with a private trash collection company to pick up all usual and customary household trash on a regular basis. While the removal of normal household trash will be covered by any such contract, additional charges may be incurred for the removal of used appliances or other large items. Any such additional charges incurred by the Association may be Specifically Assessed against the applicable Unit pursuant to Section 4.5 hereof. Trash and recycling receptacles shall be placed at the curb no earlier than 5:00 p.m. the day before pick up and shall be removed within twenty-four (24) hours. Trash pick up shall also be subject to such reasonable rules and regulations as the Board of Directors may adopt.

7.22 Subdivision of Unit. No Unit shall be subdivided or its boundary lines changed except with the prior written approval in accordance with the provisions of Article 6 hereof. Declarant, however, hereby expressly reserves the right to subdivide and/or revise and re-record the subdivision plat of any Unit(s) with the consent of the Owner of the effected Unit(s) and to approve the revision and re-recording of any plat of any Unit(s) owned by any builder or developer, including, but not limited to, changing any Unit to Common Property or creating a public or private street over any Unit or property that was formerly a Unit, without the consent of any Person, other than the Owner(s) of such Unit(s).

7.23 Heating of Units in Colder Months. In order to prevent breakage of water pipes during colder months of the year resulting in damage to Units, increased common expenses, and increased insurance premiums or cancellation of insurance policies due to numerous damage claims, the thermostats within all Units shall be maintained with heating operating and at a minimum of fifty (50°) degrees Fahrenheit during the months of October, November, December, January, February, March, and April. Owners shall take all steps possible on a timely basis to keep heating equipment, including, but not limited to, the thermostat, in good working order and repair. At any time during the months specified above when the heating equipment is not working, the Owner shall immediately inform the Owners of the other Units of this failure of the equipment and of the time needed in order to repair the equipment and shall take reasonable steps to keep the Unit heated sufficiently to prevent the breakage of water pipes.

7.24 Garage Sales. No garage sale, carport sale, yard sale, flea market, or similar activity shall be conducted in any portion of the Community without the prior written consent of the Board of Directors. If so permitted, any such activities shall be subject to all reasonable conditions that the Board may impose.

7.25 Traffic Regulations. All vehicular traffic on the private streets and roads in the Community shall be subject to the provisions of the state and local laws concerning operation of motor vehicles on public streets. The Association is hereby authorized to promulgate, administer, and enforce reasonable rules and regulations governing vehicular and pedestrian traffic, including reasonable safety measures and speed limits and including modifications of those in force on public streets, within the Community. The Association shall be entitled to enforce same by establishing such enforcement procedures as it deems appropriate, including

levying fines for the violation thereof. In the event of a conflict between such provisions of state and local laws and such rules and regulations promulgated by the Association, the rules and regulations of the Association shall govern. Only drivers properly licensed to operate motor vehicles on the public roads within the State of Georgia may operate any type of motor vehicle within the Community. All vehicles of any kind and nature which are operated on the streets in the Community shall be operated in a careful, prudent, safe, and quiet manner and with due consideration for the rights of all Owners and Occupants.

Article 8

Insurance and Casualty Losses

8.1 Insurance. The Board of Directors shall have the authority to and shall obtain insurance for all insurable improvements located on the Common Property or required to be maintained by the Association under Article 5 hereof and blanket insurance for all Units; provided however, the Association's insurance shall not include the Unit Owner's personal property (which shall be the sole responsibility of the Unit Owner). This insurance shall cover loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief and shall be in the amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. Alternatively, the Board may purchase "all risk" coverage in like amounts.

The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its members for all damage or injury caused by the negligence of the Association or any of its members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least One Million (\$1,000,000.00) Dollars. Policies may contain a reasonable deductible as determined by the Board of Directors.

Premiums for all insurance shall be a common expense of the Association.

In addition to other insurance coverage required by this Section, the Board shall obtain workers compensation insurance, if and to the extent necessary to satisfy the requirements of applicable law, and, if available at reasonable cost, as determined in the sole discretion of the Board, a fidelity bond or employee dishonesty coverage covering directors, officers, employees and other Persons handling or responsible for the Association's funds. The amount of fidelity or employees dishonesty coverage, if obtained, shall be determined in the director's best business judgment. Such coverage, if obtained, shall contain a waiver of all defenses based upon the exclusion of Persons serving without compensation and shall not be subject to cancellation, nonrenewal or substantial modification without at least ten (10) days' prior written notice to the Association. The Association shall also obtain construction code endorsements, steam boiler coverage and flood insurance, if and to the extent necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation or the Federal National Mortgage Association.

8.2 Damage and Destruction.

(a) In General. Immediately after the damage or destruction by fire or other casualty to all or any portion of any improvement covered by insurance written in the name of the Association, the Board of Directors shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessary to comply with applicable building codes.

(b) Repair and Construction. Any damage or destruction to property required to be covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, at least seventy-five percent (75%) of the Total Association Vote and the consent of the Declarant, and the Owners of any damaged Units otherwise agree. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. No Mortgagee shall have the right to participate in the determination of whether damage or destruction shall be repaired or reconstructed. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Association's members, levy a special assessment against the Owners of Units who would be responsible for such loss in the absence of insurance or otherwise to the Owners of all Units. Additional assessments may be made in like manner at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, then and in that event the property shall be maintained as an undeveloped portion of the Community by the Association in a neat and attractive condition.

8.3 Insurance Deductible. The deductible for any casualty insurance policy carried by the Association shall, in the event of damage or destruction, be allocated among the Persons who would be responsible for such loss in the absence of insurance. If the loss affects more than one Unit or a Unit and the Common Property, the cost of the deductible may be apportioned and assessed equitably by the Board among the parties suffering loss in accordance with the total costs of repair, unless the insurance policy provided that the deductible will apply to each Unit separately. If any Owner fails to pay the deductible when required hereunder, the Association can pay the deductible and assess the cost to any such Owner pursuant to Article 4 of this Declaration; provided, however, no Owner shall be assessed more than One Thousand Dollars (\$1,000.00) as the cost of the deductible for any one occurrence.

Article 9
Mortgagee Provisions

9.1 Notices of Action. An institutional holder, insurer, or guarantor of a first Mortgage, who provides a written request to the Association (such request to state the name and address of such holder, insurer, or guarantor and the Unit number, therefore becoming an "eligible holder"), will be entitled to timely written notice of: (a) any condemnation loss or any casualty loss which affects a material portion of the Community or which affects any Unit on which there is a first Mortgage held, insured, or guaranteed by such eligible holder; (b) any delinquency in the payment of assessments or charges owed by an Owner of a Unit subject to the Mortgage of such eligible holder, where such delinquency has continued for a period of sixty (60) days; provided, however, notwithstanding this provision, any holder of a first Mortgage, upon request, is entitled to written notice from the Association of any default in the performance by the Owner of the encumbered Unit of any obligation under the Declaration or Bylaws of the Association which is not cured within sixty (60) days; and (c) any lapse, cancellation, or material modification of any insurance policy maintained by the Association.

9.2 Audit. Upon written request of any institutional holder of a first Mortgage and upon payment of all necessary costs, such holder shall be entitled to receive a copy of audited financial statements of the Association within 90 days of the date of the request.

9.3 No Priority. No provision of this Declaration or the Bylaws gives any Owner or other party priority over any rights of a Mortgagee of any Unit in the case of distribution to such Owner of insurance proceeds or condemnation awards for losses to or a taking of the Common Property.

Article 10
Easements

10.1 General. Each Unit shall be subject to those easements, if any, shown or set forth on the recorded subdivision plat for the Community, as amended from time to time as well as the easements now or hereafter established by the Declarant in this Declaration or by any other document recorded in the Office of Superior Court of Fulton County, Georgia.

10.2 Easements for Use and Enjoyment. Every Owner of a Unit shall have a right and easement of ingress and egress, use and enjoyment by the Owner and the Occupants of the Owner's Unit in and to the Common Property which shall be appurtenant to and shall pass with the title to each Unit, subject to the following:
