Inviting Salem home situated on a corner lot with a private fenced backyard and updates inside and out. The refreshed outdoor spaces feature an oversized deck, added pavers and pathways, landscaping, irrigation, and side RV parking, creating plenty of room to gather, garden, relax, or enjoy time outside.

Inside, a fresh color palette and updated finishes create a welcoming feel. The living room features a brick wood burning fireplace, while laminate flooring extends through much of the main living area. The updated kitchen offers quartz countertops, a full height tile backsplash, abundant cabinetry and counter space, double oven, built in microwave, and included refrigerator.

A dedicated laundry room with cabinetry provides additional storage, with a half bathroom. Updated windows, LED lighting, air conditioning, an attached garage, and a roof approximately two years new.
