

Facts, Features, and History

2810 Ashe St.
Durham, NC 27703
3 Bed/2 Bath 1,193 sqft
\$334,000

Updates

2026: New heating and air. HVAC registration certificate in listing documents.

2023: Roof, flooring, kitchen, bathrooms, windows, crawl space, plumbing, electrical, and more. General Contractor used. Permits available in listing documents.

History

The effective age of the home is 2023. The seller renovated it to their standards to be their primary residence. They used a General Contract with permits. The home was built in 1928 and was an 800 sqft two bedroom house with one bathroom. The 2023 transformation turned it into an 1,193 square foot 3 bedroom 2 full bathroom home.
