FROM: **Brittany Muller, Agent, Stow Board of Health** BM

RE: **WATER TEST RESULTS – 58 GATES LANE**

The well water, for the abovementioned property, has been sampled and analyzed in accordance with the Stow Board of Health Regulations.

The submission of the water report, listed below, satisfies the requirement to have well water tested prior to the transfer of property in accordance with Section 5.7 (5) of the regulation.

The result for sodium exceeds the Massachusetts guideline (20 mg/l); those individuals on sodium sensitive diet should consult with their doctor prior to consuming the water.
