Dear Reston Community,

As the seasons begin to change, Reston Association continues to provide opportunities for residents to stay active, connected, and engaged in the community we call home. Living in Reston means having recreation woven into everyday life, with access to an impressive range of amenities, programs, and natural spaces that support healthy and active lifestyles year-round.

Reston Association maintains more than 1,350 acres of open space, 55 miles of paved pathways and natural trails, and an extensive network of recreational facilities. From swimming pools and tennis courts to pickleball, boating, camps, and nature programs, there is truly something for everyone to enjoy. Residents can spend time on Reston's four lakes, explore scenic trails, participate in community events, and discover new activities that bring neighbors together.

One of the most unique aspects of recreation in Reston is its connection to nature. Our forests, wetlands, meadows, streams, and lakes provide a beautiful setting for outdoor adventures while supporting environmental stewardship and wildlife habitat conservation. Whether you're taking a morning walk, enjoying a family day at the pool, or participating in a recreational program, Reston's natural environment enhances every experience.

This Fall/Winter Activity Guide highlights a wide variety of programs, events, and opportunities to help you make the most of the season. While summer may be winding down, our pools remain open through September 20, extending the swimming season beyond what most facilities in the region offer. The Nature Center's fall programming is in full swing, providing opportunities for all ages to connect with the outdoors and learn about the natural world around us.

You will also find information about renting space in one of our community buildings for meetings, celebrations, and special events. As the holiday season approaches, be sure to check out details on our Halloween and holiday activities designed to create lasting memories for families and friends. For those looking to sharpen their skills, private lessons in both tennis and pickleball are available and offer personalized instruction for players of all ability levels.

As always, we encourage you to explore something new, reconnect with your favorite activities, and take advantage of the many recreational opportunities available throughout Reston. We look forward to seeing you in our programs, facilities, trails, parks, and community spaces this season.

Wishing you a wonderful fall and winter season.

MEMBER SERVICES

Questions about RA facilities? Need to renew your recreation pass? Look no further than RA's Member Services team, which is available in-person, by phone and online to answer your questions about all of the opportunities available to you as a member of Reston Association.

2026 RECREATION PASSES

(valid January 2 – December 31, 2026)

Reston Association recreation passes are your entry to discovering the many amenities that make Reston so special — from our 15 neighborhood pools with splash pads, slides and spas to our picnic areas, tennis and pickleball courts, pavilions and so much more. What's more, that recreation pass is included with your annual assessment, meaning if you're an RA member, you have access to all of these amenities at no additional charge. Obtain or renew your recreation pass now to take advantage of all Reston has to offer throughout the year.

TO OBTAIN YOUR FREE RECREATION PASS:

ONLINE

Visit www.reston.org/recreation-passes for more information about how to obtain or renew your pass at no charge. Renewal orders will reactivate your current pass. New passes will be shipped free of charge or can be picked up in our main office during business hours. Recreation passes may also be automatically renewed by checking the box on your assessment payment notice.

Renters should provide proof of residency when obtaining or renewing recreation passes.

IN PERSON

You can also obtain or renew your pass by visiting us in person at Reston Association Headquarters, 12001 Sunrise Valley Drive, Reston, VA 20191, Monday-Friday, 8:30 a.m.-5 p.m.

Please visit www.reston.org or call 703-435-6530 for Member Service Office hours.

BRING A GUEST

All pass holders may bring guests to the courts and pools. Single guest passes valid for one day must be purchased at the admission desk at any RA pool or with a court monitor at one of the RA tennis/pickleball courts. Rules and regulations on court and pool access can be found by visiting <https://www.reston.org/recreation-passes>.

Available for purchase online. For assistance, call 703-435-6530 or email member_services@reston.org.

EXPERIENCE THE KENSINGTON RESTON

Forever Together

The Kensington Reston Welcomes & Celebrates Couples

Our team at The Kensington Reston is delighted when couples make our home their own. We honor the life they've shared as one, but with our excellent staff-to-resident ratio, we tailor care and services to meet each partner's unique needs and preferences. As a result, they are better able to enjoy what matters most: pleasant times together, cherished traditions, favorite routines and the warmth of familiar companionship.

With the expertise, compassion and flexibility we provide, couples can:

- Live together or near each other, even if care needs differ
- Preserve the bond they've nurtured while making new memories
- Explore personal interests and hobbies on their own with new friends or engage in activities and entertainment side by side

JOIN US for Our Spousal Caregiver Support Group

Calorie Counting

Winter is a lean time for many animals, when there is not a lot of available food, but staying warm takes energy. Count calories with Nature Center Manager Ken Rosenthal to discover the little tricks our winter wildlife use to maximize their caloric intake and use that energy as efficiently as possible.

406201060 12/17
Thu 7:00 pm - 8:00 pm

Winter Waterfowl

Every winter, waterfowl return to our region to overwinter, escaping the harsh Canadian cold. But it's cold here too. What adaptations help these birds survive living on the water in winter? Celebrate World Waterfowl Day with Nature Center Manager Ken Rosenthal to unlock their secrets of staying warm in our frigid waters.

BRING YOUR OWN BOAT

General Access

Bring your own hand-carried boats (kayaks, canoes, pedal boats, sailboards, inflatable boats, windsurfers, stand-up paddleboards and more!) to Reston Association lakes using a FREE General Access Permit (red sticker). Apply online today at www.reston.org/boating. A General Access Permit gives members permission to take their boat on any RA lake, provided they follow all posted rules.

Permanently Moored Boats

Owners of lakefront property or residents of lakefront clusters may have the ability to permanently moor a boat— for more information, contact watershed@reston.org.

FISHING

Members are encouraged to get out and go fishing on the lakes! Fishing from a boat or RA property is permitted for all members who hold an active Virginia Freshwater License (available online or at local outdoors retailers) or children under 16 years of age. Anglers are encouraged to be mindful of private property and to pay close attention to fishing guidelines posted at www.reston.org/181.

TENNIS & PICKLEBALL

Reston Association's 50+ courts are available for all members and passholders throughout the season, and lessons are available for all ages and skillsets to master their skills. Join a league or just meet up with neighbors for a little fun competition, or check out upcoming tournaments to watch some of the best players in the region.

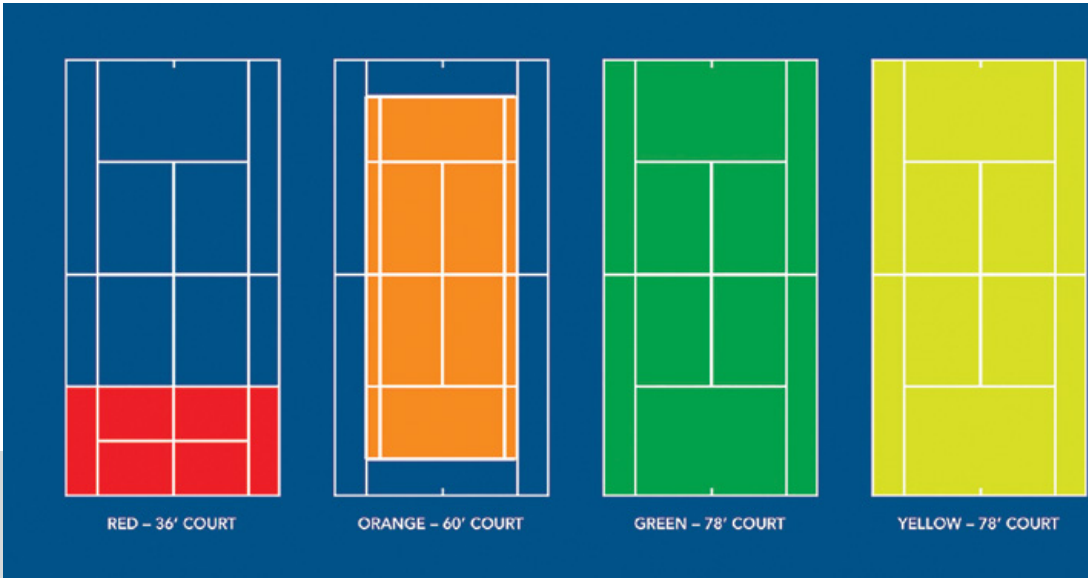

All Reston Association Junior programs follow the USTA standards for player development by using a low-compression ball progression that scales court size, racquet size, and type of ball to the age and size of the player. The ROGY (Red, Orange, Green, Yellow).

RED

Red ball is named after the red foam/felt balls that are used for players that are 3-7 years old. Red balls bounce lower and move more slowly through the air, giving beginning players a chance to set up and take a good swing. Courts at this level are 36 feet long and 18 feet wide.

ORANGE

Once comfortable at the red level, players move to the Orange ball. Typically for ages 8-10. Orange balls bounce higher and move faster than the Red balls but lower and slower than the green balls. They are a step toward the traditional Yellow tennis ball while remaining fun and manageable for players learning the game. Courts at this level are 60 feet by 21 feet.

GREEN

After Orange, the next level is the green dot. Typically for ages 10-12, the Green ball is very similar to the traditional yellow tennis ball but with a slightly lower compression, so it rebounds lower off the court after a bounce. The Green court is the same dimension as the traditional Yellow court: 78 feet by 27 feet.

YELLOW

The Yellow level is what most people know as traditional tennis. Typically ages 12-adults. The balls, courts and racquets at this level are used in high school, college, adult, and professional levels. The court size is 78 feet by 27 feet.

MUNCHKINS TENNIS

Munchkin's tennis programs are a fun, play-based introduction to tennis designed for kids ages 3-5.

PROGRAM HIGHLIGHTS

- **Focus on fun:** The main emphasis is on keeping the children engaged through games, hand-eye drills and exciting, new experiences in every lesson.
- **Fundamental skills:** Classes develop fundamental athletic abilities such as balance, hand-eye coordination, agility and footwork and basic stroke technique.
- **Equipment Needed:** Programs use specialized, age-appropriate equipment to help children succeed. This includes shorter rackets (21-inch), softer balls (red balls), and 36' court dimensions. Bring water and wear closed-toe shoes. Rackets are not supplied for lessons and can be purchased at the Reston Association pro shop.

- **Parental involvement:** All red ball classes are parent-interactive, requiring a parent or guardian to be present on the court with their child.

ORANGE BALL FUTURES

First-Time Orange Ball Futures

This class is designed to make learning easier and more fun by slowing down the pace of play and keeping the ball bouncing at a manageable height. A low-compression orange ball is easier to control and bounces lower than a regular yellow ball. Played on a 60-foot court. The “First Time Futures 1” or “Novice” level is designed for beginners who are new to the orange ball progression and to tennis.

PROGRAM HIGHLIGHTS

- **Fundamental skills:** Learn the basics of forehand and backhand groundstrokes, serving, and volleys. Develop foundational footwork, agility, balance, and coordination, all within the smaller, scaled-down court dimensions.
- **Equipment Needed:** Depending on the player’s height, typically use a 23–25” racket. Bring water and wear closed-toe shoes. Rackets are not supplied for lessons and can be purchased at the Reston Association pro shop.

TENNIS COURT RULES

Who May Use the Courts

- RA members with a valid recreation pass.
- Guests must have a guest pass and be accompanied by the host member.
- Reston Association instructors are the only people permitted to give lessons on a fee-paying basis on RA courts.

Priority of Play

- COURT CHANGES ARE MADE ON THE HOUR.
- Play is limited to one hour for singles and two hours for doubles when other players are waiting.
- Players who use the court for a fraction of an hour must vacate on the hour when others are waiting to play.

Reserving A Court

- Players must place a recreation pass or racquet/bag on a hook outside of the gate.
- Failure to display either a racquet or recreation pass means court is not reserved.

- Players reserving courts must remain courtside while waiting to play.
- Players may not reserve courts while playing.
- Reston Association may reserve courts for lessons, tournaments, junior activity, league play and court rentals.
- Check our online calendar at www.reston.org for each individual tennis court daily reservation.

Rules for Court Use

- COURTS ARE TO BE USED FOR TENNIS ONLY.
- Players are required to wear tennis shoes when using the courts.
- Bicycles, skates, skateboards, baby carriages, playpens, strollers, radios and pets are not allowed on the courts.
- Children who are not playing tennis are not allowed on the courts.
- Please dispose of trash in proper receptacles.

Rules Enforcement

- Reston Association and staff and court monitors will enforce the rules of court play. Failure to adhere to the rules will result in loss of court privileges.

VOLUNTEER RESTON

JOIN VOLUNTEER RESTON

Volunteer Reston (VR), housed under the Reston Association, is a network of community members who come together to complete various projects to improve our surroundings and bring the Reston community together.

Our mission is to enhance Reston Association's services and programs by matching the varied talents of individuals and groups of all ages, interests and skills to a variety of engaging projects and endeavors.

CORPORATE DAY OF SERVICE

Volunteer Reston provides meaningful group volunteer experiences, partnering with organizations to design corporate projects that are engaging, educational, and fun. Opportunities can range from half day to full day projects, or a fully customized Corporate Day of Service featuring multiple coordinated volunteer activities tailored to your company's interests on weekdays or weekends.

Through this program, Reston Association (RA) staff plan and manage every aspect of your company's community service project. The result is a true win win: your team helps address important community needs, and the Friends of Reston (FoR) receives valuable support that strengthens their missions. Some of Volunteer Reston's corporate partners include Volkswagen Group, Google, Deloitte, Palo Alto, Cornerstone Defense, Salesforce, Dominion Energy, Fannie Mae, Booz Allen, and others.

Corporate Sponsorship starts at \$500. All Corporate Day of Service projects are coordinated through Friends of Reston, a 501(c)(3) organization that supports RA initiatives. Donations of \$100 or more automatically receive a tax acknowledgement letter from FoR.

NEED SERVICE HOURS FOR SCHOOL?

Many students in Reston and the surrounding areas are required to complete a specific number of community service hours as part of their course or school requirements. Students may be able to finish their service hours by handling shifts at community events, environmental projects, monthly service projects and community cleanups. This also includes scouting organizations that need to complete a community service project.

Contact us to get involved by sharing your talents and skills with others; we can always use a helping hand at our community events, environmental projects

and events at the Nature Center. We understand that people have different availabilities, so you can serve in an ongoing position or just serve at a one-time event.

ENVIRONMENTAL OPPORTUNITIES

Reston Association provides environmental education and stewardship opportunities to volunteers who want to help restore and enhance our community.

Invasive Species Removal Workdays

This removal opportunity involves removing invasive species and non-native plants throughout our natural areas, allowing native plants to thrive. We'll provide tools, like loppers and weed hand wrenches, or you can bring your own. This project is rewarding for individuals or groups, including kids 13 years old or younger, if accompanied by a responsible adult.

For all workdays, training is provided onsite, and gloves and tools are supplied. Volunteers must pre-register. Workdays

take place from 10 a.m. to noon.

Upcoming Dates:

- Monday, Sept. 21 (Student Holiday), Old Trail Natural Area, Doublefile Viburnum & Stilgrass
- Saturday, Oct. 3, Sunder Court, English Ivy
- Tuesday, Nov. 3, Vantage Hill

Fall Cleanup

Join Reston Association on October 3 from 10 a.m. - Noon for our annual stream and natural area litter cleanup—part of the international Coastal Cleanup and the largest event coordinated by Clean Virginia Waterways.

Each year, tons of trash from our watersheds wash into the Potomac River and the Chesapeake Bay. Help keep Reston beautiful—join RA at Hunters Woods Village Center. All ages are welcome; children under 13 must be accompanied by an adult.

- Do your part—it's amazing what a group can accomplish in just a few hours.

- Be part of a statewide—and worldwide—effort to protect our waterways.
- By removing litter from our streams and trails, you'll make a real difference for Reston's watershed.

Stream Monitoring Program

Age Requirement: All ages are welcome. Children under 13 must be accompanied by an adult.

RA welcomes new volunteers to assist with stream monitoring at several locations throughout Reston. Get involved with a small team during all seasons to collect data and identify insects to assess the health of Reston's streams or attend a one-time stream monitoring workshop to learn about the program. Not only do you get to learn about Reston's streams, but it also provides an opportunity to make new friends. Our program utilizes the Virginia Save Our Streams (VA SOS) method of assessing the water quality in a stream. Based on the type and diversity of aquatic insects found in the stream, you will be able to assess the ecological

conditions of the streams. This is known as biological monitoring and is recognized nationally as a reliable indicator of water quality.

If interested, join our volunteer monitor email distribution list to receive notices of upcoming monitoring dates. Email watershed@reston.org with the message "add me to the stream monitors list" to begin receiving emails.

Upcoming Sessions:

- Sept. 19 at 9 a.m. at WNC
- Oct. 3 at 1 p.m. at DR28
- Nov. 3 at 1 p.m. at Campfire Ring
- Nov. 14 at 1 p.m. at DR20

FRIENDS OF RESTON FALL 5K

Join us on Sunday, Oct. 4 at Browns Chapel Park for the Friends of Reston (FoR) Fall 5K Fundraiser. Volunteer hours are 7:30–10:00 a.m. Friends of Reston is a 501(c)(3) nonprofit that supports the Reston Association through scientific, educational, and charitable projects—including park improvements, camp and tennis

scholarships, environmental education, and natural area restoration. Proceeds from the Fall 5K benefit FoR's Youth Scholarships and Enrichment Fund.

Volunteers receive a race volunteer t-shirt and snacks. Volunteers must be 14 or older; volunteers under 14 may participate with an accompanying adult.

5K Volunteer Positions

- **Course Marshals:** Help keep runners and walkers safe and on course. Volunteers are stationed along the route and should be comfortable using a loud, clear voice, interacting with participants, and standing/walking during the early morning shift. Time commitment: 7:30–10:00 a.m. Orientation required: Saturday, Oct. 3, 11:00 a.m.–12:00 p.m. at Browns Chapel Park.
- **Water Stop Crew:** Be on the other side of the cup! Volunteers arrive about 30 minutes before the race to set up the water station. After participants pass

through, volunteers collect used cups, gather trash, and break down tables. Time commitment: 7:30–10 a.m. Orientation required: Saturday, Oct. 3, 11 a.m.–Noon at Browns Chapel Park.

HALLOWEEN HOUSE & TRICK-OR-TREAT

The Walker Nature Center is seeking enthusiastic volunteers for its annual Halloween House & Trick or Treat Trail on Friday, Oct. 23 and Saturday, Oct. 24 (5:30–9:30 p.m.) at Walker Nature Center, 11450 Glade Drive. This family friendly event is not a horror show or haunted house—it's a creative, festive experience filled with costumes, characters, and community fun.

Volunteer details:

- Location: Walker Nature Center 11450 Glade Drive, Reston, VA
- Volunteer Orientation: Wednesday, October 14, 6–7 p.m. at the Nature Center All trail costumed characters must attend orientation.
- Perks: Volunteers receive

VOLUNTEER RESTON

snacks and light dinner before their shift.

- **Age Requirement:** Volunteers must be 15 or older to serve as trail characters. Other positions 14+.

Volunteer Positions

- **Trail Costumed Characters:** Show your Halloween spirit! Wear a Nature Center–provided costume and hand out treats at a themed station along the trail. Each station includes a costume and a short script with key talking points to help you get into character.
- **Mascot:** Kids love our full-body, furry Nature Center mascots! Mascot volunteers should have great people skills and be comfortable animating their character without speaking.
- **Mascot Escort:** Assist mascots with getting into costume and guide them safely around the event.
- **Pumpkin Carving (Great for Busy Volunteers!):** Support the event by carving and donating a pumpkin for display at the WNC sundial.
 - Drop-off: Monday, Oct. 19–Thursday, Oct. 22, 9 a.m.–5 p.m., on the Nature Center front porch bench.
 - Include your name with your pumpkin.
 - No carving experience needed.
 - Students earn 1 hour of community service. Thank you for helping bring the magic to life!

For information or to volunteer for any of these opportunities, contact Ha Brock, Volunteer Reston Manager, at ha@reston.org or call 703-435-7986.

Volunteers with a Reston Association VicNet account can log in to register for these opportunities.
