

— THE — MARTIN GROUP

Dave Martin is an experienced veteran in the Grand Rapids real estate market with over 40 years serving people buying and selling homes with Greenridge Realty, Inc. He has consistently been in the top 5% of sales for the Grand Rapids Association of Realtors. Dave's success can be attributed to his personalized service, natural enthusiasm for the industry and his ability to anticipate his client's exacting needs and wants. Dave has resided in Grand Rapids since graduating from Aquinas College and has become an expert on the various neighborhoods, communities and school districts in the city. Married for over 38 years to his wife Ann, they have two sons Ben & Wyatt. When Dave is not working he and his family enjoy spending time at Lake Michigan, golfing, skiing, sailing and traveling.

Wyatt Martin followed in Dave's footsteps to join Greenridge Realty, Inc. after earning an Economics degree from the University of Colorado. Having been born and raised in Grand Rapids, Wyatt has seen first-hand the tremendous growth our little slice of West Michigan has experienced over the past two decades. Wyatt's clients credit his success to his trustworthiness, attentiveness and ability to be an objective voice of reason in what is, often times, a highly emotional process. Building personal connections that transcend the transactional business is very important for Wyatt, and as such he aims to be a lifelong Real Estate advisor and friend to every client he serves.

Lyndsay Martin, Wyatt's wife, joined The Martin Group in 2020 to support Dave and Wyatt with their ever-growing and busy real estate business. Lyndsay brings 12 years of experience in providing clinical and leadership services at Hope Network in Grand Rapids. Lyndsay has been specializing in marketing, business development and creation of standard operating procedures in her previous role and brings her energy, organizational skills and a passion for customer service to The Martin Group.
