Getting around Summerfield

15719 4th Ave S #1-31, Burien

1 Unit #1-31

Building 1, top floor. Circled on the map.

2 Carport row

The unit's assigned carport is stall 1-22, marked with the orange car.

3 EV charging and storage

The two EV charging spots are the green stalls just below the 3. The unit's storage unit is also at the top of the hill, just past the top edge of this map.

Guest parking

The open stalls without a number are guest parking, shaded purple on the map.

GETTING TO THE DOOR

The complex runs down a hill and this unit is at the bottom. From the carport it is 21 stairs to the front door, then a step up into the living room.

Schematic drawn from the recorded Summerfield condominium plat. Not to scale. Please confirm parking and storage on site.
