

FROM US TO YOU

Words and photos cannot describe the beauty of Hidden Lake! The joy we have experienced in this lake community can't be measured. Our home has brought so much happiness to many family members and friends.

Our view of the Continental Divide and Indian Peaks Mountain Range from our deck is amazing. The company of great neighbors provides a lot of good times. The private lake makes access to hiking, fishing and canoeing a blessing. Beautiful landscapes provide hours of enjoyment and relaxation. Immediate access to Highway 72 allows trips to Rocky Mountain National Park, Lake Brainard, Estes Park, Boulder and Longmont a short scenic drive to local amenities.

The sky is expansive, the wildflowers are amazing and the night sky is breathtaking. Wildlife sightings of moose, elk, deer and bald eagles are abundant.

Thank you for time and consideration of our home!
